FAIR WORK Commission

Mr Terry Noone Federal Secretary Musicians' Union of Australia

Sent by email: musiciansua@gmail.com

Dear Mr Noone

RE: Lodgement of Financial accounts and statements - Musicians' Union of Australia, Federal Office - for year ending 30 June 2012 (FR2012/394)

I acknowledge receipt of the financial report of the Musicians' Union of Australia, Federal Office for the year ending 30 June 2012. The documents were lodged with the Fair Work Commission on 24 April 2015. The report has now been filed.

The report was assessed against the 2nd edition of the Reporting Guidelines that applied in 2012 and the *Fair Work (Registered Organisations) Act 2009* ('the RO Act').

You are not required to take any further action in respect of the report lodged. However I make the following comment to assist you when you prepare your next financial report, for the year ended 30 June 2013. The Fair Work Commission will confirm this matter has been addressed prior to filing the next financial report.

Significant changes in financial affairs

Section 254(2)(b) of the RO Act requires an Operating Report to give details of any significant changes in the reporting unit's financial affairs during the year. The Operating Report did not include a statement in relation to changes to the financial affairs of the Branch.

Concluding remarks

On the FWC website a number of factsheets in relation to the financial reporting process and associated timelines are available. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via this link.

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards and the Fair Work (Registered Organisations) Act 2009.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

No provision has been made in the accounts for income tax, on the basis that the Federal Office is exempt under Section 50-15 of the Income Tax Assessment Act 1997.

New Australian Accounting Standards

i) Adoption of New Australian Accounting Standard Requirements

No accounting standard has been adopted earlier than the application date stated in the standard.

ii) Future Australian Accounting Standards Requirements

There have been no accounting standards issued which will have a financial impact on the financial report in future periods and which are not yet effective.

Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

i) Critical Accounting Estimates and Assumptions

The Federal Office makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

ii) Critical Judgements in applying the Branch's Accounting Principles

There are no critical judgements that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

b) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to MUSICIANS UNION OF AUSTRALIA FEDERAL OFFICE commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired

period of the lease or the estimated useful lives of the improvements.

MUSICIANS UNION OF AUSTRALIA FEDERAL OFFICE ABN 99 561 356 238 Notes to the Financial Statements

For the year ended 30 June 2012

Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year have been measured at their nominal amount.

Contributions are made by MUSICIANS UNION OF AUSTRALIA FEDERAL OFFICE to an employee superannuation fund and are charged as expenses when incurred.

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Revenue from overseas artists is measured at the fair value of the consideration received or receivable.

Revenue from sustentation is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

All revenue is stated net of the amount of goods and services tax (GST).

Note 2: Information to be provided to members or General Manager

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provision of Section 272, which reads as follows:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.

(3) A reporting unit must comply with an application made under subsection (1)

Note 3: Auditors' Remuneration	2012	2011
Remuneration of the auditor of the company for:		
Auditing or reviewing the financial report	2,000	2,000
Other services	0	0
	2,000	2,000

Notes to the Financial Statements

For the year ended 30 June 2012

Note 4: Events Subsequent to Reporting Date

No event has arisen subsequent to balance date, the effect of which may be material in relation to the financial statements.

Note 5: Contingent Liabilities

The Members of the Committee of Management are unaware of any contingent liability, the effect of which may be material in relation to the financial statements

Note 6: Related Party Disclosures

During the reporting period, the Federal Office made transactions with/on behalf of the following related entities: Musician's Union of Australia Adelaide Branch, Brisbane Branch, Melbourne Branch and Sydney Branch. The net effect of transactions with related entities is fully disclosed in the financial statements and the notes to the accounts. These include:

- a) Sustentation (i.e. capitation) from Branches (see Income & Expenditure Statement)
- b) loan (to Sydney Branch) (see Statement of Financial position)
- c) subsidies and repayments (from/to Melbourne Branch) (see Note 9)

Related parties of the Federal Office also include all members of the committee of management, i.e. the Federal Executive.

There have been no other transactions between the officers and the Federal Office other than those relating to their membership of the Union and the reimbursement by the Federal Office in respect of expenses incurred by them in the performance of their duties. Such transactions have been on conditions no more favourable than those which it is reasonable to expect would have been adopted by parties at arm's length. The Federal Imports Officer, Christopher Noone, is a family relative of the Federal Secretary and hence a related party, the amounts paid to him as an employee of the Federal Office are as follows:

The accompanying notes form part of these financial statements.

Note 8: Going Concern

Notwithstanding the deficiency in net assets, the financial report has been prepared on the basis of the Federal Office as a going concern on the basis that the Federal Office receives continued financial support from its members, its constituent branches, and both secured and unsecured creditors.

Notes to the Financial Statements

Add: Current Year Interest	13,215.60	10,654.61	
Interest on Advance C/Fwd	81,941.55	68,725.95	

Melbourne Branch Subsidies (and interest receivable) have not been brought to account a liability of the Union on the basis that they have been fully expended on meeting Federal Office expenses and are not capable of being refunded except out of future income of the Union which at balance date was not considered certain, and in the regard are considered contingent liabilities only.

Note 10: Financial Risk Management

(a) General objectives, policies and processes

The Federal Office is exposed to risks that arise from its use of financial instruments. This note describes the Federal Office's objectives, policies and processes for managing those risks and the methods used to measure them.

There have been no substantive changes in the Federal Office's exposure to financial instrument risk, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

The Federal Office's financial instruments consist mainly of deposits with banks, receivables and payables. The main risks the Federal Office is exposed to through its financial instruments are credit risk and liquidity risk.

The Committee of Management has overall responsibility for the determination of the Federal Office's risk management objectives and policies.

(b) Credit Risk

Credit risk is the risk that the other party to a financial instrument will fail to discharge their obligation resulting in the Federal Office incurring a financial loss. This usually occurs when debtors fail to settle their obligations owing to the Federal Office.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provision for doubtful debts, as disclosed in the Detailed Statement of Financial Position and the Notes to the Accounts.

(c) Liquidity Risk

Liquidity risk is the risk that the Federal Office may encounter difficulties raising funds to meet commitments associated with financial instruments. The Federal Office manages liquidity risk by monitoring cash flows. The liquidity of the Federal Office is dependent of the continued support of affiliate branches.

Suite 12 / 116 Melbourne Street, North Adelaide SA 5006

To the members of the Musicians Union of Australia Federal Office

We have audited the accompanying financial report of MUSICIANS UNION OF AUSTRALIA FEDERAL OFFICE (the Union), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 June 2012.

Committee's Responsibility for the Financial Report

The Committee of the Branch is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Fair Work (Registered Organisation) Act 2009. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error: selecting and applying appropriate accounting policies: and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, hut not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian Professional and Ethical Standards Board.

Qualifications

As stated in Note 9, and notwithstanding the deficiency in net assets, the financial report has been prepared on the basis of the Union as a going concern on the basis that the Union receives continued financial support from its members, constituent branches, and both secured and unsecured creditors. Although no indication has been given that such financial support will be withheld, no guarantee has been given and, accordingly, the ability of the Union to pay its debts as and when required is not certain. In this regard, there is a risk that the going concern basis may he invalid in which case a provision would be required for any loss on realisation of the assets of the Union.
