Notes to the Financial Statements

For the year ended 30 June 2012

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards and the Fair Work (Registered Organisations) Act 2009.

The financial report covers the MUSICIAN'S UNION OF AUSTRALIA MELBOURNE BRANCH, an unincorporated association domiciled in Victoria, Australia. The Branch is a not for profit entity.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

No provision has been made in the accounts for income tax, on the basis that the Union is exempt under Section 50-15 of the Income Tax Assessment Act 1997.

New Australian Accounting Standards

- i) Adoption of New Australian Accounting Standard Requirements
 No accounting standard has been adopted earlier than the application date stated in the standard.
- ii) Future Australian Accounting Standards Requirements

There have been no accounting standards issued which will have a financial impact on the financial report in future periods and which are not yet effective.

Accounting Estimates and Judgements

Estimates and judgements are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

i) Critical Accounting Estimates and Assumptions

The Branch makes estimates and assumptions concerning the future. The resulting accounting estimates by definition seldom equal the related actual results. There are no estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

ii) Critical Judgements in applying the Branch's Accounting Principles

There are no critical judgements that have significant risk of causing a material adjustment to the carrying amounts of assets and liabilities.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal

b) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to MUSICIANS UNION OF AUSTRALIA MELBOURNE BRANCH commencing from the time the asset is held ready for use.

Notes to the Financial Statements

For the year ended 30 June 2012

Investments

Shares in listed companies held as current assets are valued at those shares' market value at each balance date. Gains or losses, whether realised or unrealised, are reflected in the financial statements in accordance with Australian Accounting Standards.

Non-current investments are measured on the cost basis. The carrying amount of non-current investments is reviewed annually to ensure it is not in excess of the recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for listed investments or the underlying net assets for other non-listed investments.

The expected net cash flows from investments have not been discounted to their present value in determining the recoverable amounts.

Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year have been measured at their nominal amount.

Contributions are made by MUSICIANS UNION OF AUSTRALIA MELBOURNE BRANCH to an employee superannuation fund and are charged as expenses when incurred.

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Revenue from all sources is measured at the fair value of the consideration received or receivable. All revenue is stated net of the amount of goods and services tax (GST).

Going Concern

The financial report has been prepared on the basis that the Branch is a going concern, which assumes continuity of normal business activities and the realisation of assets and the settlement of liabilities in the ordinary course of business.

Goods and Service Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Note 2: Information to be provided to members or General Manager

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provision of Section 272, which reads as follows:

- (1) A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.

(a) General objectives, policies and processes

The Branch is exposed to risks that arise from its use of financial instruments. This note describes the Branch's objectives, policies and processes for managing those risks and the methods used to measure them.

There have been no substantive changes in the Branch's exposure to financial instrument risk, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note.

The Branch's financial instruments consist mainly of deposits with banks and receivables. The main risks the Branch is exposed to through its financial instruments are credit, risk liquidity risk and market risk.

The Committee of Management has overall responsibility for the determination of the Branch's risk management objectives and policies.

(b) Credit Risk

Credit risk is the risk that the other party to a financial instrument will fail to discharge their obligation resulting in the Branch incurring a financial loss. This usually occurs when debtors fail to settle their obligations owing to the Branch.

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets is the carrying amount of those assets, net of any provision for doubtful debts, as disclosed in the Detailed Statement of Financial Position and the Notes to the Accounts.

(c) Liquidity Risk

Liquidity risk is the risk that the Branch may encounter difficulties raising funds to meet commitments associated with financial instruments. The Branch manages liquidity risk by monitoring cash flows.

The Branch is not significantly exposed to this risk; as at 30 June 2012 it had \$16,130 of cash and cash equivalents to meet these obligations as they fall due. Financial liabilities to third parties excluding associated entities at 30 June 2012 totaled \$220.

(d) Market Risk

Market risk arises from the use of interest bearing, tradable financial instruments. It is the risk that the fair value or future cash flows of a financial instrument will fluctuate because of changes in interest rates (interest rate risk) or other market factors (other price risk). *Interest Rate Risk*

Cash and cash equivalents are held in high quality Australian Financial Institutions. The performance of the Branch is not dependent on interest earnings from these cash holdings. Subsequently, fluctuations in the rate of interest earned on cash and cash equivalents does not have a material effect on the performance of the Branch.

Price Risk

Branch holdings of other financial assets subject to price risk and the movement in the value of those assets are disclosed in the Statement of Financial Position and notes to the accounts (note 9).

To the members of the Musicians Union of Australia Melbourne Branch

We have audited the accompanying financial report of MUSICIANS UNION OF AUSTRALIA MELBOURNE BRANCH (the Branch), which comprises the Statement by Members of the Committee, Income and Expenditure Statement, the Statement of Financial Position, Statement of Cash Flows, Statement of Changes In Equity, a summary of significant accounting policies and other explanatory notes for the financial year ended 30 June 2012.

Committee's Responsibility for the Financial Report

The Committee of the Branch is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Fair Work (Registered Organisation) Act 2009. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Independence

In conducting our audit, we have complied with the independence requirements of Australian Professional and Ethical Standards Board.

Qualifications

The financial report has been prepared on the basis of the Union as a going concern due to the continued financial support that the Branch receives from its members, its affiliated branches, and both secured and unsecured creditors. Although no indication has been given that such financial support will be withheld, no guarantee has been given and, accordingly, the ability of the Branch to pay its debts as and when required is not certain. In this regard, there is a risk that the going concern hasis may be invalid.
