Dear Ms Savage

Re: Financial Reports for the National Tertiary Education Industry Union, Australian Catholic University Branch for year ended 30 June 2008 – FR2008/393

I acknowledge receipt of the financial report for the National Tertiary Education Industry Union, Australian Catholic University Branch for the year ended 30 June 2008. The financial report was lodged with Fair Work Australia on 18 August 2009.

The financial report has been filed.

I appreciate for the financial year ended 30 June 2009 it is anticipated that, in accordance with the scheme of the organisation's rules, all financial affairs will be administered by the organisation (through its national office) and accounted for accordingly. None the less I draw your attention to a number of matters in the present report which, in the event the Branch was required to again prepare a financial report, it should take into account to achieve full compliance.

You are not required to take any further action in respect of the reports lodged.

Timescale Requirements

As you are aware, reporting units are required to undertake their financial reporting obligations in accordance with specified timelines. As the 2008 report has been completed, the relevant timelines are incapable of being remedied. However it should be noted that the timelines have not changed under the *Fair Work (Registered Organisations) Act 2009* (the Act) and the preparation and lodgment of future financial reports must occur within these timelines.

In particular, sections 253 and 254 of the Act require that a General Purpose Financial Report (GPFR) and an Operating Report be prepared as soon as practicable after the end of the financial year. Further, section 266 requires that the financial report be presented to a general meeting of members or a committee of management meeting within six months after the end of the financial year. In the absence of an extension of time for holding a general meeting [see section 265(5)] the latest possible date of lodgment with Fair Work Australia is six months and 14 days after the end of the financial year. I have attached a link to the document which sets out the timelines in diagrammatical form - http://www.fwa.gov.au/documents/organisations/factsheets/RO_factsheet_9.pdf.

In future years the financial reports need to be prepared in sufficient time to enable presentation to a meeting within six months after the end of the financial year and lodged with Fair Work Australia no later than 14 days after that meeting.

References to Schedule 1B

The Designated Officer's Certificate and note 10 in the GPFR contain references to Schedule 1B of the *Workplace Relations Act 1996*. Such references should have been to Schedule 1 of the *Workplace Relations Act 1996*. NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Workplace Relations Act 1996.

Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets.

The following is a summary of the material accounting policies adopted by the Branch in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue Recognition

(i) Membership Capitation Fee

The dues are collected by the Union and remitted to the Branch by the middle of the month after they fall due and at this point recognised in the Branch's accounts.

(ii) Other Revenue

Other revenue comprises revenue earned from the provision of products or services and interest on monies deposited. These revenues are recognised when the goods or services are provided, or when the fee in respect of services provided is receivable.

(b) Property, Plant & Equipment

Property, plant and equipment are recorded at cost. Depreciation of property, plant, and equipment is calculated on the straight-line basis in order to write the assets off over their estimated useful lives.

(c) Allowance for Doubtful Debts

Allowance for doubtful debts is recognised when collection of trade debtors in full is no longer probable. Collectability of overdue accounts is assessed on an ongoing basis.

(d) Investments

Investments in unlisted companies and unit trusts are carried at the lower of cost and recoverable amount. Loans relating to the investments are offset against the carrying value of the investment to represent the Union's net interest in the investment.

AUSTRALIAN CATHOLIC UNIVERSITY BRANCH**

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Income Tax

No provision for Income Tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 of the Income tax Assessment Act.

(f) Cash Flows

For the purpose of the cash flow statement, cash includes cash on hand and held at call with banks, net of bank overdrafts.

(g) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

(h) Financial Instruments

Financial Assets

Term deposits (note 3)

Term deposits are valued at cost. Interest is recognised as it accrues. Total weighted average interest rate at balance date was nil (2007:2%).

Receivables (note 4)

Receivables are carried at the nominal amounts due less any allowance for doubtful debts when applicable. Receivables are unsecured and credit terms are usually up to 30 days.

Financial Liabilities

Payables

Liabilities are recognised for amounts to be paid in the future for goods or services received as at balance date, whether or not invoices have been received. Payables are unsecured, not subject to interest charges and are normally settled within 30 days of invoice receipt.

AUSTRALIAN CATHOLIC UNIVERSITY BRANCH**

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(i) Economic Dependency

The Branch is not economically dependant on any other reporting units of the organisation.

(j) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments and bank overdrafts. Bank overdrafts are shown as part of cash and cash equivalents and reduce the amount shown as cash at bank.

(k) Transfer of net assets to NTEU Fund

At 30 June 2008 all assets and liabilities of NTEU branches and divisions were transferred to the NTEU Fund, in accordance with Schedule G of the registered rules. The transfer is a non-reciprocal transfer and has been accounted for as a contribution in accordance with AASB 1004 Contributions.

(l) New accounting standards and interpretations

Certain new Accounting Standards and interpretations have been published that are not mandatory for the 30 June 2008 reporting year. The entity has not, and does not intend to, adopt the following Standards early:

These changes will impact the presentation of the Financial Report but are not expected to impact the values disclosed.

In addition to those Accounting Standards listed above, the AASB has also released a number of other Accounting Standards and Australian Interpretations. 8. FINANCIAL INSTRUMENTS (continued)

(e) Market risk

The Branch's exposure to market risk is primarily through interest rate risk and other price risks with no exposure to foreign currency or interest rate risk. Objectives, policies and processes used to manage each of these risks are disclosed in the paragraphs below.

Interest rate risk

Exposure to interest rate risk might arise primarily through the Branch's cash & deposits. Minimisation of risk is achieved by mainly undertaking fixed rate or non-interest bearing financial instruments.

As the Branch does not hold any financial instruments at 30 June 2008, there is no exposure to interest rate risk or other price risks.

(f) Fair value

The fair values and net fair values of financial assets and financial liabilities are determined as follows:

- the fair value of financial assets and financial liabilities with standard terms and conditions and traded in active liquid markets are determined with reference to quoted market prices; and
- the fair value of other financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis.

The Branch considers that the carrying amount of financial assets and financial liabilities recorded in the financial report to be a fair approximation of their fair values.

9. RELATED PARTY INFORMATION

Remuneration of key management personnel

There are no key management personnel of the Branch whose remuneration requires separate disclosure.

Other related party transactions

During the year, there were no transactions with related parties which require separate disclosure other than the transfer of net assets already disclosed in Note 1.

The general purpose financial report and Executive Committee's responsibility

The general purpose financial report comprises the income statement, balance sheet, cash flow statement, statement of recognised income and expense, accompanying notes to the financial statements, and the committee of management statement of the National Tertiary Education Industry Union – Australian Catholic University Branch for the year ended 30 June 2008.

The Committee of the Union is responsible for the preparation and fair presentation of the financial report in accordance with the Workplace Relation Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect frauds and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Union. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatements. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitation of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia and the Workplace Relations Act 1996, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and the cash flows.

We formed our audit opinion on the basis of these procedures, which include:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the executive Committee.

While we considered the effectiveness of management internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance of internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion the general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the RAO Schedule of the Workplace Relations Act 1996.
