Dear Mr Manickam,

Annual return of Information for 2015 [AR2015/76]

I acknowledge receipt on 26 February 2015 of your Declaration providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009*.

The documents lodged cover the required information for the 2015 Annual Return of Information of The National Electrical Contractors Association. The Annual Return has now been filed and can be viewed on the Fair Work Commission website through the List of Registered Organisations - <http://www.fwc.gov.au/index.cfm?pagename=regorgslist>

I make the following comments regarding to assist with future lodgements.

Holders of Office

Point '3 d)' of the declaration provides office holders as at 31 December 2014 'with subsequent changes of office holders noted'. The obligation to inform the Fair Work Commission (the Commission) of office holders in section 233(1)(b) is a current obligation - that is the obligation is to provide the names of the office holders at the time that the declaration is signed. There is no requirement to provide this information as at 31 December of the previous year (unlike member numbers).

I hope that this explanation of the legislative requirement will make complying with next year's annual return easier.

Notification of Changes

Any changes to these records must be notified to the Commission within 35 days of the change.

The Commission will accept notifications of change from the relevant Chapters or from the National Office. If the National Office of NECA does NOT intend to file notifications of change, please ensure that all Chapters are aware of their continuing obligation and the requisite time frames regarding notifications of change.

If a Chapter lodges a notification of change with the Commission, the Chapter should also provide the information to the national office in order to ensure that NECA is able to comply with its obligations under section 233(1) of the RO Act.

A template Notification of Changes declaration is available on our website to assist branches meet their obligations.

Northern Territory

Thank you for meeting with me on Monday 23 March, concerning the Northern Territory. I note your undertaking to discuss the future of the Northern Territory Chapter with the National Executive at the next meeting in May. This annual return has been filed without information supplied concerning the Northern Territory. Should the National Executive decide to maintain a Northern Territory Chapter please contact us as soon as practicable so we can plan a way forward for the Chapter.

Should you wish to discuss the matters raised in this letter, or if you require further information on the requirements of the Act, I may be contacted on 03 8661 7974 or by email at catherine.bebbington@fwc.gov.au.
