Dear Ms Savage

Financial reports of the National Tertiary Education Industry Union Sydney University Branch for the financial years ended 30 June 2005, 2006, 2007 and 2008 (FR2005/388, FR2006/309, FR2007/359 & FR2008/439)

I acknowledge receipt of the financial reports of the Sydney University Branch of the National Tertiary Education Industry Union for the financial years ended 30 June 2005, 2006, 2007 and 2008. The documents were lodged in the Industrial Registry on 26 June 2009. I acknowledge receipt of the revised auditor's opinion for each of the reports lodged with Fair Work Australia on 9 July 2009. I also acknowledge receipt of the lists of the Committees of Management for each of the reporting periods lodged with Fair Work Australia on 27 February 2010.

The financial reports have been filed.

I appreciate that from the financial year ended 30 June 2009 it is anticipated that, in accordance with the scheme of the organisation's rules, all financial affairs will be administered by the organisation (through its national office) and accounted for accordingly. None the less I draw your attention to a number of matters in the present reports which, in the event the Branch was required to again prepare a financial report, it should take into account to achieve full compliance.

You are not required to take any further action in respect of the report lodged.

1. Timescale Requirements

As you are aware, reporting units are required to undertake their financial reporting obligations in accordance with specified timelines. As the 2005, 2006, 2007 and 2008 reports have been completed, the relevant timelines are incapable of being remedied. However it should be noted that the timelines have not changed under the *Fair Work (Registered Organisations) Act 2009* (RO Act) and the preparation and lodgment of future financial reports must occur within these timelines.

In particular, [sections 253 and 254](#) of the RO Act require that a general purpose financial report (GPFR) and an operating report be prepared as soon as practicable after the end of the financial year. Further, [section 266](#) requires that the financial report be presented to a general meeting of members or a committee of management meeting within six months after the end of the financial year. In the absence of an extension of time for holding a general meeting [see [section 265\(5\)](#)] the latest possible date of lodgment with Fair Work Australia is six months and 14 days after the end of the financial year. I have attached a document which sets out the timelines in diagrammatical form.

In future years the financial reports need to be prepared in sufficient time to enable presentation to a meeting within six months after the end of the financial year and lodged with Fair Work Australia no later than 14 days after that meeting.

2. Operating Report

Membership of Committee of Management

Please note the operating report is required to contain the name of each person who has been a member of the committee of management of the reporting unit at any time during the reporting period, and the period for which he or she held such a position ([regulation 159\(c\) Fair Work \(Registered Organisations\) Regulations 2009](#)).

3. Required disclosures: contributions to and from another reporting unit of the organisation

Item 10(b) of the [reporting guidelines](#) requires that where contributions from another reporting unit are received, the amount and the name of each reporting unit are to be disclosed in either the profit and loss statement or the notes. Item 11(b) requires the disclosure of the amounts and names of other reporting units to which payments are made. The notes to the GPFRs for 2005, 2006 and 2007 state that membership fees were 'collected by the Branches and remitted to the Branch' and the 2008 GPFR states that fees were 'collected by the Union and remitted to the Branch.' The amounts and names of the reporting units from which revenue was received were not disclosed in any of the financial reports. In future years, if contributions are made to or received from another reporting unit, please ensure that the amounts and the names of the reporting units are disclosed.

Also, item 15 of the [reporting guidelines](#) requires that where another reporting unit of the organisation is the source of a cash inflow or the application of cash outflow, such cash flow should be separately disclosed in the notes to the financial statements and should show the name of the other reporting unit. In the financial reports, neither the cash flow statement nor the notes disclose cash flows between reporting units. In future years, if another reporting unit is the source of cash inflow or cash outflow, please ensure that such cash flow and the name(s) of the reporting unit(s) are disclosed.

4. Required disclosures: audit

Australian Accounting Standard 101 requires an entity to disclose the amounts paid (or payable to) the auditor for the audit and to separately disclose the nature and amount of non-audit services provided by the auditor. The income statement discloses an aggregate amount for accounting and audit fees. In future financial reports please ensure that the amount and nature of non-audit fees are disclosed separately from audit fees.

5. Material disclosures

I note that the 2005 Income Statement discloses \$19,068 as other unidentified expenses, which represents over 11% of total expenses and a nine-fold increase from 2004. This would appear to be a material item (AASB 1031). In future years please ensure that material items are disclosed either in the income statement or the notes (AASB 101).

6. Comparative Information

Australian Accounting Standard 101 requires that when comparative amounts are reclassified the nature of the reclassification, the amount of each item or class of each item reclassified and the reason for the reclassification be disclosed. I note that the income statement in the 2005 financial report reclassifies items of income and expenditure, but the nature of the reclassification, the amount of each item or class of items and the reason for the reclassification have not been disclosed. If comparative amounts are reclassified in future financial reports please ensure that these disclosures are made.

7. Employee Benefits

Australian Accounting Standard 119 requires entities to recognise short-term employee benefits (such as annual leave), long-term benefits (such as long service leave) and post employment benefits (such as retirement benefits). The financial reports for the years 2005, 2006 and 2007 do not contain a policy regarding employee benefits, however I note that the 2008 financial report does set out such a policy. In future reports please ensure that the notes contain an employee benefits policy.

Also, the [reporting guidelines](#) require reporting units to disclose in the income statement or in the notes employee benefits to *holders of office* (item 11(g)) separately from employee benefits to *other employees* (item 11(h)). The reporting guidelines also require either the balance sheet or the notes to disclose any liability for employee benefits in respect of *office holders* separately from *other employees* (items 14(c) and 14 (d)).

I note that the income statement and the provisions for superannuation in the notes do not distinguish between benefits for *office holders* and *other employees*. Provisions for *office holders* and *other employees* should be separately disclosed.

8. References to Schedule 1B

The Designated Officer's Certificate and notes to the GPFRs contain references to Schedule 1B of the *Workplace Relations Act 1996*. Since 2006 such references should have been to Schedule 1 of the *Workplace Relations Act 1996*. Please note that for actions on or after 1 July 2009 documents should refer to the *Fair Work (Registered Organisations) Act 2009*.

If you wish to discuss any matters further, I can be contacted on 03 8661 7929 or via email eve.anderson@fwa.gov.au.

Yours sincerely

COMMITTEE OF MANAGEMENT STATEMENT

FOR THE YEAR ENDED 30 JUNE 2006

On 1/6/2009 the Committee of Management of the National Tertiary Education Industry Union University of Sydney Branch passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 30 June 2006:

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements comply with the reporting guidelines of the Industrial Registrar;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - i. meetings of the committee of management were held in accordance with the rules of the organisation including the rules of the Branch concerned; and
 - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a Branch concerned: and
 - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RAO Schedule and the RAO Regulations; and
 - iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
 - v. the information sought in any request of a member of the reporting unit or a Registrar duly made under section 272 of the RAO Schedule has been furnished to the member or Registrar; and
 - vi. there has been compliance with any order for inspection of financial records made by the Commission under section 273 of the RAO Schedule.
- (f) during the financial year, the Branch did not partake in any recovery of wages activity.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2006

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Workplace Relations Act 1996.

Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets.

The following is a summary of the material accounting policies adopted by the Branch in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue Recognition

(i) Membership Capitation Fee

The membership capitation fee revenue represents 0.23% of members' salary. The dues are collected by the Branches and remitted to the Branch by the middle of the month after they fall due and at this point recognised in the Branch's accounts.

(ii) Other Revenue

Other revenue comprises revenue earned from the provision of products or services and interest on monies deposited. These revenues are recognised when the goods or services are provided, or when the fee in respect of services provided is receivable.

(b) Income Tax

No provision for Income Tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 of the Income tax Assessment Act.

(c) Cash Flows

For the purpose of the cash flow statement, cash includes cash on hand and held at call with banks, net of bank overdrafts.

(d) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Payables are stated with the amount of GST included.

An Asset or a Liability shall be classified as current when it satisfies any of the following criteria:

(a) it is expected to be settled in the entity's normal operating cycle;

(b) it is held primarily for the purpose of being traded;

(c) it is due to be settled within twelve months after the reporting date; or

(d) the entity does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities shall be classified as non current.

Scope

The financial report and Executive Committee's responsibility

The financial report comprises the income statement, balance sheet, cash flow statement, statement of changes in equity, accompanying notes to the financial statements, and the Executive Committee's statement of the National Tertiary Education Industry Union- University of Sydney Branch for the year ended 30 June 2006.

The Executive Committee of the Union is responsible for the preparation and fair presentation of the financial report in accordance with the Workplace Relation Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect frauds and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Union. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatements. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitation of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia and the Workplace Relations Act 1996, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and the cash flows.

We formed our audit opinion on the basis of these procedures, which include:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the executive Committee.

While we considered the effectiveness of management internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance of internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion, the financial report of National Tertiary Education Industry Union- University of Sydney presents a true and fair view in accordance with applicable Accounting Standards and other mandatory professional requirements in Australia and the Workplace Relations Act 1996 the financial position of National Tertiary Education Industry Union- University of Sydney Branch as at 30 June 2006, and the results of its operation and its cash flows for the year then ended.

Dear Mr McCulloch

Financial reports of the NTEU Sydney University branch for the financial years ended 30 June for 2005, 2006, 2007 and 2008 (FR2005/388, FR2006/309, FR2007/359 & FR2008/439)

I acknowledge receipt of the financial reports of the Sydney University Branch of the National Tertiary Education Industry Union for the financial years ended 30 June 2005, 30 June 2006, 30 June 2007 and 30 June 2008. The documents were lodged in the Industrial Registry on 29 June 2009.

I have examined the financial reports and two matters need to be addressed before the reports can be filed.

Auditor's Opinion

As advised in the email from Kevin Donnellan of this office, sent 2 July 2009, section 257(5) of the RAO Schedule required the auditor to express an opinion as to whether the reports are presented fairly. As advised, new audit reports need to be prepared and lodged.

This requirement has not changed under the *Fair Work (Registered Organisations) Act 2009* (RO Act) and in future years auditors are required to express an opinion as to whether the reports have been presented fairly.

Operating Report: Committee of Management lists

Regulation 159 of the RAO Schedule to the WR Act required that the Operating Report provide the name of each person who was a member of the committee of management at any time during the reporting period, and the period for which he or she held office.

I note that Operating Reports for the financial years ended 30 June 2005, 2006 and 2007 disclose the names of the members of the Committee of Management at the end of the 2008 financial year. I also note that the Operating Report for 2008 discloses the names of the committee members at the start of the financial year, but does not disclose the names of other committee members elected or appointed during the financial year nor the periods for which the offices were held. Instead the names of the Committee members during each financial year and the period for which each person held office are required to be disclosed.

For the financial years ended 30 June 2005, 2006, 2007 and 2008 please provide the name of each person who was a member of the committee of management of the Sydney University branch of the NTEU at any time during the relevant financial year and identify for each person the period for which he or she held office.

This and other requirements regarding Operating Reports have not changed under the RO Act and its regulations and need to be satisfied in future years.

Scope

The general purpose financial report and Executive Committee's responsibility

The general purpose financial report comprises the income statement, balance sheet, cash flow statement, statement of changes in equity, accompanying notes to the financial statements, and the Executive Committee's statement of the National Tertiary Education Industry Union- University of Sydney Branch for the year ended 30 June 2006.

The Executive Committee of the Union is responsible for the preparation and fair presentation of the financial report in accordance with the Workplace Relation Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect frauds and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Union. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatements. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitation of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia and the Workplace Relations Act 1996, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and the cash flows.

We formed our audit opinion on the basis of these procedures, which include:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the executive Committee.

While we considered the effectiveness of management internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance of internal controls.

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion the general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the RAO Schedule of the Workplace Relations Act 1996.
