Good morning,

Further to our previous email, we have undertaken an internal review of all Officer and Related Party Disclosure (ORPD) statements from 2019 onward to ensure the accuracy and completeness of our reporting.

This review identified additional payments to related parties that were not disclosed in the original submissions for the 2019–2023 period.

Following advice from the ROC, MBT has prepared amended statements to incorporate the required related party disclosures for these years.

I am submitting today the amended ORPD Statements for 2020–2023 on behalf of the Master Builders Association of Tasmania.

Please contact me if you have any questions.

Dear Ben Nicholls

The Master Builders' Association of Tasmania Inc. - Southern Region's Officer and related party disclosure statement (ORP Statement)

Thank you for providing your ORP statement. Your ORP statement includes information required to be provided to your members and lodged under subsection 293J of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Summary of your ORP Statement and Review Outcome

Financial year ending 30 June 2020
Matter number ORP2020/116
Lodgement date 3 December 2020
Review Primary Review
Result FILED

Your primary review

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the ROC raised with you last year.

Your ORP statement satisfied the requirements of the primary review and has been uploaded to the ROC website.

The ROC's risk-based approach

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklist](#) is published on our website.
