Dear Branch Secretary,

The National Fire Industry Association's Officer and Related Party disclosure statement (ORP Statement)

Thank you for providing your ORP statement. Your ORP statement includes information required to be provided to your members and lodged under subsection 293J of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Summary of your ORP Statement and Review Outcome

Financial year ending 30 June 2018
Matter number ORP2018/1339
Lodgement date 3 February 2020

Result FILED

Your primary review

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements (if any) that the ROC raised with you last year.

Your ORP statement did not satisfy the requirements of the primary review. It has been filed and you do not need to do anything further this year. But the issues identified below must be correct in next year's ORP statement. Your ORP statement has been uploaded to the ROC website.

Not lodged on time

Your ORP statement was not lodged on time.

The ORP statement must be lodged within 6 months of the end of the financial year.

Did you know? More than 92% of organisations and branches lodge their ORP statement on time.

Next year's ORP statement must be lodged on time or the ORP statement may lose the opportunity for a primary review.

Your ORP statement was not lodged on time, namely on or before, 31 December 2018 although it is dated 5 December 2018. It is noted that an ORP statement was lodged on behalf of the National Fire Industry Association, Australia on 10 December 2018. You have provided the explanation that due to administrative oversight the incorrect ORP statement was lodged on 10 December 2018. The correct ORP statement relating to the National Fire Industry Association was provided once the error was brought to your notice by the Registered Organisations Commission.

Your information that you seek to apply to the Fair Work Commission to deregister the National Fire Industry Association and register the National Fire Industry Association, Australia has been noted.

The ROC's risk-based approach

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review. This year your ORP statement was assessed against a primary review.

The ROC's [advanced review checklist](#) is published on our website.

A primary review does NOT check all legislative requirements. Also, it is not possible for the ROC to check the accuracy of the information in the statement.

Non-compliance (whether checked in this primary review or not) may result in a penalty.

Do you have questions?

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).

If you have any queries we can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au.

Yours sincerely
