

18 January 2016

Mr Michael Logan Executive Director/Secretary, Queensland Chapter National Electrical Contractors Association

Sent via email: mick.logan@neca.asn.au

Dear Mr Logan

Re: Lodgement of Financial Statements and Accounts – National Electrical Contractors Association, Queensland Chapter - for year ended 30 June 2015 (FR2015/114)

I refer to the financial report for the Queensland Chapter of the National Electrical Contractors Association. The report was lodged with the Fair Work Commission on 2 December 2015.

The financial report has been filed based on a primary review. This involved confirming whether the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the Fair Work (Registered Organisations) Act 2009 (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and Reporting Guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2016 may be subject to an advanced compliance review.

You are not required to take any further action in respect of the report lodged but I draw your attention to the following.

Disclosure of grants or donations

Reporting Guideline 16(e) requires that where grants or donations have been paid¹, the total amount paid is to be disclosed as follows:

- (i) grants that were \$1,000 or less;
- (ii) grants that exceeded \$1,000;
- (iii) donations that were less than \$1,000; and
- (iv) donations that exceeded \$1,000

Appropriate disclosures were made at Note 4E with the exception of the total of donations under \$1,000. I acknowledge the advice received today from Ms Kathryn Savery that the relevant amount had been included in Sundry expenses and that this would be corrected in the 2016 report.

Reporting Requirements

On the FWC website a number of factsheets in relation to the financial reporting process and associated timelines are available. The most recent copy of the Reporting Guidelines and a

-

¹ Where no grants or donations in each or any of the prescribed categories have been paid, nil balances should be shown, as appeared correctly in the 2015 report for three of the categories.

model set of financial statements can also be found. The FWC recommends reporting units use this model as it will assist in ensuring compliance with the *Fair Work (Registered Organisations) Act 2009*, the s.253 Reporting Guidelines and the Australian Accounting Standards. Access to this information may be obtained via this link.

If you require further information on the financial reporting requirements of the Act, I may be contacted on (02) 6746 3283 or 0429 462 979 or by email at stephen.kellett@fwc.gov.au

Yours sincerely

Subject: FW: Financial reporting - Qld Chapter - donations - query

Hi Stephen,

Sorry for the delay in getting back to you on NECA QLD donations. The donations in the financial statements year ended 30 June 2015 were included as part of Sundry Expenses in error.

We have corrected this for this financial year so any donations will show as a note for donations.

Subject: Financial reporting - Qld Chapter - donations - query

Dear Ms Savery

I am reviewing the Queensland Chapter's financial report lodged with FWC on 2 December. Before I file the documents, I have a query I'm hoping you can clarify for me.

The Chapter lodged a statement of donations (see attached). The total of the amounts disclosed are not reflected as a disclosure in the financial report, in either the Statement of Comprehensive Income or at Note 4E (for donations "total paid that were \$1000 or less") (see attached).

Can you clarify the reason for this? Has the amount of the donations disclosed in the statement been incorporated into another item category in the report? I draw this to your attention so that future reports can rectify any inadvertent mis-statement or inconsistency. Please don't hesitate to telephone me on the number below or email whichever is more convenient for you.

Independent Auditor's Report to the Members of National Electrical Contractors Association – Queensland Chapter

Report on the financial report

We have audited the accompanying financial report of National Electrical Contractors Association — Queensland Chapter, which comprises the statement of financial position as at 30 June 2015, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the statements by members of the committee.

Committee's responsibility for the financial report

The committee of the Chapter are responsible for the preparation and fair presentation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009, and for such internal control as the committee determine is necessary to enable the preparation of the financial report that gives a true and fair view and is free from material misstatement, whether due to fraud or error. In Note 1, the committee also states, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements that the financial statements comply with International Financial Reporting Standards (IFRS).

Auditor's responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by management, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting obligations under the *Fair Work (Registered Organisations) Act 2009.* We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Auditor's Independence

In conducting our audit, we have complied with the independence requirements of the Australian professional accounting bodies and the Fair Work (Registered Organisations) Act 2009.

Auditor's opinion

In our opinion, the general purpose report of the National Electrical Contractors Association – Queensland Chapter for the year ended 30 June 2015 is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

Other Matters

I declare that, as part of the audit of the financial statements for the year ended 30 June 2015, I have concluded that management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

I also declare that I am an approved auditor as defined in Regulation 4 of the RO Regulations

I am currently

- A fellow of the Institute of Chartered Accountants iAustralia and New Zealand (#26502)

OPERATING REPORT BY THE COMMITTEE

for the period ended 30 June 2015

Your committee members submit the financial report of the National Electrical Contractors Association – Queensland Chapter ("the reporting unit") for the financial year ended 30 June 2015.

Committee Members

The name of committee members of the reporting unit throughout the financial year and at the date of this report are:

lan Forbes Russel Thompson Philip Lawless-Pyne (appointed 04/07/13) Gerald Phelan David McInnes

S Mathams (appointed 05/06/14 resigned 19 May 2015)

Guy Houghton David James Michael Logan Keith Sallaway Greg Hutley (elected 19 May 2015)

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year

The principal activities of the reporting unit are the provision of advice, service and representation of members in relation to workplace relations, health and safety, training, apprentices, and legal and contractual negotiations. In the reporting period each of those activities were maintained and expanded.

The result of the principal activities of the reporting unit is a profit of \$39,207 (2014: \$55,997).

Significant Changes in financial affairs

The reporting unit is no longer reporting a working capital deficiency due to their profit result for the financial year.

After Balance Date Events

No matters or circumstances have arisen since the end of the financial year which significantly affected or may significantly affect the operations of the reporting unit, the results of those operations, or the state of affairs of the reporting unit in future financial years.

Number of Members

The association had 257 (2014: 208) members at financial year end.

Number of Employees

The association had 4 (2014: 3) equivalent full-time employees at financial year end.

Officers and Members who are superannuation fund trustee(s) or directors of a company that is a superannuation fund trustee

To the best of our knowledge and belief, no officer or member of the organisation, by virtue of their office or membership of NECA, is;

(i) A trustee of a superannuation entity or an exempt public sector superannuation scheme; or

Operating Report by the Committee (cont'd)

(ii) A director of a company that is the trustee of a superannuation entity or an exempt public sector superannuation scheme;

where a criterion for the officer or member being the trustee or director is that the officer or member is an officer or member of a registered organisation.

Members Right to Resign

Members may resign from the Association in accordance with Rule 11, Resignation from Membership, of the Federal Rules of the National Electrical Contractors Association. Rule 11 conforms with Section 174, Resignation from Membership, of the Fair Work (Registered Organisations) Act 2009.

Signed in accordance with a resolution of the Members of the Committee:

DAVID McINNES

President

Dated this

MICHAEL LOGAN

Secretary

COMMITTEE OF MANAGEMENT STATEMENT

for the period ended 30 June 2015

On the 03/11/2015 the Committee of Management of the National Electrical Contractors Association – Queensland Chapter passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2015:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
 - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
 - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act has been provided to the member or General Manager; and
 - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) where the reporting unit has not derived revenue from undertaking recovery of wages activity, include the statement 'no revenue has been derived from undertaking recovery of wages activity during the reporting period' or
- (g) where the reporting unit has derived revenue from undertaking recovery of wages activity:
 - the financial report on recovery of wages activity has been fairly and accurately prepared in accordance with the requirements of the reporting guidelines of the General Manager; and
 - the committee of management instructed the auditor to include in the scope
 of the audit required under subsection 257(1) of the RO Act all recovery of
 wages activity by the reporting unit from which revenues had been derived for
 the financial year in respect of such activity; and no fees or reimbursements of

expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies

Committee of Management Statement (cont'd)

- (iii) recovered from employers on behalf of workers other than reported in the financial report on recovery of wages activity and the notes to the financial statements; and
- (iv) that prior to engaging in any recovery of wages activity, the organisation has disclosed to members by way of a written policy all fees to be charged or reimbursement of expenses required for recovery of wages activity, and any likely request for donations or other contributions in acting for a worker in recovery of wages activity; and
- (v) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies recovered from employers on behalf of workers until distributions of recovered money were made to the workers.

This declaration is made in accordance with a resolution of the Committee of Managemen	t.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 1 Summary of significant accounting policies

1.1 Basis of preparation of the financial statements

The financial statements are general purpose financial statements and have been prepared in accordance with Australian Accounting Standards and Interpretations issued by the Australian Accounting Standards Board (AASB) that apply for the reporting period and the Fair Work (Registered Organisation) Act 2009. For the purpose of preparing the general purpose financial statements, National Electrical Contractors Association (NECA QLD Chapter) is a not-for-profit entity.

The financial statements have been prepared on an accrual basis and in accordance with the historical cost, except for certain assets and liabilities measured at fair value, as explained in the accounting policies below. Historical cost is generally based on the fair values of the consideration given in exchange for assets. Except where stated, no allowance is made for the effect of changing prices on the results or the financial position. The financial statements are presented in Australian dollars.

1.2 Comparative amounts

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

1.3 Significant accounting judgements and estimates

No accounting assumptions or estimates have been identified that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next reporting period.

1.4 Going Concern Assumption

As at 30 June 2014, the Queensland Chapter generated a surplus from operations resulting in positive working capital of \$21,885. During this financial year there was a positive working capital \$58,239 as at year ended 30 June 2015. Furthermore, the Queensland Chapter is able to rely on the ongoing financial support of the following Chapters: NSW Chapter, ACT Chapter, WA Chapter, VIC Chapter, SA Chapter and National Office. This support continues until 30 June 2016.

1.5 Taxation

NECA QLD Chapter is exempt from income tax under section 50.1 of the Income Tax Assessment Act 1997 however still has obligation for Fringe Benefits Tax (FBT) and the Goods and Services Tax (GST).

Revenues, expenses and assets are recognised net of GST except:

- where the amount of GST incurred is not recoverable from the Australian Taxation Office; and
- · for receivables and payables.

The net amount of GST recoverable from, or payable to, the taxation authority is included as part of receivables or payables.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Cash flows are included in the cash flow statement on a gross basis. The GST component of cash flows arising from investing and financing activities which is recoverable from, or payable to, the Australian Taxation Office is classified within operating cash flows.

1.6 Revenue

Revenue is measured at the fair value of the consideration received or receivable.

Revenue from the sale of goods is recognised when, the risks and rewards of ownership have been transferred to the buyer, the entity retains no managerial involvement or effective control over the goods, the revenue and transaction costs incurred can be reliably measured, and it is probable that the economic benefits associated with the transaction will flow to the entity.

Donation income is recognised when it is received.

Membership subscription revenue is recognised on an accruals basis over the 12 month period of the paid membership.

Revenue from the sale of goods and services, including management fees, is recognised upon delivery of goods and services to members and customers.

Interest revenue is recognised on an accrual basis using the effective interest method.

Receivables for the goods and services, which have 30 day terms, are recognised at the nominal amounts due less any impairment allowance account. Collectability of debts is reviewed at the end of the reporting period. Allowances are made when collectability of the debt is no longer probable.

Project income, relating to government grants, is recognised in the Statement of Comprehensive Income when it is controlled. When there are conditions attached to project income relating to the use of that income for specific purposes, it is recognised in the Statement of Financial Position as a liability until such conditions are met or services provided.

Commission on sales made to members is recognised when the right to receive a commission has been established.

Promotional activities revenue, which includes sponsorship, excellence awards, and other events, is recognised upon commencement of said activities.

1.7 Government grants

Government grants are not recognised until there is reasonable assurance that the NECA QLD Chapter will comply with the conditions attaching to them and that the grants will be received.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D) Government Grants (cont'd)

Government grants are recognised in profit or loss on a systematic basis over the periods in which NECA QLD Chapter recognises as expenses the related costs for which the grants are intended to compensate. Specifically, government grants whose primary condition is that the

NECA QLD Chapter should purchase, construct otherwise acquire non-current assets are recognised as deferred revenue in the statement of financial position and transferred to profit or loss on a systematic and rational basis over the useful lives of the related assets.

Government grants that are receivable as compensation for expenses or losses already incurred or for the purpose of giving immediate financial support to NECA QLD Chapter with no future related costs are recognised in profit or loss in the period in which they become receivable.

1.8 Plant and Equipment

Each class of plant and equipment are measured at cost or fair value less, where applicable, any accumulated depreciation and impairment losses. Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the association and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

Depreciation

The depreciable amount of all fixed assets are depreciated on a straight line basis over their useful lives to the association commencing from the time the asset is held ready for use. Leasehold improvements are depreciated over the shorter of either the unexpired period of the lease or the estimated useful lives of the improvements.

The depreciation rates used for each class of depreciable assets are:

Class of fixed asset Depreciation rates Depreciation basis
Plant and Equipment 10 – 33 % Straight Line

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

1.9 Leases

Lease payments for operating leases, where substantially all the risks & benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

1.10 Employee Benefits

Provision is made for the association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

1.11 Provisions

Provisions are recognised when the reporting unit has a legal or constructive obligation, as a result of past events, for which it is probable that an outflow of economic benefits will result and that outflow can be reliably measured.

1.12 Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the Statement of Financial Position.

1.13 Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

1.14 Financial assets

Financial assets are classified into the following specified categories: financial assets at fair value through profit or loss, held-to-maturity investments, available-for-sale financial assets and loans and receivables. The classification depends on the nature and purpose of the financial assets and is determined at the time of initial recognition. All regular way purchases

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial assets (cont'd)

or sales of financial assets are recognised and derecognised upon trade date basis. Regular way purchases or sales are purchases or sales of financial assets that require delivery of assets within the time frame established by regulation or convention in the marketplace.

Fair value through profit or loss

Financial assets are classified as at fair value through profit or loss when the financial asset is either held for trading or it is designated as at fair value through profit or loss.

A financial asset is classified as held for trading if:

- it has been acquired principally for the purpose of selling it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the reporting unit manages together and has a recent actual pattern of short-term profittaking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial asset other than a financial asset held for trading may be designated as at fair value through profit or loss upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial asset forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the reporting units documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and AASB 139 'Financial Instruments: Recognition and Measurement' permits the entire combined contract (asset or liability) to be designated as at fair value through profit or loss.

Financial assets at fair value through profit or loss are stated at fair value, with any gains or losses arising on remeasurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any dividend or interest earned on the financial asset and is included in the 'other gains and losses' line item in the statement of comprehensive income.

Held-to-maturity Investments

Financial assets with fixed or determinable payments and fixed maturity dates that the reporting unit has the positive intent and ability to hold to maturity are classified as held-to-maturity investments. Held-to-maturity investments are measured at amortised cost using the effective interest method less any impairment.

Available-for-sale

Listed shares and listed redeemable notes held by the reporting unit that are traded in an active market are classified as available-for-sale and are stated at fair value. The reporting unit also has investments in unlisted shares that are not traded in an active market but that are also classified as available-for-sale financial assets and stated at fair value.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial assets (cont'd)

Gains and losses arising from changes in fair value are recognised in other comprehensive income and accumulated in the investments revaluation reserve, with the exception of impairment losses, interest calculated using the effective interest method, and foreign exchange gains and losses on monetary assets, which are recognised in profit or loss. Where the investment is disposed of or is determined to be impaired, the cumulative gain or loss previously accumulated in the investments revaluation reserve is reclassified to profit or loss.

Dividends on available-for-sale equity instruments are recognised in profit or loss when the reporting unit right to receive the dividends is established. The fair value of available-for-sale monetary assets denominated in a foreign currency is determined in that foreign currency and translated at the spot rate at the end of the reporting period. The foreign exchange gains and losses that are recognised in profit or loss are determined based on the amortised cost of the monetary asset. Other foreign exchange gains and losses are recognised in other comprehensive income.

Loan and receivables

Trade receivables, loans and other receivables that have fixed or determinable payments that are not quoted in an active market are classified as 'loans and receivables'. Loans and receivables are measured at amortised cost using the effective interest method less impairment. Interest is recognised by applying the effective interest rate, except for short-term receivables when the recognition of interest would be immaterial.

Effective interest method

The effective interest method is a method of calculating the amortised cost of a debt instrument and of allocating interest income over the relevant period. The effective interest rate is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset, or, when appropriate, a shorter period, to the net carrying amount on initial recognition.

Income is recognised on an effective interest rate basis except for debt instruments other than those financial assets that are recognised at fair value through profit or loss.

Impairment of financial assets

Financial assets, other than those at fair value through profit or loss, are assessed for impairment at the end of each reporting period. Financial assets are considered to be impaired when there is objective evidence that, as a result of one or more events that occurred after the initial recognition of the financial asset, the estimated future cash flows of the investment have been affected.

For certain categories of financial asset, such as trade receivables, assets that are assessed not to be impaired individually are, in addition, assessed for impairment on a collective basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial assets (cont'd)

Objective evidence of impairment for a portfolio of receivables could include the reporting units past experience of collecting payments, an increase in the number of delayed payments in the portfolio past the average credit period of 60 days, as well as observable changes in national or local economic conditions that correlate with default on receivables.

For financial assets carried at amortised cost, the amount of the impairment loss recognised is the difference between the asset's carrying amount and the present value of estimated future cash flows, discounted at the financial asset's original effective interest rate.

For financial assets carried at cost, the amount of the impairment loss is measured as the difference between the asset's carrying amount and the present value of the estimated future cash flows discounted at the current market rate of return for a similar financial asset. Such impairment loss will not be reversed in subsequent periods. The carrying amount of the financial asset is reduced by the impairment loss directly for all financial assets with the exception of trade receivables, where the carrying amount is reduced through the use of an allowance account. When a trade receivable is considered uncollectible, it is written off against the allowance account. Subsequent recoveries of amounts previously written off are credited against the allowance account. Changes in the carrying amount of the allowance account are recognised in profit or loss.

When an available-for-sale financial asset is considered to be impaired, cumulative gains or losses previously recognised in other comprehensive income are reclassified to profit or loss in the period.

For financial assets measured at amortised cost, if, in a subsequent period, the amount of the impairment loss decreases and the decrease can be related objectively to an event occurring after the impairment was recognised, the previously recognised impairment loss is reversed through profit or loss to the extent that the carrying amount of the investment at the date the impairment is reversed does not exceed what the amortised cost would have been had the impairment not been recognised.

In respect of available-for-sale equity securities, impairment losses previously recognised in profit or loss are not reversed through profit or loss. Any increase in fair value subsequent to an impairment loss is recognised in other comprehensive income and accumulated under the heading of investments revaluation reserve. In respect of available-for-sale debt securities, impairment losses are subsequently reversed through profit or loss if an increase in the fair value of the investment can be objectively related to an event occurring after the recognition of the impairment loss.

Derecognition of financial assets

The reporting unit derecognises a financial asset only when the contractual rights to the cash flows from the asset expire, or when it transfers the financial asset and substantially all the risks and rewards of ownership of the asset to another entity. The difference between the asset's carrying amount and the sum of the consideration received and receivable and the cumulative gain or loss that had been recognised in other comprehensive income and accumulated in equity is recognised in profit or loss.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial liabilities (cont'd)

1.15 Financial Liabilities

Financial liabilities are classified as either financial liabilities 'at fair value through profit or loss' or other financial liabilities. Financial liabilities are recognised and derecognised upon 'trade date'.

Fair value through profit or loss

Financial liabilities are classified as at fair value through profit or loss when the financial liability is either held for trading or it is designated as at fair value through profit or loss.

A financial liability is classified as held for trading if:

- it has been acquired principally for the purpose of repurchasing it in the near term; or
- on initial recognition it is part of a portfolio of identified financial instruments that the reporting unit manages together and has a recent actual pattern of short-term profittaking; or
- it is a derivative that is not designated and effective as a hedging instrument.

A financial liability other than a financial liability held for trading may be designated as at fair value through profit or loss upon initial recognition if:

- such designation eliminates or significantly reduces a measurement or recognition inconsistency that would otherwise arise; or
- the financial liability forms part of a group of financial assets or financial liabilities or both, which is managed and its performance is evaluated on a fair value basis, in accordance with the reporting units documented risk management or investment strategy, and information about the grouping is provided internally on that basis; or
- it forms part of a contract containing one or more embedded derivatives, and AASB 139 'Financial Instruments: Recognition and Measurement' permits the entire combined contract (asset or liability) to be designated as at fair value through profit or loss.

Financial liabilities at fair value through profit or loss are stated at fair value, with any gains or losses arising on re-measurement recognised in profit or loss. The net gain or loss recognised in profit or loss incorporates any interest paid on the financial liability and is included in the 'other gains and losses' line item in the statement of comprehensive income.

Other financial liabilities

Other financial liabilities, including borrowings and trade and other payables, are initially measured at fair value, net of transaction costs.

Other financial liabilities are subsequently measured at amortised cost using the effective interest method, with interest expense recognised on an effective yield basis.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

Financial liabilities (cont'd)

Derecognition of financial liabilities

The reporting unit derecognises financial liabilities when, and only when, the reporting units obligations are discharged, cancelled or they expire. The difference between the carrying amounts of the financial liability derecognised and the consideration paid and payable is recognised in profit or loss.

1.16 New Australian Accounting Standards

Adoption of New Australian Accounting Standard requirements

No accounting standard has been adopted earlier than the application date stated in the standard. The accounting policies adopted are consistent with those of the previous financial year.

Note 2 Events after the reporting period

There were no events that occurred after 30 June 2015, and/or prior to the signing of the financial statements, that would affect the ongoing structure and financial activities of National Electrical Contractors Association — Queensland Chapter.

Terms and conditions of transactions with related parties

The sales to and purchases from related parties are made on terms equivalent to those that prevail in arm's length transactions. Outstanding balances for sales and purchases at the yearend are unsecured and interest free and settlement occurs in cash. There have been no guarantees provided or received for any related party receivables or payables. For the year ended 30 June 2015, the reporting unit has not recorded any impairment of receivables relating to amounts owed by related parties and declared person or body (2014: \$Nii). This assessment is undertaken each financial year through examining the financial position of the related party and the market in which the related party operates.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 13 Financial Instruments

The association's financial instruments consist mainly of deposits with banks, accounts receivable and payable. The main purpose of non-derivative financial instruments is to raise finance for the association's operations. The association does not have any derivative instruments at 30 June 2015.

i. Treasury Risk Management

Committee members of the meet on a regular basis to analyse interest rate exposure and to evaluate treasury management strategies in the context of the most recent economic conditions and forecasts.

ii. Financial Risks

The main risks the reporting unit is exposed to through its financial instruments are interest rate risk, liquidity risk and credit risk.

Interest rate risk

The reporting unit has no interest bearing liabilities and consequently is not exposed to fluctuations in debt interest rates. For further details on interest rate risk refer to Note 11(b).

Foreign Currency risk

The reporting unit is not exposed to fluctuations in foreign currencies.

Liquidity risk

The reporting unit manages liquidity risk by monitoring forecast cash flows and ensuring that adequate working capital is maintained.

Credit risk

The maximum exposure to credit risk, excluding the value of any collateral or other security, at balance date to recognised financial assets, is the carrying amount, net of any provisions for impairment of those assets, as disclosed in the balance sheet and notes to the financial statements.

The reporting unit does not have any material credit risk exposure to any single receivable or group of receivables under financial instruments entered into by the reporting unit.

Price risk

The reporting unit is not exposed to any material commodity price risk.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2015

Note 14 Fair Value Measurement

Note 14A: Financial Assets and Liabilities

Management of the reporting unit assessed that cash, trade receivables, trade payables, and other current liabilities approximate their carrying amounts largely due to the short term maturities of these instruments.

The fair value of financial assets and liabilities is included at the amount which the instrument could be exchanged in a current transaction between willing parties. The following methods and assumptions were used to estimate the fair values:

- Fair values of the reporting unit's interest-bearing borrowings and loans are determined by using a discounted cash flow method. The discount rate used reflects the issuer's borrowing rate as at the end of the reporting period. The own performance risk as at 30 June 2015 was assessed to be insignificant.
- Fair value of available-for-sale financial assets is derived from quoted market prices in active markets.
- Long-term fixed-rate and variable-rate receivables/borrowings are evaluated by the Group based on parameters such as interest rates and individual credit worthiness of the customer. Based on this evaluation, allowances are taken into account for the expected losses of these receivables. As at 30 June 2015 the carrying amounts of such receivables, net of allowances, were not materially different from their calculated fair values.

The following table contains the carrying amounts and related fair values for the reporting unit's financial assets and liabilities:

	Carrying	Fair	Carrying	Fair
	amount	value	amount	value
	2015	2015	2014	2014
	\$	\$	\$	\$

Note 15: Section 272 Fair Work (Registered Organisations) Act 2009

In accordance with the requirements of the Fair Work (Registered Organisations) Act 2009, the attention of members is drawn to the provisions of subsections (1) to (3) of section 272, which reads as follows:

Information to be provided to members or General Manager:

- (1)A member of a reporting unit, or the General Manager, may apply to the reporting unit for specified prescribed information in relation to the reporting unit to be made available to the person making the application.
- (2) The application must be in writing and must specify the period within which, and the manner in which, the information is to be made available. The period must not be less than 14 days after the application is given to the reporting unit.
- (3)A reporting unit must comply with an application made under subsection (1).

25 August 2015

Mr Mick Logan Secretary

National Electrical Contractors Association, Queensland Chapter

Sent via email: mick.logan@neca.asn.au

Dear Mr Logan,

Re: Lodgement of Financial Report - [FR2015/114]

Fair Work (Registered Organisations) Act 2009 (the RO Act)

The financial year of the National Electrical Contractors Association, Queensland Chapter (the reporting unit) ended on 30 June 2015.

This is a courtesy letter to remind you of the obligation to prepare and lodge the financial report for the reporting unit by the due date under s.268 of the RO Act, namely 15 January 2016 (being the expiry date of 6 months and 14 days from the end of the financial year).

The RO Act sets out a particular chronological order in which financial documents and statements must be prepared, audited, provided to members and presented to a meeting. For your assistance, the attached *Timeline/Planner* summarises these requirements.

Fact sheets and guidance notes in relation to financial reporting under the RO Act are provided on the Fair Work Commission website. Further, the General Manager's updated Reporting Guidelines that apply to all financial reports prepared on or after 30 June 2014 are also available on the website supported by a webinar presentation.

The Fair Work Commission has developed a model set of financial statements. It is not obligatory to use this model but it is a useful resource to ensure compliance with the RO Act, the Reporting Guidelines and the Australian Accounting Standards. The model statement and other resources can be accessed through our website under Financial Reporting in the Compliance and Governance section.

I request that the financial report and any statement of loans, grants or donations made during the financial year (statement must be lodged within 90 days of end of financial year) be emailed, rather than posted, to orgs@fwc.gov.au. A sample statement of loans, grants or donations is available at sample documents.

It should be noted that s.268 is a civil penalty provision. Failure to lodge a financial report may result in legal proceedings being issued with the possibility of a pecuniary penalty (up to \$51,000 for a body corporate and \$10,200 for an individual per contravention) being imposed upon an officer whose conduct led to the contravention and/or your organisation.

Should you wish to seek any clarification in relation to the above, please contact me on (03) 8661 7796 or via email at Sam.Gallichio@fwc.gov.au.

Yours sincerely,

Sam Gallichio

Adviser

Regulatory Compliance Branch

Telephone: (03) 8661 7777
