Dear Mr. Glynn

# Re: The National Electrical Contractors Association Financial Reporting Obligations under *Workplace Relations Act 1996*

This is a courtesy letter to remind you of the financial reporting obligations of the abovenamed body under the *Workplace Relations Act 1996* ('the Act') for the financial year ended 30 June, 2002.

The legislative scheme set out in Part IX, Division 11 of the Act is directed at ensuring that a registered organisation or a branch of such an organisation discharges obligations of accountability to its members in relation to its financial affairs through proper and regular disclosure of financial information. The various steps of the financial reporting requirements must be carried out within the time-scales prescribed by the legislation so as to ensure the relevance of the financial information provided to the members.

Now that the financial year has ended, it is timely that you put in train the various steps of the financial reporting requirements. To assist you with this process I have enclosed for your information a notice summarising these requirements including the time-scales prescribed by the legislation.

Please note that a branch of an organisation may be exempted from the obligations arising under Part IX, Division 11 in respect of a financial year by satisfying a Registrar that the branch did not have any financial affairs during the financial year. An application under subsection 271A(1) of the Act must be made within 90 days (unless extended by a Registrar) after the end of the financial year.

Please do not hesitate to contact me on (03) 8661 7817 if you wish to discuss the financial reporting requirements, especially if you anticipate any difficulty in meeting any step in the time-scales prescribed.

×.

Yours sincerely

# 3. STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES

The significant policies that have been adopted in the preparation of the financial report are:

# a) Basis of Preparation

The financial report is a general purpose financial report which has been prepared in accordance with Australian Accounting Standards, Urgent Issues Group Consensus Views, other authoritative pronouncements of the Australian Accounting Standard Boards and the Workplace Relations Act 1996.

C:\windows\TEMP\National2002.doc

# 3. STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

#### a) Basis of Preparation (Cont'd)

The financial report has been prepared on an accruals basis and is based on historical cost, or except where stated, current valuations of non-current assets. Cost is based on the fair values of the consideration given in exchange for assets.

# b) Taxation

No provision for income tax is necessary as "Associations of Employers" are exempt from income tax under Section 50-15 of the Income Tax Assessment Act 1997.

# c) Trade Receivables

Trade receivables are recognised and carried at original invoice amount less a provision for any uncollectable debts. An estimate for doubtful debts is made when collection of the full amount is no longer probable. Bad debts are written-off as incurred.

#### d) Investments

Investments in associates and controlled entities are carried at the lower of the equityaccounted amount and recoverable amount in the consolidated financial statements.

# e) Property, Plant and Equipment

#### Acquisition

Items of property, plant and equipment are initially recorded at cost and depreciated as outlined below.

#### Depreciation

Items of property, plant and equipment, including buildings and leasehold property, but excluding freehold land, are depreciated over their estimated useful lives. The straight-line method of depreciation is used. The depreciation rates used for each class of depreciable assets are:

	2002	2001
Motor Vehicles	<b>-</b> 1	25%
Plant and Equipment	10% to 33%	10% to 33%

# 3. STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

# f) Recoverable Amount

Non-current assets are not carried at an amount above their recoverable amount, and where carrying values exceed this recoverable amount, assets are written down. In determining recoverable amount, the expected net cash flows have been discounted to their present value using a market determined risk adjusted discount rate

## g) Trade and Other Payables

Liabilities for trade creditors and other payables are carried at cost which is the fair value of the consideration to be paid in the future for goods and services received, whether or not billed to the Association.

#### h) Employee Entitlements

#### Wages, Salaries, Annual Leave

The provision for employee entitlements to wages, salaries and annual leave represents the amount which the Association has a present obligation to pay resulting from employees' services provided up to the balance date. The provision has been calculated at nominal amounts based on current wage and salary rates and includes related on-costs. The carrying amount of provisions approximates net fair value.

#### Long Service Leave

The liability for employee entitlements to long service leave represents the present value of the estimated future cash outflows to be made by the Association resulting from employees' service provided up to the balance date.

Liabilities for employee entitlements which are not expected to be settled within twelve months are discounted using the rates attaching to national government securities at balance date, which most closely match the terms of maturity of the related liabilities. The carrying amount of the provision approximates net fair value.

#### Superannuation

The Association contributes to an employee superannuation fund. Contributions are charged against income as they are made. The Association has no legal obligation to cover any shortfall in the fund's assets or to meet benefits to employees on retirement.

# 3. STATEMENTS OF SIGNIFICANT ACCOUNTING POLICIES (Cont'd)

#### i) Cash and Cash Equivalents

Cash on hand and in banks and short-term deposits are stated at the lower of cost and net realisable value. For the purposes of the Statement of Cash Flows, cash includes cash on hand and in banks, and money market investments readily convertible to cash within 2 working days.

## j) Revenue Recognition

#### **Operating** Revenue

Operating revenue comprises revenue earned from the provision of products or services to members. Operating revenue is recognised when the goods are provided or when the fee in respect of services provided is receivable.

# Interest Income

Interest income is recognised as it accrues.

#### Asset Sales

The profit or loss on disposal of assets is brought to account at the date an unconditional contract of sale is signed.

# k) Comparatives

Where necessary, comparative information has been reclassified to achieve consistency with current financial year amounts and other disclosures.

#### • Secretary's Certificate

A certificate prepared under paragraph 280(1)(b) of the Act is to be prepared by the Secretary, unless the rules of the organisation provide that another officer should do so. An examination of the rules does not indicate such provision has been made. Accordingly, the Secretary rather than the person who has signed the certificate dated 20 March 2003 is the appropriate person to prepare such certificate.

Would you please lodge an appropriately signed Secretary's Certificate as soon as possible.

Dear Mr Glynn,

ð,

#### Re: National Electrical Contractors Association Financial returns for year ended 30 June 2002 (FR2002/325)

Thank you for forwarding the replacement Secretary's Certificate in relation to the financial year ended 30 June 2002. The certificate has been placed with the documents previously lodged.

The documents have been filed.

The following matters are advised for assistance when preparing future financial documents, no further action is requested in respect of these:

Accounting Officer's Certificate

#### Certificate of another lodged

A certificate prepared under regulation 109(1)(a) is to be prepared by the officer responsible for the keeping of the accounting records - refer regulation 109(4). An examination of the rules of the organisation, (refer rule 17(b)(iii)), indicates that the Treasurer rather the Secretary is the appropriate person to prepare such a certificate.

#### Auditor's Report

#### Consideration of certificates as well as accounts

The auditor gives an opinion on the financial report as set out on pages 3 to 15. It should be noted that the opinion required for the purposes of s276(4)(a)(ii) of the Act should include consideration of the certificates of the accounting officer and committee of management. Such certificates should be contained in accounts prepared in accordance with subsection 273(1) of the Act - refer subsection 273(2) and subregulation 109(1).

Would you please draw this matter to your auditor's attention.

#### New legislation

Many of the provisions relating to registered organisations currently in the WR Act are replicated in the new RAO Schedule, with some amendments. Other matters will be substantially changed by the RAO Schedule, particularly the

I note that your organisation will be required to complete the financial reporting obligations for the financial year ended 30 June 2003 under the Workplace Relations Act 1996 whereas the reporting obligations for the financial year ending 30 June 2004 will be governed by the requirements of the RAO Schedule. This is because the relevant provisions of the *Workplace Relations Legislation Amendment (Registration of Accountability of Organisations) (Consequential Provisions) 2002 Act*
