NOTES TO AND FORMING PART OF THE ACCOUNTS
FOR THE YEAR ENDED 30 JUNE 2007

NOTE 1 STATEMENT OF ACCOUNTING POLICIES

The financial statements are a general purpose financial report that has been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views), Schedule 1B of the *Workplace Relations Act 1996* and the Industrial Registrar's Reporting Guidelines. Accounting standards include Australian equivalents to International Financial Reporting Standards. The financial statements have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair value of the consideration given in exchange for assets. The accounting policies have been consistently applied unless otherwise stated.

The following is a summary of material accounting policies adopted by the economic entity in the preparation of the financial statements.

(a) Depreciation

Depreciation on Plant & Equipment has been provided in the accounts using either the reducing balance of depreciation or prime cost depreciation at various fixed rates appropriate to the estimated effective lives.

(b) Employee entitlements

Provision is made for benefits accruing to employees at current pay rates in respect of wages and salaries, annual leave and long service leave when it is probable that settlement will be required and they are capable of being measured reliably.

(c) Investments

Investments in listed and unlisted shares are carried at cost. On an annual basis the company assess if there has been any impairment in relation to its investments. If an impairment event is detected the carrying value of the investment is determined by reference to the net assets or the net realisable value of the investment. Any deficiency is accounted for as an impairment loss

(c) Receipt of Grant Funding

Grants received are reconciled against the cost of providing services particular to the objective of each Grant. The component of funding not yet expensed is shown as a non current liability.

NOTE 2 INFORMATION TO BE PROVIDED TO MEMBERS
