Dear Mr Ryan

Notification of Changes to Records

Thank you for your advice regarding the resignation of Mr Andrew Muthy from the position of Branch Secretary of the organisation's Tasmanian Branch.

We have amended our electronic records, however I draw your attention to section 233(2) of Schedule 1 of the *Workplace Relations Act 1996* which states:

(2) An organisation must, within the prescribed period, lodge in the Industrial Registry notification of any change made to the records required to be kept under paragraphs 230(1)(b), (c) and (d), certified by declaration signed by the secretary or other prescribed officer of the organisation to be a correct statement of the changes made.

To properly comply with the legislation, the Union should lodge a notification which includes a declaration, signed by you or another prescribed officer, that "the notification is a correct statement of the changes made". All future notifications should also conform to this requirement.

Please also advise if an election is required to fill the vacancy, or whether the position is being filled on a casual basis in accordance with your Rules. A copy of Mr Muthy's resignation letter would normally be needed if an election is required.

Yours sincerely
