**Your primary review**

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the ROC raised with you last year.

Your ORP statement has been uploaded to the ROC website.

You do not need to do anything further this year. The following comments are made to assist you when you prepare next year's ORP statement.

## Insufficient Nil Statements

Your ORP statement did not contain NIL statements and this made it unclear whether you had fully completed the statement.

It is the view of the ROC that NIL statements provide greater clarity and transparency for members. Such statements reassure the organisation's members and the ROC that the organisation or branch has turned its attention to officers' relevant remuneration, their non-cash benefits and payments to related parties.

**Hint:** Your reminder letter had examples of how to do a NIL statement, you can also refer to our [ORP statement template](#) which contains help about NIL statements.

Please ensure that next year's ORP statement contains NIL statements instead of blanks.

## The ROC's risk-based approach

This year your ORP statement was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklist](#) is published on our website.

## Do you have questions?

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).

Yours sincerely
