Time frames

Regulation 151 of the *Fair Work (Registered Organisations) Regulations 2009* prescribes that a notification of change pursuant to section 233(2) of the RO Act must be lodged within 35 days of the change occurring. I note that this is a civil penalty provision and non-compliance may leave your organisation open to Federal Court proceedings.

Officer Induction Kit

The ROC has created an [Officer Induction Kit](#) to assist new officers. The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. It also includes tools to guide an officer's understanding of compliance dates and other reporting obligations.

The kit should not be printed as it is updated regularly and some of the documents are interactive. The ROC strongly recommends that all new officers, and officers who are seeking more information on their obligations and duties, are given the link to the officer induction kit. Please

direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Mandatory disclosures

Please ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests. Details are contained in the RO Act and are summarised in the ROC's [Disclosures Fact Sheet](#).

Mandatory training

Please also note that Section 293K of the RO Act requires each officer with duties that relate to the financial management to undertake approved training that covers the duties within 6 months after the person begins to hold office. Please ensure that relevant officers are advised of the requirement to undertake approved training. Please also ensure that they undertake the training within the required timeframe. Further information about training is provided in our [officer financial training fact sheet](#).

Thank you for your correspondence.

Yours faithfully,

Christopher Wong

The Kit includes a number of resources that will help an officer to understand their general duties as an officer and their specific duties as an officer in your organisation. Please direct your new officers to the kit which is on the ROC's [fact sheets, templates and webinars page](#), under Officers.

Thank you for your correspondence.

Dear Mr McCulloch,

Declaration and information lodged under subsection 233(1) [Annual Return] for 2018 [AR2018/104]

I acknowledge receipt by the Registered Organisations Commission (the ROC) on 26 March 2018 of your organisation's Annual Return which provides information under subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

Thank you for providing your Annual Return.

The documents lodged provide the required information for the 2018 Annual Return of the National Tertiary Education Industry Union.

The Annual Return has been filed. Annual returns are publicly available on the website through the [List of Registered Organisations](#).

Notifications of Change

Any changes to these records must be notified to the ROC within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. National Tertiary Education Industry Union is encouraged to use this template if any changes occur.

The ROC will accept notifications of change from the relevant branches or from the national office. If the national office of the National Tertiary Education Industry Union does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation to notify changes and the requisite time frames within which that must happen.

If a branch lodges a notification of change with the ROC, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233 of the RO Act.

Notification of changes made to records

I acknowledge receipt of multiple Notifications of Change to the office holders and addresses of the National Tertiary Education Industry Union and its branches.

This information was lodged with the Registered Organisations Commission (the ROC) pursuant to the notification requirements in section 233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The change must be clearly identifiable from the notification

I note that the organisation sometimes re-notifies of office holders who have left office when the relevant vacancy is filled. This creates an illusion that some of the notifications are lodged substantially outside of time (as the date of the first officer leaving is sometimes much further in the past), when in fact these notifications have already been notified. This can create confusion. Please ensure that changes that have already been notified are either not notified again or are more clearly identified as already notified changes in the notifications of change.

Changes to the national office address

The organisation notified changes to the national office address on 28 March 2018. A call to the organisation confirmed that this was notified in error, the changes related to two specific branches. A further notification was supplied on 30 April 2018 confirming that the two branches had changed their addresses, but the national office had not.

The notified changes

The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly. The document can be viewed on the Website through the [list of Registered Organisations](#).

I, **GRAHAME MCCULLOCH**, being the General Secretary of the National Tertiary Education Industry Union (120 Clarendon Street, South Melbourne, in the State of Victoria), declare the following:

1. I am the General Secretary of the National Tertiary Education Industry Union (“NTEU”), an organisation of employees registered under the *Fair Work (Registered Organisations) Act*, and I am authorised under the rules of the NTEU to make this declaration.
