**Post Election Report For: National, Divisional, Branch and Sub Branch Offices
Election E2009/135**

I refer to the above election for your organisation.

Section 197(1) of Schedule 1 of the Workplace Relations Act 1996 requires the AEC to provide a written report on the conduct of the election to the Industrial Registrar and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of Schedule 1 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members. Further, Regulation 141(4) of the Workplace Relations (RAO) Regulations requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

The Registrar
Australian Industrial Relations Commission
GPO Box 1994
MELBOURNE VIC 3001

Dear Registrar,

Attached herewith is an amended request for elections to be held under the Rules of the National Tertiary Education Industry Union in 2009. This replaces the application lodged on 24th March 2009.

As compared to the evenly numbered years, the number of elections to be conducted in 2009 is fairly small. However, the requirement of Rule 80 is that an election for a Division Secretary must be held within three months of the date of the position becoming vacant.

In respect of those positions for which an election is requested and the vacancy is as a result of a resignation, a copy of the resignations are attached.

Yours sincerely,

KEN MCALPINE
National Senior Industrial Officer

In respect of the request for an election in the **Orange Sub-Branch of the Charles Sturt University Branch**, the election is required in circumstances where the Sub-Branch was created in 2007 and an election was held in 2007 for positions the term of office of which expired in 2008.
