Dear Larry

Re: NTEU Election Request 2006

Further to your earlier telephone conversations with Sam Maynard and me, I am writing to the Registry about two matters.

The first is the proper application of sub-clause 18.2 of the NTEU Rules, in respect of our Combined Branch Electorates in Victoria.

The second is the status of the NSW Division Secretary's position as and whether an election is required in 2006.

Combined Branch Electorates in Victoria

For ease of reference, I have set out relevant parts of the sub-rule:

18.2 Combined Branch Electorates shall be established by the Division Executive, or by the National Executive pursuant to sub-rule 18.1(b) in accordance with the following provisions:

- (a) Combined Branch Electorates shall be established between eleven and nine months prior to the scheduled date for the election of National Councillors.*
- (b) All members of a Branch shall be allocated to the same Combined Branch Electorate.*
- (c) Wherever practicable, a Combined Branch Electorate shall correspond to a coherent geographical area, type of employer, or to a combination of both.*
- (d) When there are two or more Branches in a Division with less than 150 members the number of Combined Branch Electorates within the Division shall be that whole number, or that nearest whole number, which results from dividing the aggregate membership of the Branches within the Division which have less than 150 members by the number which results from dividing the aggregate membership of the Branches within the Division with 150 or more members by the number of National Councillors that such Branches are entitled to elect pursuant to Sub-Rule 18.1.*
- (e) Wherever practicable, the number of members allocated to any one Combined Branch Electorate shall be not more than 10% greater or lower than the number of members allocated to any other Combined Branch Electorate within the Division.*

Clearly, the temporal element of the requirement of placitum (a) – that certain decisions should be made between nine and twelve months before “the scheduled date for the election of national councillors” - has not been complied with. The relevant resolution was adopted by the Victorian Division Executive only in April 2006. This was an innocent but regrettable oversight and no malfeasance was involved.

I understand, however, that the Registrar has a statutory obligation to ensure that, in the conduct of their elections, organisations are acting in compliance with their rules. In this context, the NTEU contends that there is a critical distinction to be made between directory and mandatory rules, and that the temporal element of 18.2 (a) should be considered *directory*, while the requirement upon the NTEU National or Division Executive to *establish* the correct combined branch electorates in respect of each election should be considered *mandatory*.

This approach is consistent with that taken by the Courts to like questions. In *Montreal Street Railway Co v Normandin* [1917] AC 170 at 175, the Privy Council held:

When the provisions of a statute relate to the performance of a public duty and the case is such that to hold null and void acts done in neglect of this duty would work serious general inconvenience, or injustice to persons who have no control over those entrusted with the duty, and at the same time would not promote the main object of the Legislature, it has been the practice to hold such provisions to be directory only.

This approach has been cited with approval by the Federal Court and the High Court in a number of Australian cases. The discussion of this issue in Statutory Interpretation in Australia; 5th Edition; D C Pearce & R S Geddes; and the cases cited Chapter 11 of that work also support this approach. For example Stephen J in *Victoria v. The Commonwealth And Connor* (1975) 134 CLR 81 at 179, deals with the issue as follows;

Sometimes the stipulation which has not been complied with is, in its context, so relatively unimportant to the attainment of [the] general object that, although there has been total non-compliance, a directory construction may be appropriate. In such cases it may not matter that the non-compliance is complete, not partial. Indeed the stipulation in question may be of a kind which is incapable of partial compliance; to give to such a stipulation a directory interpretation recognizes that it may be wholly disregarded without prejudice to validity because of its relative unimportance in the attainment of the general statutory object and also, perhaps, because of the far-reaching and undesirable consequences of treating its non-observance as invalidatory.

Where, on the contrary, a stipulation may be seen to be of importance in attaining the general object of the statute its total non-observance cannot be sought to be excused, and its intended effect circumvented, by the adoption of a directory construction. A directory construction may none the less be given to such a stipulation if it is of a kind capable of degrees of non-compliance and if some degree of non-compliance can be seen as not necessarily prejudicing the substantial carrying into effect of the general object. If in such a case a directory construction be adopted, the extent of non-compliance in the particular case must then be examined to determine whether what has in fact occurred nevertheless gives effect to the general object of the statute.

In the case of the NTEU rules, the union is required to hold a National Council and every two years to conduct elections for that National Council. It must be considered a general object of the rules, taken as a whole, that the National Council be constituted properly under the rules and that the voting entitlements of members, exercised through their elected representatives, be calculated in accordance with the rules. To consider the procedural requirement about when a decision should be made to be paramount, when to do so would result in the breach of substantive provisions, such as 18.2 (d) and (e) would, in the NTEU's respectful submission, be to defy the proper purpose and requirements of the rules. To rely on the NTEU Victorian Division's 2004 determination of this matter would have this effect. (Moreover, reliance upon the 2004 determination is even less in compliance with sub-rule 18.2(a) Rules than the 2006 determination, as 18.2(a) says that the determination must be made "*between eleven and nine months prior to the scheduled date for the election*".

The only other alternative would be to delay the 2006 National Council into 2007, which would be tantamount to not holding a 2006 Council and would be an absurd outcome of the type envisaged in the cases cited above.

Therefore, it is our respectful submission that the election for Combined Branch Electorates in Victoria should be, and in fact is required to be, conducted in accordance with the determination made by the Victorian Division Executive in 2006.

On behalf of the NTEU General Secretary and Division Secretary, I apologise for the inconvenience which proper consideration of this issue necessarily entails. The Division has now put into place administrative arrangements to ensure that this problem does not recur.

NSW Division Secretary

Attached is an extract of the Minutes of the NSW Division, and relevant attachment, confirming that the office of NSW Division Secretary is a full-time position. This resolution accords with the factual situation at least since 2000, in that the position *is, remains and will remain* a "full-time position", in the ordinary sense of those words and within the meaning of sub-rule 69.8. Therefore, in our respectful submission, while the statement accompanying our 2004 election request was inconsistent with that sub-rule, this cannot alter the fact that the term of office runs to 2008.

By way of additional comment, it was not stated in the call for nominations for this position in 2004 what the term of office was, and therefore it would seem that no-one (except unfortunately the Commission) was in any way misled.

Yours Sincerely

Ken McAlpine
Senior Industrial Officer

- (iv) Green Paper on research funding; the National Office would make a final submission in October; the necessary legislation for proposed changes would occur in the next budget session.
- (v) Accreditation of private providers of higher education; the NSW Executive noted that it would be important to lobby the NSW Government. The Executive resolved:

It requests the Secretary to seek a meeting between representatives of the Executive and the NSW Minister for Education to lobby support for the National Executive's position."*
S. Rosewarne/Tom Watson
carried 30/99E

ITEM 5: ENTERPRISE BARGAINING

a) Enterprise Bargaining

The Executive heard a report on overall bargaining process at the University of Sydney and a summary report of the Heads of Agreement. The Executive resolved:

R. Bohringer 31/99E

Other branches reported as follows:

UNSW: Negotiations have broken down and management will proceed to a ballot on this current offer. A report was presented on a strategy for a "No" campaign. The Executive endorsed the thrust of the campaign and resolved as follows:

Moved: *"that the NSW Division supports the application for funding from the Industrial Defence Fund to cover the cost of an eight week contract for a Vote No publicity/campaign person to be employed by the Division to 30 September 1999. The cost would be \$7,800 for salary and related costs.*

A. Ryan/M. Donaldson
carried 32/99E

UOW: Management had refused to agree to a workloads clause and negotiations had broken down. As a result there has been a 48 hour strike of academic staff on 27/28 July. Negotiations were to re-commence on 30 July but the university was still claiming that it could not fund any salary increase.

SCU: Because of disarray in senior management, progress had ceased. However, some small working parties on individual clauses are scheduled to meet shortly.

UTS: Negotiations have just commenced. Management has removed AWAs from the table.

Macquarie: Log of claims is currently being drafted. Management refuses to have NTEU involved in general staff bargaining.

UNE: Management has been logged. NTEU is being kept out of general staff bargaining.

ITEM 6: DIVISION RESTRUCTURE

The Vice-President introduced this item and took the Executive through the Working Party's report. He tabled a series of motions which attempted to summarise the outcome of meetings held with staff (21.7.99) and Branch Presidents. Moved:	<i>"that the NSW Executive endorses the proposed recruitment plan for general staff and requests the National Office to consider allocating funds on a contingency basis for the implementation of the plan."</i>
	A. Ryan/M. Donaldson carried 37/99E

ITEM 8 INDUSTRIAL REPORT**(a) Coverage of General Staff**

It was noted that the delay in the decision of the S204 case was causing problems amongst agency members. There had been considerable disinformation circulated over the outcome of the Sydney general staff heads of agreement.

(b) Implementation of HECE Award

Implementation issues are still in dispute before the Full Bench. Employment of post graduate students is contentious. Employers wish to contract employees terminable for unsatisfactory performance.

(c) Disputes

(c) Staff of Student Organisations

No report

In particular he noted that the National Office had now clarified our payroll tax obligations which are about \$35,000 pa. He outlined the immediate and future needs of the Division and recommended that the Division fee be moved from 0.29% of salary to 0.35% from Jan 1, 2000. The Executive endorsed the motion passed at the Branch President’s meeting of 29.7.99 with minor amendments.

The Executive noted the papers on payroll tax and GST from the National Office.

The Executive endorsed the Alternative Payment Methods Kit.

(b) Publications

The Executive heard a report on the output of publications from the Division and the need for staffing in this area in the light of the current problems with enterprise bargaining. Further discussion was reserved for the item on staffing.

At this point the meeting moved into closed session with only Executive members present.

(c) Staffing

The Vice-President gave a summary report of the meeting between Executive members and staff on 21 July 1999. He tabled recommendations from the meeting. Staff were invited to speak to these and tabled a document in response. The President then moved into closed session with only Executive members present.

There then followed discussion of the Division's staffing needs. It was resolved that Division move to:

1. Establish a new industrial position in which the incumbent would be half-time industrial officer and half-time legal officer.
2. Fill the current vacancy for Organiser as soon as practicable.
3. Extend the current position of Organiser (publications) for a further 12 weeks from 30 July 1999.

<p>Moved: "that the NSW Executive agrees to extend the contract of the current Publications Officer (Ms Jennifer Ryan) for a further 12 weeks commencing Monday 2 August and seeks funding support from the Industrial Defence Fund for this purpose."</p> <p style="text-align: right;">A. **NATIONAL TERTIARY EDUCATION INDUSTRY UNION
(MURDOCH BRANCH)
MINUTES OF A SPECIAL GENERAL MEETING
HELD ON 15TH MARCH 2002**

Present: 24 members of NTEU Murdoch Branch, Teresa Borwick (Industrial Officer), Stephanie Thompson (Executive Officer)

Apologies: Nancy Victorin-Vangerud, Janice Dudley, Eve Voysey, Rob Phillips, Jane Pearce, Peta Bowden, Marian Kemp, Dave Palmer, Lenore Layman, Carol Warren, Bill Chitty, Trish Coyne, Naomi Sidebotham, Jo Goodie, Lorraine Marshall, Tania Jacobs

Mick Campion opened the meeting by saying that the NTEU is an industry union which already has 9000 general staff members nationally. Murdoch Branch is now recruiting general staff. The purpose behind the suggested changes to the NTEU Branch rules to encompass general staff sections, and general staff representation on the Committee of Management, is to enable general staff to play a proper role in the union.

There was general discussion about the purpose and detail of the proposals, and questions were asked about the implications of these changes for relationships between unions at Murdoch.

Mick said that we are under an obligation to seek a single bargaining unit in the next round of Enterprise Bargaining. The NTEU favours a single agreement with separate clauses. The CPSU do not agree with this at present.

Motion 1 was proposed from the Chair

That the NTEU Murdoch Branch resolves to establish sections in accordance with Sub Rule 33.8 to facilitate the representation and participation of general staff in the Branch structure and in readiness for union elections in May 2002.

And this was carried unanimously.

Motion 2 was proposed from the Chair

That the NTEU Murdoch Branch Committee be increased to 14 members and shall comprise the following positions; Branch President, Vice President Academic Staff, Vice President General Staff, Secretary, Treasurer, 6 Ordinary committee members, 1 Ordinary committee member Academic Staff, 1 Ordinary committee member General Staff, 1 Ordinary committee member Indigenous staff

And this was carried unanimously.

NTEU SGM Minutes 15.3.02

Any Other Business

Mick said that a working party on **Offshore Teaching** will be formed in order to communicate issues and a university-wide position will follow later.

Management is not aware of the strength of feeling over the **Strategic Plan**. There is some confusion over whether it is a planning device or a marketing device. The union was instrumental in having the process extended and changed.

The selection of a new **Vice-Chancellor** is on-going.

Union members were invited to a barbecue in the BITL courtyard after the meeting.

There being no further business, the meeting was declared closed.

Dear Larry

Re: NTEU Election Request 2006

Further to your earlier telephone conversations with Sam Maynard and me, I am writing to the Registry about two matters.

The first is the proper application of sub-clause 18.2 of the NTEU Rules, in respect of our Combined Branch Electorates in Victoria.

The second is the status of the NSW Division Secretary's position as and whether an election is required in 2006.

Combined Branch Electorates in Victoria

For ease of reference, I have set out relevant parts of the sub-rule:

18.2 Combined Branch Electorates shall be established by the Division Executive, or by the National Executive pursuant to sub-rule 18.1(b) in accordance with the following provisions:

- (a) Combined Branch Electorates shall be established between eleven and nine months prior to the scheduled date for the election of National Councillors.*
- (b) All members of a Branch shall be allocated to the same Combined Branch Electorate.*
- (c) Wherever practicable, a Combined Branch Electorate shall correspond to a coherent geographical area, type of employer, or to a combination of both.*
- (d) When there are two or more Branches in a Division with less than 150 members the number of Combined Branch Electorates within the Division shall be that whole number, or that nearest whole number, which results from dividing the aggregate membership of the Branches within the Division which have less than 150 members by the number which results from dividing the aggregate membership of the Branches within the Division with 150 or more members by the number of National Councillors that such Branches are entitled to elect pursuant to Sub-Rule 18.1.*
- (e) Wherever practicable, the number of members allocated to any one Combined Branch Electorate shall be not more than 10% greater or lower than the number of members allocated to any other Combined Branch Electorate within the Division.*

Clearly, the temporal element of the requirement of placitum (a) – that certain decisions should be made between nine and twelve months before “the scheduled date for the election of national councillors” - has not been complied with. The relevant resolution was adopted by the Victorian Division Executive only in April 2006. This was an innocent but regrettable oversight and no malfeasance was involved.

I understand, however, that the Registrar has a statutory obligation to ensure that, in the conduct of their elections, organisations are acting in compliance with their rules. In this context, the NTEU contends that there is a critical distinction to be made between directory and mandatory rules, and that the temporal element of 18.2 (a) should be considered *directory*, while the requirement upon the NTEU National or Division Executive to *establish* the correct combined branch electorates in respect of each election should be considered *mandatory*.

This approach is consistent with that taken by the Courts to like questions. In *Montreal Street Railway Co v Normandin* [1917] AC 170 at 175, the Privy Council held:

When the provisions of a statute relate to the performance of a public duty and the case is such that to hold null and void acts done in neglect of this duty would work serious general inconvenience, or injustice to persons who have no control over those entrusted with the duty, and at the same time would not promote the main object of the Legislature, it has been the practice to hold such provisions to be directory only.

This approach has been cited with approval by the Federal Court and the High Court in a number of Australian cases. The discussion of this issue in Statutory Interpretation in Australia; 5th Edition; D C Pearce & R S Geddes; and the cases cited Chapter 11 of that work also support this approach. For example Stephen J in *Victoria v. The Commonwealth And Connor* (1975) 134 CLR 81 at 179, deals with the issue as follows;

Sometimes the stipulation which has not been complied with is, in its context, so relatively unimportant to the attainment of [the] general object that, although there has been total non-compliance, a directory construction may be appropriate. In such cases it may not matter that the non-compliance is complete, not partial. Indeed the stipulation in question may be of a kind which is incapable of partial compliance; to give to such a stipulation a directory interpretation recognizes that it may be wholly disregarded without prejudice to validity because of its relative unimportance in the attainment of the general statutory object and also, perhaps, because of the far-reaching and undesirable consequences of treating its non-observance as invalidatory.

Where, on the contrary, a stipulation may be seen to be of importance in attaining the general object of the statute its total non-observance cannot be sought to be excused, and its intended effect circumvented, by the adoption of a directory construction. A directory construction may none the less be given to such a stipulation if it is of a kind capable of degrees of non-compliance and if some degree of non-compliance can be seen as not necessarily prejudicing the substantial carrying into effect of the general object. If in such a case a directory construction be adopted, the extent of non-compliance in the particular case must then be examined to determine whether what has in fact occurred nevertheless gives effect to the general object of the statute.

In the case of the NTEU rules, the union is required to hold a National Council and every two years to conduct elections for that National Council. It must be considered a general object of the rules, taken as a whole, that the National Council be constituted properly under the rules and that the voting entitlements of members, exercised through their elected representatives, be calculated in accordance with the rules. To consider the procedural requirement about when a decision should be made to be paramount, when to do so would result in the breach of substantive provisions, such as 18.2 (d) and (e) would, in the NTEU's respectful submission, be to defy the proper purpose and requirements of the rules. To rely on the NTEU Victorian Division's 2004 determination of this matter would have this effect. (Moreover, reliance upon the 2004 determination is even less in compliance with sub-rule 18.2(a) Rules than the 2006 determination, as 18.2(a) says that the determination must be made "*between eleven and nine months prior to the scheduled date for the election*".

The only other alternative would be to delay the 2006 National Council into 2007, which would be tantamount to not holding a 2006 Council and would be an absurd outcome of the type envisaged in the cases cited above.

Therefore, it is our respectful submission that the election for Combined Branch Electorates in Victoria should be, and in fact is required to be, conducted in accordance with the determination made by the Victorian Division Executive in 2006.

On behalf of the NTEU General Secretary and Division Secretary, I apologise for the inconvenience which proper consideration of this issue necessarily entails. The Division has now put into place administrative arrangements to ensure that this problem does not recur.

NSW Division Secretary

Attached is an extract of the Minutes of the NSW Division, and relevant attachment, confirming that the office of NSW Division Secretary is a full-time position. This resolution accords with the factual situation at least since 2000, in that the position *is, remains and will remain* a "full-time position", in the ordinary sense of those words and within the meaning of sub-rule 69.8. Therefore, in our respectful submission, while the statement accompanying our 2004 election request was inconsistent with that sub-rule, this cannot alter the fact that the term of office runs to 2008.

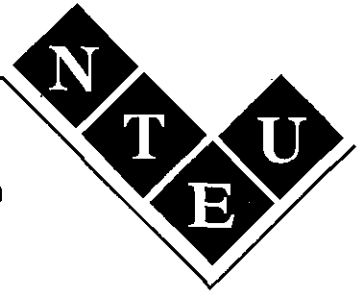

By way of additional comment, it was not stated in the call for nominations for this position in 2004 what the term of office was, and therefore it would seem that no-one (except unfortunately the Commission) was in any way misled.

Yours Sincerely

Ken McAlpine

**NATIONAL TERTIARY EDUCATION INDUSTRY UNION - REQUEST FOR
ELECTIONS TO BE HELD.**

I, **GRAHAME McCULLOCH**, General Secretary of the National Tertiary Education Industry Union, hereby request, pursuant to Section 189 of Schedule 1 of the Act, that the Registrar arrange for the conduct of this organisation's elections in 2006, and state as follows:

1. Elections are required for those positions specified in the attached table, Attachment A.
2. (a) **The name of each office** (138(1)(a)) is specified in the first and second columns of Attachment A.
- (b) **The reason for the election** (138(1)(b)) is as specified in the fifth column of Attachment A, according to the Key to Election Request which is at Attachment B.
- (c) **Where more than one of the offices in respect of which an election is required have the same name** (138(1)(c)) the number of such offices is as specified in the third column of Attachment A, headed "No. Required".
- (d) **The electorate from which each office is to be elected** (138(1)(d)) is as indicated in the fourth column of Attachment A, headed "Elected By", read in conjunction with Attachment B .
- (e) **The voting system to be employed** (138(1)(g)) in the conduct of the election is as indicated in the sixth column of Attachment A read in conjunction with Attachment B.
- (f) **The period during which nominations may be called** (138(1)(e)) is 1 February 2006, to such date as would see the elections declared before 1 October 2006, except that no time is prescribed by the rules in relation to new positions
3. The terms of office for each position in the attached table is two years, from 1 October 2006, or as otherwise provided in the rules, except that the positions of Branch Officers and Branch Committee in each of the South-West Institute of TAFE Branch and the University of Western Australia Branch, each of which has a one year term from 1 October 2006, and the positions of National President, General Secretary, National Assistant Secretary, Victorian Division Secretary and Queensland Division Secretary, which have a four year term from 1 October 2006.
4. I have enclosed membership numbers for Branches and Divisions as at 31 March 2006 to support the application, as required by Rule 18.1(c).
5. **The date provided for in the rules as the day on which the roll of voters is to be closed** (138(1)(f)) is the seventh day before the date determined for the opening of nominations.
6. No request is made for an election in respect of the Burdekin Agricultural College Branch, Dalby Agricultural College Branch and the Victorian College of Agriculture and Horticulture Sub-Branch of the University of Melbourne. The Union has no members at these places. However, only the National Council of the Union has the power to abolish Branches and the University of Melbourne Branch have not yet abolished the Victorian College of Agriculture and Horticulture Sub-Branch. In the meantime, it is submitted that the calling of an election at these places is pointless. No request has been made for the NSW Division Secretary as there was an election in 2004 for a 4 year term of office.

7. I certify that to the best of my knowledge and belief, and based upon advice given by the relevant Branches and Divisions:

Those Branches or Divisions which have otherwise altered the size or composition of their Branch Committee or Division Executives have done so in accordance with the Rules.

Specifically:

- a) At the time of approving this request, there will be no members of the University of Sydney branch employed at the Orange campus. Therefore no request is made for the University of Sydney Orange sub-branch.
- b) Under rule 30A.1, no request is made for the ACT Division, Northern Territory Division, Western Australian Division and South Australian Division for separate Division Council and Division Executive elections.
- c) The University of Western Sydney Branch and RMIT Branch have had decreases in membership which entitles them to one less National Councillor position.
- d) University of Southern Queensland and Dalby Agricultural College Combined Branch Electorate and Northern Territory Combined Branch electorate have had decreases in membership, and under Rule 18.2(g) are entitled to two National Councillors, each of whom will be entitled to exercise one-half a vote.
- e) The Victorian Division has notified this office of a resolution, due to be put to the Victorian Division Executive on April 20 2006, which reads

The Victorian Division resolves, under 18.2 of the rules, to de establish the Central Combined Branch Electorate, the Metropolitan Combined Branch electorate and Regional Combined Branch electorate and replace them with two Combined Branch electorates to be called the Victorian Combined Branch electorate and the Central Combined Branch electorate.

The Victorian CBE will comprise members employed at East Gippsland Institute of TAFE, Bendigo Regional Institute of TAFE, Central Gippsland Institute of TAFE, Goulburn Institute of TAFE, South West Insititue of TAFE, Sunraysia Institute of TAFE, Wodonga Institute of TAFE, Centre for Adult Education including members in Victoria who are not in Branches, who have been allocated under Rule 33.5, to the Centre for Adult Education Branch, but only for the purposes of electing National Councillors.

The Central CBE will comprise members employed at Box Hill Institute of TAFE, Chisholm Insitute of TAFE, Gordon Institute of TAFE, Holmesglen Institute of TAFE, William Angliss Institute of TAFE, Kangan Batman Institute of TAFE and Northern Melbourne Institute of TAFE.

These changes are reflected in the election request and comply with the Unions rules.

- f) The composition of the Indigenous Tertiary Education Policy Committee as set out in Rule 18.3 of the Rules, has been changed by a postal ballot of the members of National Council, under Rule 17.13. This resolution has established the position of Divisional Indigenous Representative in each Division of the Union.
8. The method of election for the positions of ITEPC Chair and Deputy Chair has been changed by a postal ballot of the members of National Council, under Rule 17.13.

I have forwarded to the Australian Electoral Commission a copy of this request. It is our intention to request that nominations open on 15th May 2006. It would therefore be appreciated, if possible, if this request could be approved by about 1st May 2006.
