subitem 47(1) - continued application of Division 11 of Part IX of Workplace Relations Act 1996

(FR2003/423)

CERTIFICATE

On 11 August 2004 an application was made under former subsection 271A(1) of the *Workplace Relations Act 1996* (the WR Act) for a certificate of exemption by the Curtin University of Technology Branch of the National Tertiary Education Industry Union in respect of the financial year ended 30 June 2003. Subsection 271A(1) was a provision of Part IX, Division 11 of the WR Act, that Division being repealed on 12 May 2003 by the *Workplace Relations Legislation Amendment (Registration and Accountability of Organisations) (Consequential Provisions) Act 2002* (the RAOCP Act). However, by virtue of subitem 47(1) of the RAOCP Act, the operation of Part IX, Division 11 of the WR Act continues to apply to the Curtin University of Technology Branch of the National Tertiary Education Industry Union in respect of the financial year ended 30 June 2003.

Under the provisions of subitem 47(1) of the RAOCP Act and former subsection 271A(1) of the WR Act, I am satisfied that the Branch did not have any financial affairs in the year ended 30 June 2003.

Hi Mark

Thanks for your time today. As discussed following is a letter from the President, A/Prof Doug Yorke requesting exemption from lodgement of return as previously granted in 2002. Please let me know if there is any further information you require.

Can you advise when I can apply for exemption for financial year ending 2004?

Regards and many thanks
Erica

Dear Mr Powell,

**s271A Application
NTEU - Curtin University Branch**

The Curtin Branch of the NTEU exists largely on paper, as its business is effectively carried out by Curtin University Staff Association (CUSA). CUSA is an incorporated association, registered under the *WA Associations Incorporation Act 1987*.

This association collects fees on behalf of itself and the NTEU. It passes on a proportion of these fees to the NTEU National Office, and to the NTEU WA Division as required by them. Apart from procedural items all business is conducted by CUSA and then formally adopted by the NTEU branch. CUSA also holds all monies and property.

Consequently the Branch holds no property real or personal, has no funds, nor does it engage in any financial transactions.

Under the CUSA constitution all NTEU Branch members are automatically CUSA members and NTEU Branch office bearers are automatically CUSA office bearers.

We therefore request exemption under subsection 271A(1) of the Workplace Relations Act 1996 for the financial year ending June 2003.

Yours sincerely

Dear Mr Errington

**Re: National Tertiary Education Industry Union

Outstanding Financial Documents - *Workplace Relations Act 1996***

Our records show you have not lodged in the Industrial Registry the financial documents of the abovenamed body, prepared in accordance with Part IX, Division 11 of the *Workplace Relations Act 1996* ('the Act'), for the year ended 30 June, 2003.

As you would be aware the financial reporting obligations of the Act have changed with the introduction of the *Registration and Accountability of Organisations Schedule* (the RAO Schedule) which generally came into operation on 12 May 2003. Part IX, Division 11 of the Act continues to apply in relation to a financial year that ended on 30 June, 2003. The corresponding obligations set out in the RAO Schedule apply to each financial year of an organisation that started on or after 1 July 2003.

We will write to you soon about what you must do for the financial year which has just ended. Until we do so you should discuss the new requirements with your accountant or auditor.

You should also lodge the outstanding financial documents *before 30 July 2004*.

You may contact me on (03) 8661 7993 if you wish to discuss this letter.

In reply please quote: **FR2003/423**.
