My name is Matthew McGowan; I am the Victorian Division Secretary of the National Tertiary Education Union. I am making this application at the request of and on behalf of the above named Branches, all of which are small branches with no office bearers.

In consideration of s271A of the Act, I apply for a certificate to exempt the Branch from the requirements of the Act relating to financial matters occurring in the year ending 30 June 2005.

In support of the application I state:

5. Members pay their union dues individually by either direct debit or invoice to the National Office. No dues are paid through the Branch.
6. A small sustenance amount per member is remitted back to the Division Office, to be used if required for any activities on behalf of the members. The amount involved is less than \$100 per year.
7. The Branch does not have any obligations which require it to hold its own funds.
8. The Branch's financial affairs will therefore, under sub rule 40.A1, become the responsibility of the Victorian Division and expenditure is recorded through an imprest system and duly audited within the Division's own financial reports.

Dear Mr Hodder

Re: Financial Return – year ending 30 June, 2005

I remind you that your branch is required to lodge relevant financial documents in the Registry by 14 January 2006. This date may seem a long way off, as you know the financial reporting process involves a number of steps before the branch can present the documents to a general meeting and subsequently lodge the documents in the Registry. If you have not already commenced the process I suggest you give consideration to doing so.

The Industrial Registrar attaches importance to reporting units both fully satisfying the obligations under Schedule 1B and to those obligations being discharged within the requisite timeframes. In the absence of full compliance with your obligations, I advise the financial report will not be filed. Further, as you are probably aware, the legislation provides for civil penalties where various requirements of the Schedule are not met. I advise future non-compliance with relevant provisions may attract a penalty(s) as appropriate.

The Industrial Registrar is therefore keen to assist organisations fully satisfy the requirements of Schedule 1B. If you have any concerns regarding your obligations under the Act and how you can ensure full compliance with the current legislative requirements, I encourage you to contact me by telephone on (03) 8661 7993 or email me at larry.powell@air.gov.au.

Finally, to assist you in the preparation of your financial documents I remind you that you may access the Act, Regulations and Reporting Guidelines via the Commission's website at www.airc.gov.au. You will also find a number of fact sheets which provide information on various aspects of your financial reporting guidelines. In particular you will find a diagrammatic summary of the financial reporting process at
