Dear Mr Tompson

**Re: Annual Return of Information Contained In Records Kept By Organisation –  
Master Painters Australia – NSW Association Inc. (AR2007/389)**

The Registry has received your declaration dated 1 February 2007 providing information in accordance with subsection 233 of Schedule 1 of the *Workplace Relations Act 1996*. The document was lodged in the Industrial Registry on 9 February 2007.

The document lodged covers the following information:

- Number of members and employees as at 31 December 2006.
- Declaration that the register of members was maintained as required by s230.
- List of offices of the organisation and its branches and of the persons holding those offices.
- The addresses of the offices of the organisation and its branches.
- A statement regarding the elections which must be held under the organisation's rules during 2006.

These documents meet the requirements of the RAO Schedule.

However, the document lodged does not include a declaration, I draw your attention to section 233(2) of Schedule 1B of the *Workplace Relations Act 1996* which states:

*"(2) An organisation must, within the prescribed period, lodge in the Industrial Registry notification of any change made to the records required to be kept under paragraphs 230(1)(b), (c) and (d), certified by declaration signed by the secretary or other prescribed officer of the organisation to be a correct statement of the changes made."*

To properly comply with the legislation, the Association should lodge a notification which includes a declaration, "the notification is a correct statement of the changes made".

All future notifications should also comply with this requirement

Yours sincerely
