Dear Mr Tinslay,

Annual Return for the year 2013

**AR2013/169, AR2013/170, AR2013/171, AR2013/172, AR2013/173, AR2013/174, AR2013/175
Fair Work (Registered Organisations) Act 2009**

I refer to the letter dated 18 June 2013 in which the Regulatory Compliance Branch acknowledged receipt of the 2013 annual return of information for The National Electrical Contractors Association. I confirm that the documents were lodged with the Fair Work Commission on 25 February 2013 and were filed on 18 June 2013. The documents covered the National Office and each of the State Chapters of The National Electrical Contractors Association.

The Fair Work Commission also received an annual return of information for 2013 separately from the Western Australia Chapter, the New South Wales Chapter and the Australian Territory Chapter. If the annual return of information lodged by the National Office covers all of the State Chapters, it is not necessary to lodge a separate annual return for each of the State Chapters.

Please be advised that the documents lodged must also include a declaration signed by the secretary or other prescribed officer certifying the matters required by subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act). In this instance, the information required to be provided in declaration form was provided by way of letter. In future years, please ensure that a declaration is lodged in accordance with subsection 233(1) of the RO Act.

I confirm that the documents have been filed and can be viewed on the Fair Work Commission website at <http://www.e-airc.gov.au/233v/annual>.

If you have any queries in relation to the above, please contact me by email at ingrid.fraser@fwc.gov.au or by telephone on (03) 8661 7944.

Yours sincerely
