Dear Ms Savage

Re: Financial Report for the National Tertiary Education Industry Union, Northern Territory Division for year ended 30 June 2008 – FR2008/427

I acknowledge receipt of the financial report for the National Tertiary Education Industry Union, Northern Territory Division for the year ended 30 June 2008. The report was lodged with Fair Work Australia on 10 July 2009.

The financial report has now been filed.

I appreciate for the financial year ended 30 June 2009 it is anticipated that, in accordance with the scheme of the organisation's rules, all financial affairs will be administered by the organisation (through its national office) and accounted for accordingly. None the less I draw your attention to a number of matters in the present report which, in the event the Branch was required to again prepare a financial report, it should take into account to achieve full compliance.

You are not required to take any further action in respect of the report lodged.

Presentation of the full report to a general meeting

Section 265(5)(a) of the *Fair Work (Registered Organisations) Act 2009* (the Act) requires that the general meeting of members is to be held within six months of the end of the financial year and that copies of the report are to be provided to members 21 days prior to that meeting. Future reports should be distributed as required by section 265(5)(a) of the Act.

Schedule 1

Reference to Schedule 1B of the *Workplace Relations Act 1996*, should properly refer to Schedule 1 and note that from 1 July 2009 shall be the *Fair Work (Registered Organisations) Act 2009*.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Workplace Relations Act 1996.

Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets.

The following is a summary of the material accounting policies adopted by the Division in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue Recognition

(i) Membership Capitation Fee

The membership capitation fee revenue represents 0.47% (2007: 0.47%) of members' salary. The dues are collected by the Branches and remitted to the Division by the middle of the month after they fall due and at this point recognised in the Division's accounts.

(ii) Other Revenue

Other revenue comprises revenue earned from the provision of products or services and interest on monies deposited. These revenues are recognised when the goods or services are provided, or when the fee in respect of services provided is receivable.

(b) Property, Plant & Equipment

Property, plant and equipment are recorded at cost. Depreciation of property, plant, and equipment is calculated on the straight-line basis in order to write the assets off over their estimated useful lives.

(c) Allowance for Doubtful Debts

Allowance for doubtful debts is recognised when collection of trade debtors in full is no longer probable. Collectability of overdue accounts is assessed on an ongoing basis.

(d) Investments

Investments in unlisted companies and unit trusts are carried at the lower of cost and recoverable amount. Loans relating to the investments are offset against the carrying value of the investment to represent the Union's net interest in the investment.

**NATIONAL TERTIARY EDUCATION INDUSTRY UNION --
NORTHERN TERRITORY DIVISION**

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(e) Impairment of Assets

At each reporting date, the Division reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value-in-use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable value is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the Division estimates the recoverable amount of the cash generating unit to which the asset belongs.

(f) Employee Benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and long service leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs.

Liabilities for employee entitlements, which are not expected to be settled within 12 months, are measured at the present value of the estimated future cash outflows to be made for those benefits.

In determining the liability for employee entitlements, consideration has been given to future increases in wage and salary rates, and the economic entity's experience with staff departures. Related on-costs have also been included in the liability.

(g) Income Tax

No provision for Income Tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 of the Income tax Assessment Act.

(h) Cash Flows

For the purpose of the cash flow statement, cash includes cash on hand and held at call with banks, net of bank overdrafts.

(i) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

NATIONAL TERTIARY EDUCATION INDUSTRY UNION --
NORTHERN TERRITORY DIVISION

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(j) Leases

Leases of fixed assets where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the association are classified as finance leases.

Finance leases are capitalised by recording an asset and a liability at the lower of the amount equal to the fair value of the leased property or the present value of the minimum lease payments, including any guaranteed residual values. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Leased assets are depreciated on a straight-line basis over their estimated useful lives where it is likely that the association will obtain ownership of the asset or ownership over the term of the lease.

Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

Lease incentives under operating leases are recognised as a liability and amortised on a straight-line basis over the life of the lease term.

(k) Financial Instruments

Financial Liabilities

Payables (Note 5)

Liabilities are recognised for amounts to be paid in the future for goods or services received as at balance date, whether or not invoices have been received. Payables are unsecured, not subject to interest charges and are normally settled within 30 days of invoice receipt.

(l) Allocation of Current and Non-Current

An Asset or a Liability shall be classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the entity's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the entity does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities shall be classified as non current.

NORTHERN TERRITORY DIVISION**

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(m) Economic Dependency

The Division is not economically dependent on any other reporting units of the organisation.

(n) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments and bank overdrafts. Bank overdrafts are shown as part of cash and cash equivalents and reduce the amount shown as cash at bank.

(o) Borrowing Costs

Borrowing costs directly attributed to the acquisition of assets that necessarily take a substantial period of time to prepare for their intended use or sale, are added to the costs of those assets, until such time as the assets are substantially ready for their intended use or sale.

All other borrowing costs are recognised in expenses in the period in which they are incurred.

(p) Transfer of net liabilities to NTEU Fund

At 30 June 2008 all assets and liabilities of NTEU branches and divisions were transferred to the NTEU Fund, in accordance with Schedule G of the registered rules. The transfer is a non-reciprocal transfer and has been accounted for as a contribution in accordance with AASB 1004 Contributions.

(q) New accounting standards and interpretations

Certain new Accounting Standards and interpretations have been published that are not mandatory for the 30 June 2008 reporting year. The entity has not, and does not intend to, adopt the following Standards early:

- Revised AASB 101 'Presentation of Financial Statements', AASB 2007-8 'Amendments to Australian Accounting Standards arising from AASB 101' and AASB 2007-10 'Further Amendments to Australian Accounting Standards arising from AASB 101' which are applicable to financial periods commencing on or after 1 January 2009. These changes will impact the presentation of the Financial Report but are not expected to impact the values disclosed.

In addition to those Accounting Standards listed above, the AASB has also released a number of other Accounting Standards and Australian Interpretations. The application of these Accounting Standards and Australian Interpretations are not applicable to the entity. Consequently, they have not been specifically identified above.

9. FINANCIAL INSTRUMENTS

(a) Significant accounting policies

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement, and the basis on which income and expenses are recognised, with respect to each class of financial asset, financial liability and equity instrument are disclosed in Note 1 to the financial statements.

(b) Categorisation of financial instruments

Cash and cash equivalents	3	N/A	-	89,285
Financial liabilities				
Payables	5	Financial liabilities measured at amortised cost	-	45,007

(c) Credit risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The Division's maximum exposure to credit risk at balance date in relation to each class of recognised financial asset is represented by the carrying amount of those assets as indicated in the balance sheet.

Financial assets that are either past due or impaired

Currently the Division does not hold any collateral as security nor credit enhancements relating to any of its financial assets.

As at the reporting date, there is no event to indicate that any of the financial assets are impaired.

There are no financial assets that have had their terms renegotiated so as to prevent them from being past due or impaired, and they are stated at the carrying amounts as indicated. The following table discloses the ageing only of financial assets that are past due but not impaired.

(d) Liquidity risk

Liquidity risk arises when the Division is unable to meet its financial obligations as they fall due. The Division operates under the policy of settling financial obligations within 30 days and in the event of a dispute, make payments within 30 days from the date of resolution. It also continuously manages risk through monitoring future cash flows and maturities planning to ensure adequate holding of high quality liquid assets and dealing in highly liquid markets.

The Division's exposure to liquidity risk is deemed insignificant based on prior periods' data and current assessment of risk. Maximum exposure to liquidity risk is the carrying amounts of financial liabilities.

9. FINANCIAL INSTRUMENTS (continued)

(e) Market risk

The Division's exposure to market risk is primarily through interest rate risk and other price risks with no exposure to foreign currency or interest rate risk. Objectives, policies and processes used to manage each of these risks are disclosed in the paragraphs below.

Interest rate risk

Exposure to interest rate risk might arise primarily through the Division's cash & deposits. Minimisation of risk is achieved by mainly undertaking fixed rate or non-interest bearing financial instruments.

As the Division does not hold any financial instruments at 30 June 2008, there is no exposure to interest rate risk or other price risks.

(f) Fair value

The fair values and net fair values of financial assets and financial liabilities are determined as follows:

- the fair value of financial assets and financial liabilities with standard terms and conditions and traded in active liquid markets are determined with reference to quoted market prices; and
- the fair value of other financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis.

The Division considers that the carrying amount of financial assets and financial liabilities recorded in the financial report to be a fair approximation of their fair values.

Scope

The general purpose financial report and Executive Committee's responsibility

The general purpose financial report comprises the income statement, balance sheet, cash flow statement, statement of recognised income and expense, accompanying notes to the financial statements, and the committee of management statement of the National Tertiary Education Industry Union – Northern Territory Division for the year ended 30 June 2008.

The Committee of the Union is responsible for the preparation and fair presentation of the financial report in accordance with the Workplace Relation Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect frauds and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Union. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatements. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitation of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia and the Workplace Relations Act 1996, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and the cash flows.

We formed our audit opinion on the basis of these procedures, which include:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the executive Committee.

While we considered the effectiveness of management internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance of internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion the general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the RAO Schedule of the Workplace Relations Act 1996.
