AUDIT REPORT
FOR THE YEAR TO 30 JUNE 2000

SCOPE

We have audited the financial report of the National Tertiary Education Industry Union – Central Queensland University Division for the year to June 30, 2000. The members of the Committee are responsible for the preparation and presentation of the financial report and the information contained therein. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of the National Tertiary Education Industry Union – Central Queensland University Division.

Our audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial report is free of material misstatement. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial report, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial report is presented fairly so as to present a view which is consistent with our understanding of the National Tertiary Education Industry Union – Central Queensland University Division financial position and the results of its operations.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In accordance with Subsection 276(4) of the Workplace Relations Act 1996, we state that, in our opinion:

(a) During the year to June 30, 2000, the organisation maintained satisfactory accounting records, including:

Records of the sources and nature of the income of the organisation (including income from members); and
Records of the nature and purposes of the expenditure of the organisation, and

The accounts and statements prepared under section 273 in relation to the year to June 30, 2000 were properly drawn up so as to give a true and fair view of:

The financial affairs of the organisation as at the end of the year, and
The income and expenditure, and any surplus or deficit, of the organisation for the year.

(b) All the information and explanations that, under subsection (2), officers or employees of the organisation were required to provide were provided.

There was no deficiency, failure or shortcoming in relation to the matters referred to in paragraph (a) or (b) to be reported.

Dear Mr. Coughlan,

**Re: Financial returns for years ended 30 June 2000 and 30 June 2001
FR 2002/13 and 14**

Reference is made to the financial documents of the Central Queensland University Branch of the National Tertiary Education Industry Union for the years ended 30 June 2000 and 30 June 2001. The documents were lodged in the Industrial Registry on 8 January 2002.

Examination of the financial documents for the year ended 30 June 2000 has shown that matters requiring advice have either been corrected or repeated in relation to the Branch's financial documents for the year ended 30 June 2001.

The following matter in relation to the financial documents for the financial years 30 June 2000 and 30 June 2001 concerning the financial reporting requirements of the Workplace Relations Act 1996, requires your further attention; your written response to this matter is requested by Monday, 25 February 2002

1. Auditor's Report

Subsection 276(4) of the Act requires an auditor to state, whether in the auditor's opinion:

- "(a)(i) there were kept by the organisation in relation to the year satisfactory accounting records, including:
 - (A) records of the sources and nature of the income of the organisation (including income from members); and
 - (B) records of the nature and purposes of the expenditure of the organisation; and
- (ii) the accounts and statements prepared under section 273 in relation to the year were properly drawn up so as to give a true and fair view of:
 - (A) the financial affairs of the organisation as at the end of the year; and
 - (B) the income and expenditure, and any surplus or deficit, of the organisation for the year; and
- (b) whether all the information and explanations that, under subsection (2), officers or employees of the organisation were required to provide were provided;

and, in addition, the auditor shall state in the report particulars of any deficiency, failure or shortcoming in relation to a matter referred to in paragraph (a) or (b)."

The auditor's reports do not provide the above statements.

Would you please bring this matter to the attention of the auditor and request the auditor to forward to this office amended auditor's reports.

The following matters in relation to the year ended 30 June 2001 are referred for assistance when preparing future financial documents; no further action is requested in respect of these:

2. Dating of Certificates/Reports

It is noted that the accounting officer's and committee of management certificates are undated.

All certificates should be dated as a matter of course.

As the date of the auditor's report sets in train the timescales in which the financial documents are to be distributed to members, presented to a meeting and lodged with the Registrar it is an essential element of the report.

Would you please ensure in future that all certificates and the auditor's report are dated.

3. Committee of Management Certificate

The committee of management certificate was not completed correctly.

The committee of management should have provided a statement to the effect that the organisation has complied with subsection 279(1) and (6) of the Act in relation to the financial accounts in respect of the year ended 30 June 2000, and the auditor's report thereon.

It should be noted that this part of the committee of management's certificate always refers back to the preceding year.

4. Auditor's Report

It is not clear who the signatory to the auditor's report is.

Also, the signatory of the auditor's report has not indicated whether he is registered as a company auditor - refer regulation 112.

It is the attitude of this Office that the above should be evident to members in the published financial documents.

5. Prescribed information notice

There should be included in the accounts a notice drawing attention to provisions of the Act that prescribed information is available to members on request and which sets out a copy of subsections 274(1), (2) and (3) - refer subsection 274(4) of the Act.

6. Timescale Provisions

Unless an extension is granted, financial documents should be lodged in the Industrial Registry within 14 days of the meeting at which they were presented - refer subsection 280(1).

Outstanding financial returns

There is no record of the receipt in this Office of the financial documents of the Central Queensland University Branch in respect of the year ended 30 June 1999.

I note in your letter dated 11 September 2001 your advice that the financial documents for the year ended 30 June 1999 are being prepared. I also note Mr. verbal advice to Mr. Lapierre of this office on 11 September 2001 advising that the financial documents should be ready for auditing by the end of September 2001.

Your advice would be appreciated before Monday, 25 February 2002 as to when lodgement, under cover of your certification in accordance with subsection 280(1), may be expected.

Should you wish to discuss this letter or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 8661 7993.

Financial Reporting Obligations under *Workplace Relations Act 1996*
FR: 2001/274**

There is no record of lodgement in the Industrial Registry of the auditor's report, accounts and statements of the abovenamed body for the financial year ended 30 June 2000.

An organisation registered under the *Workplace Relations Act 1996* ('the Act'), or a branch of such an organisation is required after the end of its financial year to prepare accounts and statements, obtain an auditor's report, provide copies of the auditor's report, accounts and statements ('the financial documents') to its members, present the financial documents to a meeting of members or committee of management, and lodge copies of such documents in the Industrial Registry.

Having in mind the time-scales allowed by the Act to complete each of these steps, the financial documents for year ended 30 June 2000 should have been lodged before 31 March 2001.

I request your written advice before Wednesday 13 June 2001 as to when lodgement of copies of the financial documents in the Industrial Registry may be expected.

Please note that financial documents must be lodged under cover of a certificate by you that the documents so lodged are copies of the documents presented to the relevant meeting - such certificate should specify the type of meeting and the date when the meeting was held.

Should you wish to discuss this letter please contact me on (03) 8661 7989.
