Dear Ms Savage

Financial report of the National Tertiary Education Union University of Western Sydney branch for the financial year ended 30 June 2008 (FR2008/445)

I acknowledge receipt of the financial report of the University of Western Sydney Branch of the National Tertiary Education Industry Union for the financial year ended 30 June 2008. The documents were lodged in the Industrial Registry on 26 June 2009. I also acknowledge receipt of the revised auditor's opinion lodged with Fair Work Australia on 9 July 2009.

The financial report has been filed.

I appreciate for the financial year ended 30 June 2009 it is anticipated that, in accordance with the scheme of the organisation's rules, all financial affairs will be administered by the organisation (through its national office) and accounted for accordingly. None the less I draw your attention to a number of matters in the present report which, in the event the Branch was required to again prepare a financial report, it should take into account to achieve full compliance.

You are not required to take any further action in respect of the report lodged.

1. Timescale Requirements

As you are aware, reporting units are required to undertake their financial reporting obligations in accordance with specified timelines. As the 2008 report has been completed, the relevant timelines are incapable of being remedied. However it should be noted that the timelines have not changed under the *Fair Work (Registered Organisations) Act 2009* (RO Act) and the preparation and lodgment of future financial reports must occur within these timelines.

In particular, sections 253 and 254 of the RO Act require that a General Purpose Financial Report (GPFR) and an Operating Report be prepared as soon as practicable after the end of the financial year. Further, section 266 requires that the financial report be presented to a general meeting of members or a committee of management meeting within six months after the end of the financial year. In the absence of an extension of time for holding a general meeting [see section 265(5)] the latest possible date of lodgment with Fair Work Australia is six months and 14 days after the end of the financial year. I have attached a document which sets out the timelines in diagrammatical form.

In future years the financial reports need to be prepared in sufficient time to enable presentation to a meeting within six months after the end of the financial year and lodged with Fair Work Australia no later than 14 days after that meeting.

2. Operating Report

Membership of Committee of Management

The operating report contained a list of office holders as at the end of the financial year and changes to the committee during the year, as required under regulation 159(c) of the *Fair Work (Registered*

Organisations) Regulations 2009. However the list seems to contain errors. For example Mr R Elenor is noted as becoming a member of the committee on 5 February 2008, but is not listed as being a member of the committee at the end of the financial year. If Mr Elenor resigned before the end of the financial year, that should be noted. Also Ms N Smith is noted as resigning on 1 May 2008 but is included in the list of committee members at the end of the financial year. Also there appear to be several discrepancies when compared with list of committee members lodged with NTEU Annual return for 2008. Please ensure that future reports contain an accurate list, specifying the name of each person who has been a member of the committee of management of the reporting unit at any time during the reporting period, and the period for which he or she held such a position.

3. Required disclosures: contributions to and from another reporting unit of the organisation

Item 10(b) of the Reporting Guidelines requires that where contributions from another reporting unit are received, the amount and the name of each reporting unit are to be disclosed in either the profit and loss statement or the notes. Also item 15 of the Reporting Guidelines requires that where another reporting unit of the organisation is the source of cash inflow or the application of cash outflow, such cash flow should be separately disclosed and the name of other reporting unit be shown in the notes.

Note 1 in the GPFR states that dues were "collected by the Union and remitted to the Branch." However the amount and the name of the reporting unit was not disclosed as required under item 10(b) of the Reporting Guidelines, nor are any cash flows disclosed (item 15). Also note 2 discloses a subsidy of \$500. The name of the reporting unit which provided this subsidy should be disclosed.

If contributions are made or received from another reporting unit of the NTEU, any such contributions and the name(s) of the reporting unit(s) should be disclosed either in the income statement or the notes in future financial reports. Also the name(s) of the reporting unit(s) and the amount of any cash flows between reporting units are to be disclosed in the notes.

4. Employee Benefits

The Reporting Guidelines require reporting units to disclose in the income statement or in the notes employee benefits to holders of office (item 11(g)) and employee benefits to other employees (item 11(h)). I note that the income statement does not distinguish between employee benefits for office holders and other employees. Employee benefits for office holders and other employees should be separately disclosed.

The Reporting Guidelines also require either the balance sheet or the notes disclose any liability for employee benefits in respect of office holders and other employees (items 14(c) and 14 (d)). Note 5 discloses these liabilities but does not distinguish between provisions for office holders and other employees. Provisions for office holders and other employees should be separately disclosed.

5. References to Schedule 1B

The Designated Officer's Certificate and note 10 in the GPFR contain references to Schedule 1B of the *Workplace Relations Act 1996*. Such references should have been to Schedule 1 of the *Workplace Relations Act 1996*. Designated Officer's Certificates prepared after 1 July 2009 should to refer to the *Fair Work (Registered Organisations) Act 2009*.

If you wish to discuss any matters further, I can be contacted on 03 8661 7929 or via email eve.anderson@fwa.gov.au.

Yours sincerely

Manner of resignation – s254(2)(c)

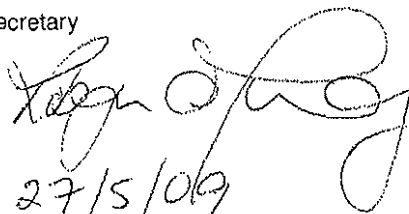

Members may resign from the Branch in accordance with Rule 11 (Resignation from Membership) which reads as follows:

- 11.1 A member may resign from membership by written notice addressed and delivered to the member's Division Secretary or Branch Secretary provided that:
- (a) Where a written notice of resignation is received by a Division Secretary, he or she shall as soon as practicable forward a copy of the notice of resignation to the appropriate Branch Secretary;
 - (b) Where a written notice of resignation is received by a Branch Secretary, he or she shall as soon as practicable forward a copy of the notice of resignation to the relevant Division Secretary.
- 11.2 A notice of resignation from membership takes effect:
- (a) where the member ceases to be eligible to become a member of the Union
 - (i) on the day on which the notice is received by the Union; or
 - (ii) on the day specified in the notice, which is a day not earlier than the day when the member ceases to be eligible to become a member;
 whichever is later; or
 - (b) in any other case:
 - (i) at the end of two weeks, or if permitted by law three months after the notice is received by the Union; or
 - (ii) on the day specified in the notice;
 whichever is later.
- 11.3 Any dues payable but not paid by a former member in relation to a period before the member's resignation took effect, may be sued for and recovered in the name of the Union in a court of competent jurisdiction, as a debt due to the Union.
- 11.4 A notice delivered to the Division Secretary or Branch Secretary shall be taken to have been received by the Union when it was delivered.
- 11.5 A notice of resignation that has been received by the Union is not invalid because it was not addressed and delivered in accordance with sub-rule 1 of this rule.
- 11.6 A resignation from membership is valid even if it is not effected in accordance with this rule if the member is informed in writing by or on behalf of the Union that the resignation has been accepted.
- 11.7 Cessation of payment of any dues, levies and other amounts by a member does not, of itself, terminate membership of the Union.

COMMITTEE OF MANAGEMENT STATEMENT

FOR THE YEAR ENDED 30 JUNE 2008

On 21/5/2009 the Committee of Management of the National Tertiary Education Industry Union – University of Western Sydney Branch passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 30 June 2008:

The Committee of Management declares in relation to the GPFR that in its opinion:

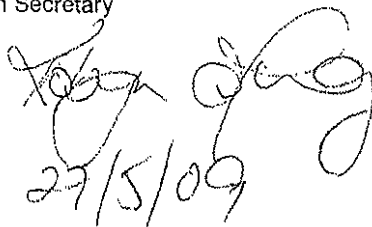

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements comply with the reporting guidelines of the Industrial Registrar;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable;
- (e) during the financial year to which the GPFR relates and since the end of that year:
 - i. meetings of the committee of management were held in accordance with the rules of the organisation including the rules of the Branch concerned; and
 - ii. the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a Branch concerned; and
 - iii. the financial records of the reporting unit have been kept and maintained in accordance with the RAO Schedule and the RAO Regulations; and
 - iv. where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
 - v. the information sought in any request of a member of the reporting unit or a Registrar duly made under section 272 of the RAO Schedule has been furnished to the member or Registrar; and
 - vi. there has been compliance with any order for inspection of financial records made by the Commission under section 273 of the RAO Schedule.
- (f) during the financial year ended 30 June 2008, the Branch did not participate in any recovery of wages activity.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. **SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards including Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Workplace Relations Act 1996.

Basis of Preparation

The financial report has been prepared on an accruals basis and is based on historical costs. It does not take into account changing money values or, except where stated, current valuations of non-current assets.

The following is a summary of the material accounting policies adopted by the Branch in the preparation of the financial report. The accounting policies have been consistently applied, unless otherwise stated.

(a) Revenue Recognition

(i) Membership Capitation Fee

The dues are collected by the Union and remitted to the Branch by the middle of the month after they fall due and at this point recognised in the Branch's accounts.

(ii) Other Revenue

Other revenue comprises revenue earned from the provision of products or services and interest on monies deposited. These revenues are recognised when the goods or services are provided, or when the fee in respect of services provided is receivable.

(b) Allowance for Doubtful Debts

Allowance for doubtful debts is recognised when collection of trade debtors in full is no longer probable. Collectability of overdue accounts is assessed on an ongoing basis.

(c) Investments

Investments in unlisted companies and unit trusts are carried at the lower of cost and recoverable amount. Loans relating to the investments are offset against the carrying value of the investment to represent the Union's net interest in the investment.

NATIONAL TERTIARY EDUCATION INDUSTRY UNION
UNIVERSITY OF WESTERN SYDNEY BRANCH

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(d) Impairment of Assets

At each reporting date, the Branch reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the assets fair value less costs to sell and value-in-use, is compared to the assets carrying value. Any excess of the assets carrying value over its recoverable value is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the Branch estimates the recoverable amount of the cash generating unit to which the asset belongs.

(e) Employee Benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits expected to be settled within one year together with benefits arising from wages and salaries, annual leave and long service leave which will be settled after one year, have been measured at the amounts expected to be paid when the liability is settled plus related on-costs.

Liabilities for employee entitlements, which are not expected to be settled within 12 months, are measured at the present value of the estimated future cash outflows to be made for those benefits.

In determining the liability for employee entitlements, consideration has been given to future increases in wage and salary rates, and the economic entity's experience with staff departures. Related on-costs have also been included in the liability.

(f) Income Tax

No provision for Income Tax is necessary as "Trade Unions" are exempt from income tax under Section 50-15 of the Income tax Assessment Act.

(g) Cash Flows

For the purpose of the cash flow statement, cash includes cash on hand and held at call with banks, net of bank overdrafts.

(h) Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of goods and services tax (GST), except where the amount of GST incurred is not recoverable from the Australian Tax Office (ATO). In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense.

Receivables and payables are stated with the amount of GST included.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 JUNE 2008

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(i) Financial Instruments

Financial Liabilities

Payables (Note 4)

Liabilities are recognised for amounts to be paid in the future for goods or services received as at balance date, whether or not invoices have been received. Payables are unsecured, not subject to interest charges and are normally settled within 30 days of invoice receipt.

(j) Allocation of Current and Non-Current

An Asset or a Liability shall be classified as current when it satisfies any of the following criteria:

- (a) it is expected to be settled in the entity's normal operating cycle;
- (b) it is held primarily for the purpose of being traded;
- (c) it is due to be settled within twelve months after the reporting date; or
- (d) the entity does not have an unconditional right to defer settlement of the liability for at least twelve months after the reporting date.

All other assets and liabilities shall be classified as non current.

(k) Economic Dependency

The Branch is not economically dependant on any other reporting units of the organisation.

(l) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments and bank overdrafts. Bank overdrafts are shown as part of cash and cash equivalents and reduce the amount shown as cash at bank.

(m) Transfer of net assets to NTEU Fund

At 30 June 2008 all assets and liabilities of NTEU branches and divisions were transferred to the NTEU Fund, in accordance with Schedule G of the registered rules. The transfer is a non-reciprocal transfer and has been accounted for as a contribution in accordance with AASB 1004 Contributions.

1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONT'D)

(n) New accounting standards and interpretations

Certain new Accounting Standards and interpretations have been published that are not mandatory for the 30 June 2008 reporting year. The entity has not, and does not intend to, adopt the following Standards early:

- Revised AASB 101 'Presentation of Financial Statements', AASB 2007-8 'Amendments to Australian Accounting Standards arising from AASB 101' and AASB 2007-10 'Further Amendments to Australian Accounting Standards arising from AASB 101' which are applicable to financial periods commencing on or after 1 January 2009. These changes will impact the presentation of the Financial Report but are not expected to impact the values disclosed.

In addition to those Accounting Standards listed above, the AASB has also released a number of other Accounting Standards and Australian Interpretations. The application of these Accounting Standards and Australian Interpretations are not applicable to the entity. Consequently, they have not been specifically identified above.

8. FINANCIAL INSTRUMENTS

(a) Significant accounting policies

Details of the significant accounting policies and methods adopted, including the criteria for recognition, the basis of measurement, and the basis on which income and expenses are recognised, with respect to each class of financial asset, financial liability and equity instrument are disclosed in Note 1 to the financial statements.

(b) Categorisation of financial instruments

Financial assets	Note	Category	Carrying amount 2008	Carrying amount 2007
Cash and cash equivalents	3	N/A		13,934
Financial liabilities				
Payables	4	Financial liabilities measured at amortised cost		3,617

(c) Credit risk

Credit risk represents the loss that would be recognised if counterparties failed to perform as contracted. The Branch maximum exposure to credit risk at balance date in relation to each class of recognised financial asset is represented by the carrying amount of those assets as indicated in the balance sheet.

Financial assets that are either past due or impaired

Currently the Branch does not hold any collateral as security nor credit enhancements relating to any of its financial assets.

As at the reporting date, there is no event to indicate that any of the financial assets are impaired.

There are no financial assets that have had their terms renegotiated so as to prevent them from being past due or impaired, and they are stated at the carrying amounts as indicated. The following table discloses the ageing only of financial assets that are past due but not impaired.

(d) Liquidity risk

Liquidity risk arises when the Branch is unable to meet its financial obligations as they fall due. The Branch operates under the policy of settling financial obligations within 30 days and in the event of a dispute, make payments within 30 days from the date of resolution. It also continuously manages risk through monitoring future cash flows and maturities planning to ensure adequate holding of high quality liquid assets and dealing in highly liquid markets.

The Branch exposure to liquidity risk is deemed insignificant based on prior periods' data and current assessment of risk. Maximum exposure to liquidity risk is the carrying amounts of financial liabilities.

8. **FINANCIAL INSTRUMENTS (continued)**

(e) **Market risk**

The Branch exposure to market risk is primarily through interest rate risk and other price risks with no exposure to foreign currency or interest rate risk. Objectives, policies and processes used to manage each of these risks are disclosed in the paragraphs below.

Interest rate risk

Exposure to interest rate risk might arise primarily through the Branch cash & deposits. Minimisation of risk is achieved by mainly undertaking fixed rate or non-interest bearing financial instruments.

As the Branch does not hold any financial instruments at 30 June 2008, there is no exposure to interest rate risk or other price risks.

(f) **Fair value**

The fair values and net fair values of financial assets and financial liabilities are determined as follows:

- the fair value of financial assets and financial liabilities with standard terms and conditions and traded in active liquid markets are determined with reference to quoted market prices; and
- the fair value of other financial assets and financial liabilities are determined in accordance with generally accepted pricing models based on discounted cash flow analysis.

The Branch considers that the carrying amount of financial assets and financial liabilities recorded in the financial report to be a fair approximation of their fair values.

Scope

The financial report and Executive Committee's responsibility

The financial report comprises the income statement, balance sheet, cash flow statement, statement of recognised income and expense, accompanying notes to the financial statements, and the committee of management statement of the National Tertiary Education Industry Union – University of Western Sydney Branch for the year ended 30 June 2008.

The Committee of the Union is responsible for the preparation and fair presentation of the financial report in accordance with the Workplace Relation Act 1996. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect frauds and error, and for the accounting policies and accounting estimates inherent in the financial report.

Audit approach

We conducted an independent audit in order to express an opinion to the members of the Union. Our audit was conducted in accordance with Australian Auditing Standards in order to provide reasonable assurance as to whether the financial report is free of material misstatements. The nature of an audit is influenced by factors such as the use of professional judgment, selective testing, the inherent limitation of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with Accounting Standards and other mandatory financial reporting requirements in Australia and the Workplace Relations Act 1996, a view which is consistent with our understanding of the Union's financial position, and of its performance as represented by the results of its operations and the cash flows.

We formed our audit opinion on the basis of these procedures, which include:

- examining on a test basis, information to provide evidence supporting the amounts and disclosures in the financial report; and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the executive Committee.

While we considered the effectiveness of management internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance of internal controls.

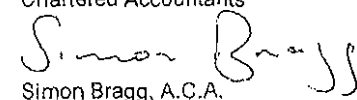

Independence

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

Audit Opinion

In our opinion, the financial report of National Tertiary Education Industry Union – University of Western Sydney Branch presents a true and fair view in accordance with applicable Accounting Standards and other mandatory professional requirements in Australia and the Workplace Relations Act 1996 the financial position of National Tertiary Education Industry Union – University of Western Sydney Branch as at 30 June 2008, and the results of its operation and its cash flows for the year then ended.

Subject: Audit Opinions for NTEU matters

Dear Jennifer, as indicated, the Audit Reports recently lodged by you contain Audit Opinions which are cast in terms of "a true and fair view". This wording was appropriate prior to the legislative changes in 2003. The legislative prescription now requires an auditor opinion that the report is "presented fairly". As you would most likely be aware, the preferred wording is:

"In our opinion the general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the RAO Schedule of the Workplace Relations Act 1996."

The financial reports which contain the opinions are:

University of Sydney – FR2005/388, FR2006/309, FR2007/359 and FR2008/439

Adelaide University – FR2008/394

Edith Cowan University – FR2008/405

Griffith University – FR2008/410

La Trobe University – FR2008/415

Monash University – FR2008/419

University of New England – FR2008/422

RMIT University – FR2008/432

Swinburne University – FR2008/438

University of South Australia – FR2008/443

University of Western Sydney – FR2008/445

Victoria University – FR2008/447

Could you arrange for new Audit Opinions to be prepared by your Auditor and lodged as soon as possible. Could you also ensure that if there are any other opinions, which fall into the same category and are yet to be lodged with Fair Work Australia, that the opinions are in the manner indicated above.

Regards

KEVIN DONNELLAN
