Mr Terry Noone Federal Secretary Musicians' Union of Australia

Dear Mr Noone,

Re: Lodgement of Financial Statements and Accounts - Musicians' Union of Australia, Sydney Branch - for years ended 30 June 2002 to 30 June 2012

I refer to the financial statements and accounts of the Sydney Branch of the Musicians' Union of Australia for the years ended 30 June 2002 to 30 June 2012 inclusive, lodged in the Fair Work Commission (FWC) on 4 February 2014. I acknowledge receipt of your email of 19 May 2014 attaching final advice in respect of the financial profile of the Branch and the financial support received from other reporting units during the period covered by the reports.

The documents have been filed. No further action in relation to the above reports is required. I draw your attention however to the following, when preparing future reports.

The reports omitted the notice required by subsection 274 of the former *Workplace Relations Act 1996* or subsection 272 of the RAO Schedule or the *Fair Work (Registered Organisations) Act 2009* (as appropriate). Future reports must include the notice under section 272.

Aside from any requirements specifically applicable for years from 2013 onwards, future reports should also indicate, in the operating report, whether or not there have been any significant changes in the Branch's financial affairs, to reflect subsection 254(2)(b)¹, set out the information for Changes in Equity in a separate financial statement² and specify the date of the passing of the resolution with respect to the declarations on the Committee of Management Statement.³

Yours sincerely

Committee's Responsibility for the Financial Report

The Committee of the Branch is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Workplace Relations Act 1996. An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

Notes to the Financial Statements For the year ended 30 June 2005

Note 1: Statement of Significant Accounting Policies

The financial report is a general purpose financial report that has been prepared in accordance with Accounting Standards and other authoritative pronouncements of the Australian Accounting Standards Board and the requirements of the Workplace Relations Act 1996.

The financial report covers MUSICIANS UNION OF AUSTRALIA SYDNEY BRANCH as an individual entity. MUSICIANS UNION OF AUSTRALIA SYDNEY BRANCH is an association incorporated in New South Wales under the Associations Incorporation Act 1984.

The financial report has been prepared on an accruals basis and is based on historical costs and does not take into account changing money values or, except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

The following is a summary of the material accounting policies adopted by the economic entity in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

Income tax

No provision has been made in the accounts for income tax, on the basis that the Union is exempt under Section 50-15 of the Income Tax Assessment Act 1997.

Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value less, where applicable, any accumulated depreciation.

a) Plant and equipment

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from those assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have not been discounted to present values in determining the recoverable amounts.

c) Depreciation

The depreciable amount of all fixed assets including buildings and capitalised leased assets, but excluding freehold land, is depreciated on a straight line basis over their useful lives to MUSICIANS UNION OF AUSTRALIA SYDNEY BRANCH commencing from the time the asset is held ready for use. Properties held for investment purposes are not subject to a depreciation charge. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

Employee entitlements

Provision is made for the liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash out flows to be made for those entitlements.

Contributions are made by MUSICIANS UNION OF AUSTRALIA SYDNEY BRANCH to an employee superannuation fund and are charged as expenses when incurred.

MUSICIANS UNION OF AUSTRALIA SYDNEY BRANCH does not record, as an asset or a liability, the difference between the employer established defined benefit superannuation plan's accrued benefits and the net market value of the plans assets.

Notes to the Financial Statements For the year ended 30 June 2005

MUSICIANS UNION OF AUSTRALIA SYDNEY BRANCH operates an ownership-based remuneration scheme, details of which are provided in the Notes to Accounts. Profits or losses incurred by employees, being the difference between the market value and the par value of the shares acquired, are not recorded as remuneration paid to employees.

Cash

For the purpose of the statement of cash flows, cash includes cash on hand and in all call deposits with banks or financial institutions, investments in money market instruments maturing within less than two months, net of bank overdrafts.

Comparative Figures

Where required by Accounting Standards comparative figures have been adjusted to conform with changes in presentation for the current financial year.

Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised as it is received.

Revenue from the rendering of a service is recognised upon the delivery of the service to the customers.

All revenue is stated net of the amount of goods and services tax (GST).
