

FAIR WORK  
COMMISSION

10 December 2015

Mr Suresh Manickam  
National Secretary/CEO  
National Electrical Contractors Association

Sent via email: [necanat@neca.asn.au](mailto:necanat@neca.asn.au)

Dear Mr Manickam,

**Re: Lodgement of Financial Statements and Accounts – National Electrical Contractors Association, National Office - for year ended 30 June 2015 (FR2015/117)**

I refer to the financial report for the National Electrical Contractors Association, National Office. The report was lodged with the Fair Work Commission on 8 December 2015.

The financial report has been filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and Reporting Guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2016 may be subject to an advanced compliance review.

Reporting Requirements

On the FWC website a number of factsheets in relation to the financial reporting process and associated timelines are available. The most recent copy of the Reporting Guidelines and a model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via [this link](#).

If you require further information on the financial reporting requirements of the Act, I may be contacted on (02) 6746 3283 or 0429 462 979 or by email at [stephen.kellett@fwc.gov.au](mailto:stephen.kellett@fwc.gov.au)

Yours sincerely

# Independent Auditor's Report to the Members of the National Electrical Contractors Association National Office and Controlled Entities

## Report on the financial report

We have audited the accompanying financial report of the National Electrical Contractors Association and Controlled Entities ("the Association"), which comprises the statement of financial position as at 30 June 2015, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement of the Committee of Management of the National Electrical Contractors Association National Office and Controlled Entities, for the year ended 30 June 2015.

## Committee's responsibility for the financial report

The committee of the association is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the *Fair Work (Registered Organisations) Act 2009*, and for such internal control as the directors determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. Note 1 to the financial report also states, in accordance with Accounting Standard AASB 101: *Presentation of Financial Statements* that the financial statements comply with International Financial Reporting Standards.

## Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report that gives a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting obligations under the *Fair Work (Registered Organisations) Act 2009*. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

## Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies and the *Fair Work (Registered Organisations) Act 2009*.

### Auditor's opinion

In our opinion, the general purpose report of the National Electrical Contractors Association and Controlled Entities for the year ended 30 June 2015 is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the *Fair Work (Registered Organisations) Act 2009*.

### Emphasis of Matter – Going Concern

Without modifying our opinion we draw attention to Note 1 of the financial report, which describes uncertainty in relation to the ability to continue as a going concern for three subsidiaries of NECA National. The three subsidiaries are NECA Legal Pty Ltd, NECA Training Ltd and Australian Cabler Registration Services Pty Ltd. Our opinion is not modified in respect of this matter.

### Basis of Accounting

Without modifying our opinion, we draw attention to Note 1.1 to the financial report which describes the basis of preparation of the Financial Statements. The Financial Statements have been prepared for the purpose of fulfilling the committee of management's financial reporting responsibilities under the Fair Work (Registered Organisations) Act 2009. As a result the financial report may not be suitable for another purpose.

### Other Matters

I declare that, as part of the audit of the financial statements for the year ended 30 June 2015, I have concluded that management's use of the going concern basis of accounting in the preparation of the NECA National and controlled entities financial statements is appropriate.

I also declare that I am an approved auditor as defined in Regulation 4 of the RO Regulations

I am currently

- A Fellow of Chartered Accountants Australia and New Zealand (#26502)
- A registered company auditor (#7516), and
- Hold a Certificate of Public Practice with the CAANZ dated 7 March 1989

**CERTIFICATE BY PRESCRIBED DESIGNATED OFFICER**

Certificate for the period ended 30 June 2015

I, Suresh Manickam, being the Secretary of the National Electrical Contractors Association – National Office certify:

- that the documents lodged herewith are copies of the full report for the National Electrical Contractors Association – National Office for the period ended 30 June 2015 referred to in s.268 of the *Fair Work (Registered Organisations) Act 2009*; and
- that the full report was provided to members of the reporting unit on 12/11/15; and
- that the full report was presented to a general meeting of members of the reporting unit on 26/11/15 in accordance with s.266 of the *Fair Work (Registered Organisations) Act 2009*.

**OPERATING REPORT BY THE COMMITTEE**

The committee presents its report on the reporting unit for the financial year ended 30<sup>th</sup> June 2015. The report covers the results of the National Electrical Contractors Association – National Office (the reporting unit) and controlled entities.

**Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year**

The reporting unit is the National Office of the organisation whose principal activities involve representing the interests of its members in the electrical and communications contracting industry. Its principal activities, and through its Chapters, include industrial relations, health and safety, legal, training, business-support services and advocacy representation with government, industry bodies, training bodies and in the industrial tribunals. A review of those activities presents the same as in the previous reporting period, such that there were no significant changes in the nature of those activities. Members are directed to the NECA 2014 Annual Review for further information.

The profit of the reporting unit and its controlled entities for the financial year, after providing for income tax, amounted to \$1,440,683 (2014: \$1,355,921).

**Significant changes in financial affairs**

No significant change in the financial affairs of the reporting unit occurred during the year.

**Significant Events**

In relation to the controlled entities, the directors of NECA Education and Careers Limited (Formerly 370 Degrees Group Limited) in 2015 sold the Brunswick Road property which was approved for sale at the board meeting held on 26 August 2014. The sale took place during the financial year ending 30 June 2015.

**After balance date events**

No matters or circumstances have arisen since the end of the financial year which significantly affected or may affect the operations of the reporting unit, the results of those operations, or the state of affairs of the reporting unit in future financial years.

**Right of members to resign**

Members may resign from the Association in accordance with Rule 11, Resignation from Membership, of the Federal rules of the National Electrical Contractors Association. Rule 11 conforms with Section 174 of the Fair Work (Registered Organisations) Act 2009.

## National Electrical Contractors Association – National Office

### COMMITTEE OF MANAGEMENT STATEMENT

*for the period ended 30 June 2015*

On the // 2015 the Committee of Management of the National Electrical Contractors Association – National Office passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2015:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act has been provided to the member or General Manager; and
  - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) where the reporting unit has not derived revenue from undertaking recovery of wages activity, include the statement 'no revenue has been derived from undertaking recovery of wages activity during the reporting period' or
- (g) where the reporting unit has derived revenue from undertaking recovery of wages activity:
  - (i) the financial report on recovery of wages activity has been fairly and accurately prepared in accordance with the requirements of the reporting guidelines of the General Manager; and
  - (ii) the committee of management instructed the auditor to include in the scope of the audit required under subsection 257(1) of the RO Act all recovery of wages activity by the reporting unit from which revenues had been derived for the financial year in respect of such activity; and
  - (iii) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies

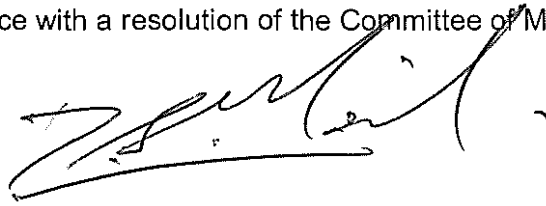

**National Electrical Contractors Association – National Office**

recovered from employers on behalf of workers other than reported in the financial report on recovery of wages activity and the notes to the financial statements; and

- (iv) that prior to engaging in any recovery of wages activity, the organisation has disclosed to members by way of a written policy all fees to be charged or reimbursement of expenses required for recovery of wages activity, and any likely request for donations or other contributions in acting for a worker in recovery of wages activity; and
- (v) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies recovered from employers on behalf of workers until distributions of recovered money were made to the workers.

This declaration is made in accordance with a resolution of the Committee of Management.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 1 Summary of significant accounting policies**

The financial statements cover the National Electrical Contractors Association (NECA) as a consolidated entity. The National Electrical Contractors Association ("NECA") is an association of employers registered under the Fair Work (Registered Organisations) Act 2009.

**1.1 Going Concern**

**NECA Legal Pty Ltd**

NECA Legal Pty Ltd has a net assets deficiency of \$484,984 as at 30 June 2015. The net assets deficiency is due to NECA Legal having a loan payable to NECA NSW Chapter amounting to \$607,458. NECA Legal has received a guarantee of continuing financial support from NECA National Office to allow the company to meet its liabilities.

**NECA Training Ltd**

NECA Training Ltd has a net assets deficiency of \$58,872 as at 30 June 2015. The net assets deficiency is due to NECA Training Ltd having a loan payable to NECA NSW Chapter amounting to \$150,000. NECA Training Ltd has received a guarantee of continuing financial support from NECA National Office to allow the company to meet its liabilities.

**Australian Cabler Registration Services Pty Ltd**

ACRS has incurred a net profit after tax amounting to \$22,100 for the year ended 30 June 2015 and a net loss after tax amounting to \$86,910 for the year ended 30 June 2014. NECA National Office, as the parent, has provided a letter of support which will allow the company to pay its debts as and when they fall due.

Notwithstanding the above factors, National Electrical Contractors Association and its controlled entities have made a consolidated profit of \$1,440,683 and have a positive consolidated working capital of \$12,417,870. The committee is therefore confident that NECA can access funding to provide financial support to the above three controlled entities which will enable them to pay their debts as and when they fall due. The financial support will continue to be made available until at least 12 months from the date of signing of these consolidated financial statements.

**1.2 Basis of preparation of the financial statements**

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the *Fair Work (Registered Organisation) Act 2009*. For the purpose of preparing the general purpose financial statements, NECA is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.3 Comparative amounts**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

**1.4 Significant accounting judgements and estimates**

No accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

**1.5 New Australian Accounting Standards**

***Adoption of New Australian Accounting Standard requirements***

No accounting standard has been adopted earlier than the application date stated in the standard.

The accounting policies adopted are consistent with those of the previous financial year..

**1.6 Basis of consolidation**

Pursuant to section 242 of the Fair Work (Registered Organisations ) Act 2009 where an organisation is divided into branches, each branch will be a reporting unit unless a certificate is issued by the General Manager stating that the organisation is, for the purpose of compliance with that Part of the Act, divided into reporting units on an alternative basis. Alternative reporting units are:

- (a) the whole of the organisation; or
- (b) a combination of 2 or more branches of the organisation.

Each branch of an organisation must be in one, and only one, reporting unit.

All state chapters of NECA are separate reporting units. All other controlled entities are consolidated in the NECA National consolidation and are treated as one reporting unit.

Pursuant to section 253, as soon as practicable after the end of each financial year, a reporting unit must cause a general purpose financial report to be prepared, in accordance with the Australian Accounting Standards, from the financial records kept under subsection 252(1) in relation to the financial year. These GPFR are required to comply with Tier 1 reporting requirements of AASB 1053.

For purposes of the consolidation, the parent comprises the National Electrical Contractors Association - National Office and the subsidiaries and associates of NECA National that are not otherwise required to report as separate reporting units. Refer to note 17 for the entities comprising this reporting unit.

In preparing the consolidated financial statements, all inter group balances and transactions between entities in the Association have been eliminated on consolidation. Accounting policies of subsidiaries have been changed where necessary to ensure consistency with those adopted by the parent entity.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.7 Investment in associates and joint arrangements**

Investments in associates are recognised in the financial statements by applying the equity method of accounting, whereby the investment is initially recognised at cost and adjusted thereafter for the post-acquisition change in the reporting unit's share of net assets of the associate entity. In addition, the reporting unit's share of the profit or loss of the associate company is included in the reporting unit's profit or loss.

Profits and losses resulting from transactions between the reporting unit and the associate are eliminated to the extent of the reporting unit's interest in the associate.

When the reporting unit's share of losses in an associate equals or exceeds its interest in the associate, the reporting unit discontinues recognising its share of further losses unless it has incurred legal or constructive obligations or made payments on behalf of the associate. Upon the associate subsequently making profits, the reporting unit will resume recognising its share of those profits once its share of the profits equals the share of the losses not recognised.

Details of the reporting unit's investments in associates are shown at Note 17.

**1.8 Revenue**

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from subscriptions is accounted for on an accrual basis and is recorded as revenue in the year to which it relates.

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured, and it is probable that the economic benefits associated with the transaction will flow to the entity.

Revenue from the rendering of services is recognised upon the delivery of the service to the customer.

Receivables for goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

Interest revenue is recognised on an accrual basis using the effective interest method.

Contributions for the ElectroComms Contracting Foundation are recognised as revenue when the right to receive a contribution has been established.

Licence fees received in advance are carried forward as a liability in the Balance Sheet to be amortised into income for the relevant years. Licence revenue for 1 year & 3 year licences is recognised proportionally over the period to which it relates.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.9 Government grants**

Government grants are not recognised until there is reasonable assurance that the reporting unit will comply with the conditions attaching to them and that the grants will be received.

Government grants are recognised in profit or loss on a systematic basis over the periods in which the reporting unit recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the [reporting unit] should purchase, construct otherwise acquire non-current assets are recognised as deferred revenue in the statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to the reporting unit with no future related costs are recognised in profit or loss in the period in which they become receivable.

**1.10 Gains**

***Sale of assets***

Gains and losses from disposal of assets are recognised when control of the asset has passed to the buyer.

**1.11 Capitation fees and levies**

Capitation fees and levies are recognised on an accrual basis and recorded as a revenue and/or expense in the year to which it relates.

**1.12 Employee benefits**

A liability is recognised for benefits accruing to employees in respect of wages and salaries, annual leave, long service leave and termination benefits when it is probable that settlement will be required and they are capable of being measured reliably.

Liabilities for short-term employee benefits (as defined in AASB 119 *Employee Benefits*) and termination benefits which are expected to be settled within twelve months of the end of reporting period are measured at their nominal amounts. The nominal amount is calculated with regard to the rates expected to be paid on settlement of the liability.

Other long-term employee benefits which are expected to be settled beyond twelve months are measured as the present value of the estimated future cash outflows to be made by the reporting unit in respect of services provided by employees up to reporting date.

Payments to defined contribution retirement benefit plans are recognised as an expense when employees have rendered service entitling them to the contributions.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.13 Leases**

Leases are classified as finance leases whenever the terms of the lease transfer substantially all the risks and rewards of ownership to the lessee. All other leases are classified as operating leases.

Where an asset is acquired by means of a finance lease, the asset is capitalised at either the fair value of the lease property or, if lower, the present value of minimum lease payments at the inception of the contract and a liability is recognised at the same time and for the same amount.

The discount rate used is the interest rate implicit in the lease. Leased assets are amortised over the period of the lease. Lease payments are allocated between the principal component and the interest expense.

Operating lease payments are expensed on a straight-line basis which is representative of the pattern of benefits derived from the leased assets.

Rental revenue from operating leases is recognised on a straight-line basis over the term of the relevant lease. Initial direct costs incurred in negotiating and arranging an operating lease are added to the carrying amount of the leased asset and recognised on a straight-line basis over the lease term.

**1.14 Borrowing costs**

All borrowing costs are recognised in profit and loss in the period in which they are incurred.

**1.15 Cash**

Cash is recognised at its nominal amount. Cash and cash equivalents includes cash on hand, deposits held at call with bank, other short-term highly liquid investments with original maturity of 3 months or less that are readily convertible to known amounts of cash and subject to insignificant risk of changes in value and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the consolidated statement of financial position.

**1.16 Financial instruments**

Financial assets and financial liabilities are recognised when a [*reporting unit*] entity becomes a party to the contractual provisions of the instrument.

Financial assets and financial liabilities are initially measured at fair value. Transaction costs that are directly attributable to the acquisition or issue of financial assets and financial liabilities (other than financial assets and financial liabilities at fair value through profit or loss) are added to or deducted from the fair value of the financial assets or financial liabilities, as appropriate, on initial recognition. Transaction costs directly attributable to the acquisition of financial assets or financial liabilities at fair value through profit or loss are recognised immediately in profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.17 Financial assets**

Financial assets are classified into the following specified categories: financial assets at fair value through profit or loss, held-to-maturity investments, available-for-sale financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. All regular way purchases or sales of financial assets are recognised and derecognised upon trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

***Fair value through profit or loss***

Financial assets are classified as at fair value through profit or loss when the financial asset is either held for trading or it is designated as at fair value through profit or loss.

A financial asset is classified as held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the reporting unit manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial asset other than a financial asset held for trading may be designated as at fair value through profit or loss upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial asset forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the reporting units documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and AASB 139 'Financial Instruments: Recognition and Measurement' permits the entire combined contract (asset or liability) to be designated as at fair value through profit or loss.

Financial assets at fair value through profit or loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'other gains and losses' line item in the statement of comprehensive income.

***Held-to-maturity investments***

Financial assets with fixed or determinable payments and fixed maturity dates that the reporting unit has the positive intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.17 Financial assets (cont'd)**

***Available-for-sale***

Listed shares and listed redeemable notes held by the reporting unit that are traded in an active market are classified as available-for-sale and are stated at fair value. The reporting unit also has investments in unlisted shares that are not traded in an active market but that are also classified as available-for-sale financial assets and stated at fair value. Gains and losses arising from changes in fair value are recognised in other comprehensive income and accumulated in the investments revaluation reserve, with the exception of impairment losses, interest calculated using the effective interest method, and foreign exchange gains and losses on monetary assets, which are recognised in profit or loss. Where the investment is disposed of or is determined to be impaired, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss.

Dividends on available-for-sale equity instruments are recognised in profit or loss when the reporting unit right to receive the dividends is established. The fair value of available-for-sale monetary assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. The foreign exchange gains and losses that are recognised in profit or loss are determined based on the amortised cost of the monetary asset. Other foreign exchange gains and losses are recognised in other comprehensive income.

***Loan and receivables***

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

***Effective interest method***

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, when appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest rate basis except for debt instruments other than those financial assets that are recognised at fair value through profit or loss.

***Impairment of financial assets***

Financial assets, other than those at fair value through profit or loss, are assessed for impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis. Objective evidence of impairment for a portfolio of receivables could include the reporting

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.17 Financial assets (cont'd)**

***Impairment of financial assets (cont'd)***

units past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost, the amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment loss will not be reversed in subsequent periods.

The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

When an available-for-sale financial asset is considered to be impaired, cumulative gains or losses previously recognised in other comprehensive income are reclassified to profit or loss in the period.

For financial assets measured at amortised cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

In respect of available-for-sale equity securities, impairment losses previously recognised in profit or loss are not reversed through profit or loss. Any increase in fair value subsequent to an impairment loss is recognised in other comprehensive income and accumulated under the heading of investments revaluation reserve. In respect of available-for-sale debt securities, impairment losses are subsequently reversed through profit or loss if an increase in the fair value of the investment can be objectively related to an event occurring after the recognition of the impairment loss.

***Derecognition of financial assets***

The reporting unit derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.18 Financial Liabilities**

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities. Financial liabilities are recognised and derecognised upon 'trade date'.

***Fair value through profit or loss***

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either held for trading or it is designated as at fair value through profit or loss.

A financial liability is classified as held for trading if:

- it has been acquired principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the reporting unit manages together and has a recent actual pattern of short-term profit-taking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading may be designated as at fair value through profit or loss upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the reporting units documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and AASB 139 'Financial Instruments: Recognition and Measurement' permits the entire combined contract (asset or liability) to be designated as at fair value through profit or loss.

Financial liabilities at fair value through profit or loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'other gains and losses' line item in the statement of comprehensive income.

***Other financial liabilities***

Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

***Derecognition of financial liabilities***

The reporting unit derecognises financial liabilities when, and only when, the reporting units obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.19 Contingent Liabilities and Contingent Assets**

Contingent liabilities and contingent assets are not recognised in the Statement of Financial Position but are reported in the relevant notes. They may arise from uncertainty as to the existence of a liability or asset or represent an existing liability or asset in respect of which the amount cannot be reliably measured. Contingent assets are disclosed when settlement is probable but not virtually certain, and contingent liabilities are disclosed when settlement is greater than remote.

**1.20 Land, Buildings, Plant and Equipment**

***Asset Recognition Threshold***

Purchases of land, buildings, plant and equipment are recognised initially at cost in the Statement of Financial Position. The initial cost of an asset includes an estimate of the cost of dismantling and removing the item and restoring the site on which it is located.

***Revaluations—Land and Buildings***

Following initial recognition at cost, land and buildings are carried at fair value less subsequent accumulated depreciation and accumulated impairment losses. Revaluations are performed with sufficient frequency such that the carrying amount of assets do not differ materially from those that would be determined using fair values as at the reporting date.

Revaluation adjustments are made on a class basis. Any revaluation increment is credited to equity under the heading of asset revaluation reserve except to the extent that it reversed a previous revaluation decrement of the same asset class that was previously recognised in the surplus/deficit. Revaluation decrements for a class of assets are recognised directly in the profit or loss except to the extent that they reverse a previous revaluation increment for that class. Any accumulated depreciation as at the revaluation date is eliminated against the gross carrying amount of the asset and the asset is restated to the revalued amount.

Computer software is recognised as an asset in accordance with the requirement of AASB 116. This asset is carried at cost less any accumulated depreciation and any accumulated impairment loss.

***Depreciation***

Depreciable property, plant and equipment assets are written-off to their estimated residual values over their estimated useful life using, in all cases, the straight line method of depreciation. Depreciation rates (useful lives), residual values and methods are reviewed at each reporting date and necessary adjustments are recognised in the current, or current and future reporting periods, as appropriate.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.20 Land, Buildings, Plant and Equipment (cont'd)**  
*Depreciation (cont'd)*

Depreciation rates applying to each class of depreciable asset are:

<b>Class of Fixed Asset</b>	<b>Depreciation Rate</b>
Buildings	2.5%
Plant and Equipment	7.5 - 40%
Furniture, Fixtures and Fittings	5 - 40%
Motor Vehicles	22.5%
Office Equipment	18 - 37.5%
Computer Equipment	40%
Computer Software	40%
Leasehold Improvements	2.5 - 4%

***Derecognition***

An item of land, buildings, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its use or disposal. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the profit and loss.

***Derecognition***

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the Statement of Comprehensive Income

**1.21 Investment property**

Investment properties are properties held to earn rentals and/or for capital appreciation (including property under construction for such purposes). Investment properties are measured initially at its cost, including transaction costs. Subsequent to initial recognition, investment properties are measured at fair value. Gains and losses arising from changes in the fair value of investment properties are included in profit and loss in the period in which they arise.

An investment property is derecognised upon disposal or when the investment property is permanently withdrawn from use and no future economic benefits are expected from the disposal. Any gain or loss arising on derecognition of the property (calculated as the difference between the net disposal proceeds and the carrying amount of the asset) is included in profit or loss in the period in which the property is derecognised.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.22 Intangibles**

An internally-generated intangible asset arising from the Association's development such as Training development and website costs is recognised only if the Association can demonstrate all of the following conditions in accordance with AASB 138 Intangible Assets:

- the technical feasibility of completing the intangible asset so that it will be available for use or sale;
- the intention to complete the intangible asset and use or sell it;
- the ability to use or sell the intangible asset;
- the probability that the asset created will generate future economic benefits;
- the availability of adequate technical, financial and other resources to complete the development and to use or sell the intangible asset; and
- the ability to measure reliably the expenditure attributable to the intangible asset during development

The Association's internally-generated intangibles are amortised on a straight-line basis over its estimated useful life of three years. Where no internally-generated intangible asset can be recognised, development expenditure is charged to the statement of comprehensive income in the period in which it is incurred.

The estimated useful lives and depreciation method are reviewed at each year-end, with the effect of any changes in estimate accounted for on a prospective basis.

Any impairment losses are recognised in the Statement of Comprehensive Income in accordance with the requirements of AASB 136 Impairment of Assets.

For website costs, the requirements of AASB Interpretation 132 Website costs have been complied with.

***Derecognition***

An intangible asset is derecognised on disposal, or when no future economic benefits are expected from use or disposal. Gains or losses arising from derecognition of an intangible asset, measured as the difference between the net disposal proceeds and the carrying amount of the asset are recognised in profit and loss when the asset is derecognised.

**1.23 Impairment for non-financial assets**

All assets are assessed for impairment at the end of each reporting period to the extent that there is an impairment trigger. Where indications of impairment exist, the asset's recoverable amount is estimated and an impairment adjustment made if the asset's recoverable amount is less than its carrying amount.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.23 Impairment for non-financial assets (cont'd)**

The recoverable amount of an asset is the higher of its fair value less costs of disposal and its value in use. Value in use is the present value of the future cash flows expected to be derived from the asset. Where the future economic benefit of an asset is not primarily dependent on the asset's ability to generate future cash flows, and the asset would be replaced if the [*reporting unit*] were deprived of the asset, its value in use is taken to be its depreciated replacement cost.

**1.24 Non-current assets held for sale**

Non-current assets are classified as held for sale if their carrying amount will be recovered principally through a sale transaction rather than through continuing use. This condition is regarded as met only when the sale is highly probable and the non-current asset is available for immediate sale in its present condition. Management must be committed to the sale, which should be expected to qualify for recognition as a completed sale within one year from the date of classification.

Non-current assets classified as held for sale are measured at the lower of their previous carrying amount and fair value less costs of disposal.

**1.25 Taxation**

The Association as an "Association of Employers" is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Some subsidiaries however, that fall under the control of the Association are for profit entities that are subject to income tax. The relevant tax treatments for these entities are set out below.

The income tax expense (revenue) for the year comprises current income tax expense (income) and deferred tax expense (income).

Current income tax expense charged to the profit or loss is the tax payable on taxable income calculated using applicable income tax rates enacted, or substantially enacted, as at the end of the reporting period. Current tax liabilities (assets) are therefore measured at the amounts expected to be paid to (recovered from) the relevant taxation authority.

Deferred income tax expense reflects movements in deferred tax asset and deferred tax liability balances during the year as well as unused tax losses.

Current and deferred income tax expense (income) is charged or credited directly to equity instead of the profit or loss when the tax relates to items that are credited or charged directly to equity.

Deferred tax assets and liabilities are ascertained based on temporary differences arising between the tax bases of assets and liabilities and their carrying amounts in the financial statements. Deferred tax assets also result where amounts have been fully expensed but future tax deductions are available. No deferred income tax will be recognised from the initial recognition of an asset or liability, excluding a business combination, where there is no effect on accounting or taxable profit or loss.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.25 Taxation (cont'd)**

Deferred tax assets and liabilities are calculated at the tax rates that are expected to apply to the period when the asset is realised or the liability is settled, based on tax rates enacted or substantively enacted at the end of the reporting year. Their measurement also reflects the manner in which management expects to recover or settle the carrying amount of the related asset or liability.

Deferred tax assets relating to temporary differences and unused tax losses are recognised only to the extent that it is probable that future taxable profit will be available against which the benefits of the deferred tax asset can be utilised.

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

**1.26 Fair value measurement**

The reporting unit measures financial instruments, such as, financial asset as at fair value through the profit and loss, available for sale financial assets, and non-financial assets such as land and buildings and investment properties, at fair value at each balance sheet date. Also, fair values of financial instruments measured at amortised cost are disclosed in Note 16A.

Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. The fair value measurement is based on the presumption that the transaction to sell the asset or transfer the liability takes place either:

- In the principal market for the asset or liability, or
- In the absence of a principal market, in the most advantageous market for the asset or liability

The principal or the most advantageous market must be accessible by the [*reporting unit*]. The fair value of an asset or a liability is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their economic best interest.

A fair value measurement of a non-financial asset takes into account a market participant's ability to generate economic benefits by using the asset in its highest and best use or by selling it to another market participant that would use the asset in its highest and best use.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**1.26 Fair value measurement (cont'd)**

The reporting unit uses valuation techniques that are appropriate in the circumstances and for which sufficient data are available to measure fair value, maximising the use of relevant observable inputs and minimising the use of unobservable inputs.

All assets and liabilities for which fair value is measured or disclosed in the financial statements are categorised within the fair value hierarchy, described as follows, based on the lowest level input that is significant to the fair value measurement as a whole:

- Level 1—Quoted (unadjusted) market prices in active markets for identical assets or liabilities
- Level 2—Valuation techniques for which the lowest level input that is significant to the fair value measurement is directly or indirectly observable
- Level 3—Valuation techniques for which the lowest level input that is significant to the fair value measurement is unobservable

For assets and liabilities that are recognised in the financial statements on a recurring basis, the [reporting unit] determines whether transfers have occurred between Levels in the hierarchy by re-assessing categorisation (based on the lowest level input that is significant to the fair value measurement as a whole) at the end of each reporting period.

External valuers are involved for valuation of significant assets, such as land and buildings and investment properties. Selection criteria include market knowledge, reputation, independence and whether professional standards are maintained. For the purpose of fair value disclosures, the [reporting unit] has determined classes of assets and liabilities on the basis of the nature, characteristics and risks of the asset or liability and the level of the fair value hierarchy.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 2 Events after the reporting period**

There were no events that occurred after 30 June 2015, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of National Electrical Contractors Association – National Office.

During the financial year, NECA Education and Careers disposed of the Brunswick Road Property for \$1.9M. This resulted in a reversal of the 2013 revaluation associated with the property amounting to \$699,781.

The Lygon Street property has been used as security for a bank overdraft with the Commonwealth Bank of \$1 million. At 30 June 2015, the balance of the overdraft was \$nil (2014: \$nil).

The last formal valuation was performed during the 2013 financial year accordingly the next formal valuation will be performed for the 2016 financial year.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 6 Non-current Assets (cont'd)**

**Note 6A: Land and buildings (cont'd)**

In 2013 NECA Education and Careers (Formerly 370 Degrees) invested in a major refurbishment of its principal place of business in Lygon Street, at a total cost of \$4.1m, \$2.87m of which was incurred in the financial year ended 30 June 2013 (2012: \$0.35m). The balance of \$0.90m was committed for and paid post year end. In addition \$0.7m was capitalised in relation to fixtures and fittings. This was funded partly through government grants of \$2.35m (received partly in 2013 and partly in 2014) and an additional grant of \$0.35m for fixtures and fittings.

**Fair value of Land & Buildings**

For the Land & Buildings carried at fair value, the following fair valuations have been carried out:

Entity	Fair Value as per independent valuation	Year of revaluation	Type of Valuation	Valuation method
NECA Education and Careers ,Lygon Street	9,000,000	2013	Independent Valuation	"Direct Comparison Approach" for Land and Depreciated replacement costs for Building
ECA Training Pty Ltd	530,000	2014	Independent Valuation	"Capitalisation of net income, Direct Comparison approach.

**NECA Education and Careers**

In 2013 the land and building of NECA Education and Careers were valued by C Petrocco (Certified Practising Valuer) of Charter Keck Kramer, with the land valued using a direct comparison approach and buildings using a depreciated replacement cost approach.

The result was the Lygon Street property being valued at \$9m.

**ECA Training Pty Ltd**

Fair value of ECA Training Pty Ltd property was determined using the Capitalisation of net income and Direct Comparison method. This means that valuations performed by the valuer are based on active market prices adjusted for difference in the nature, location or condition of the specific property. As at the date of revaluation 9th April 2014, the properties fair value are based on valuations performed by Ronil Besele (Certified Practising Valuer) from Herron Todd White in Canberra.

The split of the value between land and buildings is disclosed in the table below:

	Land \$000	Buildings \$000	Total \$000
Lygon Street	4,500	4,500	9,000
ECA Training	-	530	530
	<u>5,200</u>	<u>7,000</u>	<u>12,200</u>

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 6 Non-current Assets (cont'd)**

**Note 6A: Land and buildings (cont'd)**

The Lygon Street Property has been used as a security for a bank overdraft with the Commonwealth Bank of \$1m. As at 30 June 2015 the balance of the overdraft was \$nil (2014:\$nil).

The following table provides an analysis of the land and buildings that are measured at fair value, by fair value hierarchy:

	Date of valuation	Level 1	Level 2	Level 3
Assets measured at fair value	\$	\$	\$	\$
Land- Lygon Street	Sep-13		4,500,000	
Building- Lygon Street	Sep-13		4,500,000

**Financial Support**

NECA National Office has provided a letter of financial support to ACRS Pty Ltd, NECA Legal Pty Ltd and NECA Training Limited to repay their debts should they fail to repay them.

NECA National Office received \$70,000 in total from State Chapters NSW, VIC, QLD, SA, WA, ACT and TAS to supplement working capital needs as NECA National Office is running a conference in South Africa in April 2016. This has been received in the form of a short term loans to be repaid in May 2016.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 15 Financial Instruments**

The main risks the reporting unit and its controlled entities are exposed to, through its financial instruments, are credit risk, liquidity risk and market risk consisting of interest rate risk, and equity price risk.

The reporting unit and its controlled entities financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable, bank loans and overdrafts, loans to and from subsidiaries.

The totals for each category of financial instruments, measured in accordance with AASB 139, as detailed in the accounting policies to these financial statements, are as follows:

**Categories of Financial Instruments**

		<b>Consolidated</b>	
	<b>Note</b>	<b>2015</b>	<b>2014</b>
		<b>\$</b>	<b>\$</b>
<b>Financial Assets</b>			
Cash and cash equivalents	5A	5,972,200	5,929,792
Available for sale financial assets	5C	1,848,136	1,743,932
Financial assets held to maturity	5C	4,418,047	2,884,009
Trade and other receivables	5B	8,572,264	6,754,376
<b>Total financial assets</b>		<u>20,810,647</u>	<u>17,312,109</u>
<b>Financial Liabilities</b>			
<i>Financial liabilities at amortised cost</i>			
Trade payables	7A	2,551,391	2,376,327
Other payables	7B	2,325,302	3,372,860
Bank overdraft		-	-
<b>Total financial liabilities</b>		<u>4,876,693</u>	<u>5,749,187</u>

**Financial risk management policies**

The Committee of Management has overall responsibility for the establishment of the Association's financial risk management framework. This includes the development of policies covering specific areas such as, interest rate risk and credit risk.

Risk management policies and systems are reviewed regularly to reflect changes in market conditions and the Association's activities.

The day-to-day risk management is carried out at an individual chapter/subsidiary level under policies and objectives which have been approved by the Committee of Management. Each Chief Financial Officer has been delegated the authority for designing and implementing processes which follow the objectives and policies. This includes monitoring the levels of exposure to interest rate and foreign exchange rate risk and assessment of market forecasts for interest rate movements.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 15 Financial Instruments (cont'd)**

The Committee of Management receives monthly reports which provide details of the effectiveness of the processes and policies in place.

National Electrical Contractors Association (NECA) does not actively engage in the trading of financial assets for speculative purposes nor does it write options.

Mitigation strategies for specific risks faced are described below:

**Note 15A: Credit Risk**

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the Association and arises principally from the Association's receivables.

*Credit risk exposures*

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period, excluding the value of any collateral or other security held, is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the Statement of Financial Position.

The Association has no significant concentration of credit risk with any single counterparty or Association of counterparties. Details with respect to credit risk of Trade and Other Receivables are provided in Note 5B.

Trade and other receivables that are neither past due or impaired are considered to be of high credit quality. Aggregates of such amounts are as detailed at Note 5B.

**Note 15B: Liquidity risk**

Liquidity risk arises from the possibility that the Association might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The Association manages this risk through the following mechanisms:

- obtaining funding from a variety of sources;
- maintaining a reputable credit profile;
- managing credit risk related to financial assets;
- only investing surplus cash with major financial institutions; and
- comparing the maturity profile of financial liabilities with the realisation profile of financial assets.

Typically, the Association ensures that it has sufficient cash on demand to meet expected operational expenses for a period of 60 days.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**
**Note 15C: Liquidity Risk - financial liability and asset maturity analysis**

The tables below reflect an undiscounted contractual maturity analysis for financial liabilities.

The timing of cash flows presented in the table to settle financial liabilities reflects the earliest contractual settlement dates and does not reflect management's expectations that banking facilities will be rolled forward. The amounts disclosed in the table are the undiscounted contracted cash flows and therefore the balances in the table may not equal the balances in the statement of financial position due to the effect of discounting.

*Financial liability maturity analysis - Non-derivative*

Consolidated	Within 1 Year		1 to 5 Years		Over 5 Years		Total	
	2015	2014	2015	2014	2015	2014	2015	2014
	\$	\$	\$	\$	\$	\$	\$	\$
<b>Financial liabilities due for payment</b>								
Trade and other payables	4,876,693	5,749,187	-	-	-	-	4,876,693	5,749,187
Bank overdraft	-	-	-	-	-	-	-	-
<b>Total contractual outflows</b>	<b>4,876,693</b>	<b>5,749,187</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>4,876,693</b>	<b>5,749,187</b>

The timing of expected outflows is not expected to be materially different from contracted cashflows.

**Note 15D: Market risk**

Market risk is the risk that the fair value or future cash flows of the financial instruments held within the Association will fluctuate because of changes in market prices. Market risk comprises three types of risk: interest rate risk, currency risk and other price risk. The exposure to market risk is a result of the asset allocation strategy prescribing investments across certain asset classes. The Association is only exposed to interest rate risk and other price risk as detailed below.

The Association's financial instruments portfolio as impacting market risk:

	Note	Consolidated	
		2015	2014
		\$	\$
Cash at bank @ floating rate	5A	5,972,200	5,929,792
Financial assets held as available for sale	5C	1,848,136	1,743,932
Financial assets held to maturity	5C	4,418,047	2,884,009
		<b>12,238,383</b>	<b>10,557,733</b>

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 15D: Market Risk (cont'd)**

The available for sale financial assets are broken down into the following indirectly held investments:

2015	Consolidated				
	Fixed Interest	Cash @ Floating Rate	Managed Investments	Equities	Total
	\$	\$	\$	\$	\$
ECA Training Pty Ltd	-	50,752	1,527,447	269,937	1,848,136
	-	50,752	1,527,447	269,937	1,848,136
<b>2014</b>					
ECA Training Pty Ltd	-	170,265	1,343,086	230,581	1,743,932
	-	170,265	1,343,086	230,581	1,743,932

Interest rate risk is the risk that the fair value or future cash flows of a financial market instrument will fluctuate because of changes in market interest rates. The Association is affected by interest rate risk due to its directly held cash balances. The Association does not have any floating rate debt instruments for both 2015 and 2014. The exposure to interest rate risk has a direct impact on the Statement of Comprehensive Income and Statement of Financial Position of the Association.

Interest rate risk is measured and monitored by the calculation of the duration of the investment portfolios which approximates the percentage change in portfolio valuation from a percentage change in market interest rates.

It would normally be expected that floating rate cash instruments have a direct exposure to interest rate risk. However, because the cash investments in the Association's St George investment account and the JB Were Investments are in the nature of a pooled investment scheme, it is the unit price of the scheme which reflects the value of the financial investment. On this basis, the sensitivity of changes to the unit price for these instrument investments is included below in note (i): 'Other Price Risk'.

Interest rate risk is measured and monitored by the calculation of the duration of the investment portfolios which approximates the percentage change in portfolio valuation from a percentage change in market interest rates. The only component of the financial instruments directly impacted by interest rates volatility for the purposes of quantifying the interest rate sensitivities are the cash holdings either within the individual portfolios or the master custodian accounts for the investment portfolio.

It would normally be expected that floating rate cash instruments have a direct exposure to interest rate risk. However, because the cash investments in the Association's St George's investment account are in the nature of a pooled investment scheme, it is the unit price of the scheme which reflects the value of the financial investment. On this basis, the sensitivity of changes to the unit price for these instrument investments is included below in note (i) Other Price Risk.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 15 Financial Instruments (cont'd)**

**Note 15D: Market risk (cont'd)**

The following table illustrates sensitivities to the Association's exposure to changes in interest rates on its directly held cash balances. The table indicates the impact on how profit and equity values reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible. These sensitivities assume that the movement in a particular variable is independent of other variables.

	<b>Consolidated</b>	
	<b>Profit</b>	<b>Equity</b>
	<b>\$</b>	<b>\$</b>
<b>Year ended 30 June 2015</b>		
+/- 2% in interest rates	<b>151,008</b>	<b>151,008</b>
<b>Year ended 30 June 2014</b>		
+/- 2% in interest rates	148,760	148,760

***i. Other Price risk***

A large proportion of the financial instrument investments held by the Association are exposed to other price risk as a result of the Association's exposure to equity securities (those indirectly held investments at available for sale via St George's investment account which are either held in domestic listed and unlisted shares or in managed investment schemes). Other price risk is the risk that the fair value or future cash flows of a financial investment may fluctuate because of the changes in market prices. The exposure to other price risk has a direct impact on the Statement of Comprehensive Income and Statement of Financial Position of the Association.

There is a fundamental financial relationship between risk and return. The investments are diversified across different risk profiles in return for commensurate returns in accordance with St George's strategic asset allocation policy, meaning that the other price risk exposure is understood.

Whilst equity markets are inherently volatile and not suitable for short-term investment, over the long-term, equity investments have proven to be a good source of inflation protection, through the achievement of high returns in real terms. To manage the price risk, the investment portfolio is diversified in accordance with asset class limits (in accordance with St George's strategic asset allocation policy).

The table below summarises the impact of increases/decreases of the abovementioned investment exposures on the Association's post tax profit for the year and on equity. The analysis is based on the assumption that the respective price indexes for the different asset classes may increase/decrease by the determined volatility factor with all other variables held constant and the financial instruments moving in accordance to the historical correlation with the indexes that the investments are exposed to.

Taking into account past performance, future expectations, economic forecasts, and Association's management's knowledge and experience of the financial markets, the impact on profit or loss and the impact on equity in the table below are 'reasonably possible' over the next 12 months if other price risk changes by the following volatility factors from the target benchmarks with all other variables, especially foreign exchange rates, held constant.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 15 Financial Instruments (cont'd)**

**Note 15D: Market risk (cont'd)**

	<b>Consolidated</b>

Year ended 30 June 2013		
+/- 3% in RBA cash rate	+/- 5,108	+/- 5,108
+/- 5% in ASX All ordinaries Index	+/- 78,693	+/- 78,683

**Note 16: Fair Value of Financial Instruments**

The fair values of financial assets and financial liabilities are presented in the following table and can be compared to their carrying values as presented in the Statement of Financial Position. Fair values are those amounts at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair values derived may be based on information that is estimated or subject to judgment, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgment and the assumptions have been detailed below. Where possible, valuation information used to calculate fair value is extracted from the market, with more reliable information available from markets that are actively traded. In this regard, fair values for listed securities are obtained from quoted market bid prices. Where securities are unlisted and no market quotes are available, fair value is obtained using discounted cash flow analysis and other valuation techniques commonly used by market participants.

<b>Consolidated</b>	<b>2015</b>		<b>2014</b>	
	<b>Net Carrying Value</b>	<b>Net Fair value</b>	<b>Net Carrying Value</b>	<b>Net Fair value</b>
	<b>\$</b>	<b>\$</b>	<b>\$</b>	<b>\$</b>

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 16 Fair value measurements (cont'd)**

**Note 16A: Fair Value of Financial Instruments**

**Fair value measurements categorised by fair value hierarchy—Consolidated**

The following table provides an analysis of financial instruments that are measured at fair value, by valuation method.

The different levels are defined below:

Level 1: Fair value obtained from unadjusted quoted prices in active markets for identical instruments.

Level 2: Fair value derived from inputs other than quoted prices included within Level 1 that are observable for the instrument, either directly or indirectly.

Level 3: Fair value derived from inputs that are not based on observable market data.

**Fair value hierarchy for financial assets**

	Level 1		Level 2		Level 3	
	2015	2014	2015	2014	2015	2014
<b>Available for sale</b>						
Cash	50,752	170,265	-	-	-	-
Managed Investments	1,527,447	1,343,086	-	-	-	-
Equities	269,937	230,581	-	-	-	-
<b>Total</b>	<b>1,848,136</b>	<b>1,743,932</b>	<b>-</b>	<b>-</b>	<b>-</b>	<b>-</b>

**Note 16B: Capital Management**

Capital is defined as the Association's total equity comprising retained earnings and the asset revaluation reserve. It is the Committee's policy to maintain a strong capital base so as to maintain member, stakeholder, creditor, market confidence and to sustain future development of the business. Capital management plays a central role in managing risk to create member value whilst also ensuring that the interests of all stakeholders including investors, policy holders, lenders and regulators are met.

Capital finances growth, capital expenditure and business plans and also provides support if adverse outcomes arise from health insurance, investment performance or other activities. The appropriate level of capital is determined by the Board on both regulatory and economic considerations.

There were no changes in the Association's approach to capital management during the year.

**Note 16B: Net Income and Expense from Financial Assets**

	Consolidated		Parent	
	2015	2014	2015	2014
	\$	\$	\$	\$
<b>Available for sale</b>

Unrealised Losses	(55,874)	(29,117)	--	-
<b>Net gain/(loss) from available for sale</b>	<b>136,367</b>	<b>179,881</b>	<b>-</b>	<b>-</b>

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 17 Investments in Subsidiaries and Associates**

Interests are held in the following entities:

Name	Country of Incorporation	Ownership Interest*	
		2015	2014
		%	%
<i>Subsidiaries:</i>			
Australian Cabler Registration Service Pty Ltd (a)	Australia	100	100
NECA Education and Careers (b)	Australia	100	100
ECA Training Pty Ltd	Australia	100	100
NECA Training Ltd	Australia	100	100
NECA Legal Pty Ltd	Australia	100	100
<i>Entities 50% owned but not consolidated:</i>			
Elecnet (Australia) Pty Ltd (c)	Australia	50	50
Master Energy Contractors Australia Pty Ltd (d)	Australia	100	100
<i>Entities owned greater than 20% but not equity accounted for:</i>			
Protect Services Pty Ltd (e)	Australia	25	25

(a) ACRS has been consolidated as NECA is the sole shareholder and has majority at the board, and therefore NECA controls ACRS.

(b) NECA Education and Careers Ltd (Formerly 370 Degrees Group Ltd) is a NECA controlled entity for the purposes of the parent entity separate and consolidated group financial reports. NECA is the sole member of NECA Education and Careers Ltd and has the power to govern its financial and reporting policies. The constitution for NECA Education and Careers Ltd specifically prohibits any member from sharing in either the net income or net assets of the organisation even on wind-up. This is standard wording designed to ensure that NECA Education and Careers Ltd is entitled to enjoy income tax exemption status. Consequently, unless the constitution of NECA Education and Careers Ltd is changed and the company's tax status rescinded, at no time now or in the future will NECA be entitled to share in the financial performance of NECA Education and Careers Ltd in the usual parent / subsidiary relationship.

(c) Although NECA has 50% ownership, it does not have the majority at the board. In addition, the Scheme has been set up for the benefit of its members and not NECA. The purpose of the Scheme is for employer groups to contribute to the Scheme and hold monies in trust for its members until e.g. redundancies or terminations. No monies are distributed to NECA directly. Further, there is no risk to NECA of an unfunded Scheme position (contingent liability) given that employers are funding the scheme. Hence, there is neither control nor significant influence.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 17 Investments in Subsidiaries and Associates (cont'd)**

(d) Master Energy Contractors is a non-operating entity.

(e) Protect Services Pty Ltd has been set up for the benefits of its members and not NECA. The purpose of the Scheme is for employer groups to contribute to the Scheme and hold monies in trust for its members until e.g. redundancy and terminations. No monies are distributed to NECA directly. Further, there is no risk to NECA of an unfunded scheme position (contingent liability) given that employers are funding the scheme. Hence NECA does not have significant influence on this entity.

**Note 18 Association Details**

The principal place of business of the association is:

National Electrical Contractors Association – National Office  
Level 4, 30 Atchison St  
St Leonards NSW 1590

**Note 19: Section 272 Fair Work (Registered Organisations) Act 2009**

In accordance with the requirements of the *Fair Work (Registered Organisations) Act 2009*, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or General Manager:

(1)A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.

(2)The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.

(3)A reporting unit must comply with an application made under subsection (1).

**Note 20 Recovery of Wages Activity**

There was no recovery of wage activity undertaken by the reporting unit during the financial year.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 30 JUNE 2015**

**Note 21 Business Combinations**

The reporting unit did not acquire any asset or liability during the financial year as a result of:

- a) an amalgamation under Part 2 of Chapter 3, of the RO Act in which the organisation (of which the reporting unit forms part) was the amalgamated organisation; or
- b) a restructure of the branches of the organisation; or
- c) a determination by the General Manager under subsection 245(1) of the RO Act of an alternative reporting structure for the organisation; or
- d) a revocation by the General Manager under subsection 249(1) of the RO Act of a certificate issued to an organisation under subsection

8 December 2015

Mr Suresh Manickam  
National Secretary/CEO  
National Electrical Contractors Association  
Sent via email: [necanat@neca.asn.au](mailto:necanat@neca.asn.au)

Dear Mr Manickam,

**Lodgement of Financial Report - Reminder to lodge on or before 15 January 2016**

The Fair Work Commission's (the FWC) records disclose that the financial year of the National Electrical Contractors Association (the reporting unit) ended on the 30 June 2015.

As you would be aware, the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires that a reporting unit prepare a financial report in accordance with the RO Act, make it available to the members and then must lodge the financial report within 14 days after the general meeting of members, or if the rules of the reporting unit allow, the Committee of Management meeting (s.268).

The maximum period of time allowed under the RO Act for the completion of the financial reporting process is six months and 14 days after the expiry date of its financial year (s.253, s254, s265, s.266, s.268). For your reporting unit that requires lodgement of its financial report on or before **15 January 2016, and in any event no later than 14 days after the relevant meeting.**

The FWC encourages your reporting unit to lodge its financial report at the earliest opportunity in order to ensure compliance with its obligations. Failure of a reporting unit to lodge its financial report is a breach of a civil penalty provision of the RO Act. This can result in the General Manager instituting an inquiry or investigation into a reporting unit's non-compliance under Chapter 11, Part 4 of the RO Act. The actions available to the General Manager following an investigation include issuing Federal Court legal proceedings for breach of a civil penalty provision. The orders available to the Federal Court include imposition of a pecuniary penalty on the organisation or individual officer, whose conduct led to the contravention, of up to \$51,000 per contravention on the organisation and up to \$10,200 per contravention on the individual officer.

We encourage you to lodge the full financial report directly to [orgs@fwc.gov.au](mailto:orgs@fwc.gov.au). That is the official email address for electronic lodgements of material related to registered organisations matters.

Should you seek any clarification in relation to the above, please contact me on (03) 8656 4699 or via email at [Sam.Gallichio@fwc.gov.au](mailto:Sam.Gallichio@fwc.gov.au).

Yours sincerely,

Sam Gallichio  
Adviser  
Regulatory Compliance Branch

25 August 2015

Mr Suresh Manickam  
National Secretary/CEO  
National Electrical Contractors Association  
Sent via email: [necanat@neca.asn.au](mailto:necanat@neca.asn.au)

Dear Mr Manickam,

**Re: Lodgement of Financial Report - [FR2015/117]  
Fair Work (Registered Organisations) Act 2009 (the RO Act)**

The financial year of the National Electrical Contractors Association (the reporting unit) ended on 30 June 2015.

This is a courtesy letter to remind you of the obligation to prepare and lodge the financial report for the reporting unit by the due date under s.268 of the RO Act, namely 15 January 2016 (being the expiry date of 6 months and 14 days from the end of the financial year).

The RO Act sets out a particular chronological order in which financial documents and statements must be prepared, audited, provided to members and presented to a meeting. For your assistance, the attached *Timeline/Planner* summarises these requirements.

Fact sheets and guidance notes in relation to financial reporting under the RO Act are provided on the Fair Work Commission website. Further, the General Manager's updated Reporting Guidelines that apply to all financial reports prepared on or after 30 June 2014 are also available on the website supported by a webinar presentation.

The Fair Work Commission has developed a model set of financial statements. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards. The model statement and other resources can be accessed through our website under [Financial Reporting](#) in the Compliance and Governance section.

I request that the financial report and any statement of loans, grants or donations made during the financial year (statement must be lodged within 90 days of end of financial year) be emailed, rather than posted, to [orgs@fwc.gov.au](mailto:orgs@fwc.gov.au). A sample statement of loans, grants or donations is available at [sample documents](#).

**It should be noted that s.268 is a civil penalty provision.** Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$51,000 for a body corporate and \$10,200 for an individual per contravention) being imposed upon an officer whose conduct led to the contravention and/or your organisation.

Should you wish to seek any clarification in relation to the above, please contact me on (03) 8661 7796 or via email at [Sam.Gallichio@fwc.gov.au](mailto:Sam.Gallichio@fwc.gov.au).

Yours sincerely,

Sam Gallichio  
Adviser  
Regulatory Compliance Branch
