Dear Mr. Powell

Re: AR 2014/230 – Notification of Changes to Records s233(2) – Fair Work (Registered Organisations) Act 2009

I refer to the above, your correspondence dated 29 July 2014 and recent phone conversations with Assistant General Secretary Richardson.

As you are aware, the Union does not agree with your application of the relevant section of the Act.

For a considerable number of years the National Office and the branches of the Union have complied with s233 of the Act without the need to specify the occupation and/or postal address of officers elected or appointed in the periods between filing annual returns in March of each year.

Your reliance upon a policy infers a change of practise on the part of the Regulatory Compliance Branch in applying the relevant section.

The Union acknowledges that a change in policy as to the application of the Act may have occurred but believes that such change should be communicated to registered organisations in advance rather than require the redrafting and subsequent filing of amended or new declarations.

The fact that the Commission and its predecessors have seen fit to receive, without comment, declarations not materially different from that lodged by the Union in June 2014 supports the proposition that the Union has been correct in its attention to this matter.

Nonetheless, please find enclosed a replacement declaration containing the information you have requested.

I note that the Union sought a meeting to discuss this matter and that as of the date of this letter no reply had been forthcoming. In meeting its obligations under the Act the Union seeks consistency in the approach of the regulator as well as the opportunity to discuss that approach. Your correspondence lacks this characteristic.

Should you wish to discuss matters further, please contact Assistant General Secretary Paul Richardson on 03 9287 1850.

Dear Mr Richardson,

**Re Notification of changes made to the records of the National Union of Workers
[AR2014/230]**

Fair Work (Registered Organisations) Act 2009 (RO Act)

I acknowledge receipt of Notifications of Change of various Office Holders for the National Union of Workers.

This information was lodged with the Fair Work Commission (the FWC) on 30 June 2014 in accordance with s233(2) of the Fair Work (Registered Organisations) Act 2009 'the RO Act'.

The information lodged provided advice to changes to persons holding offices as General President and General Secretary of the organisation and Branch Secretary and Assistant Branch Secretary of the Victorian Branch of the organisation.

I note the information lodged did not provide either the postal address or occupation of the persons listed as holding the above offices.

As discussed in our recent telephone conversation, it is the policy of this Office that the postal address and occupation be provided when advice is received in relation to any change to the record mentioned in section 230(1)(c).

Section 230(1)(c) of the RO Act requires an organisation to keep a list of the names, postal addresses and occupations of the persons holding those offices.

Section 233(1)(b) requires an organisation to lodge with the FWC each year, among other things, a copy of the records required to be kept under section 230(1)(c).

Section 233(2) requires an organisation to lodge within 35 days of any change to the records (regulation 151 of the Fair Work (Registered Organisations) Regulations 2009) required to be kept under section 230(1)(c).

As an organisation is required to keep and lodge annually with the FWC the names, addresses and occupations of persons holding office within the organisation, it is also required to notify the FWC of any change to that record, including changes to the name, address and occupation of an office holder.

Would you please arrange lodgement of further information providing the above information for each of the office holders.

Yours sincerely,

A handwritten signature in black ink, appearing to read "L. Powell". The signature is written in a cursive style with a large initial "L" and a period at the end.

Dear Mr Powell,

Re: AR 2014/230, 199, 229 and 231 – Annual Return of Information

I refer to your correspondence dated 31 May 2014 in relation to the above returns.

In your letter you refer to four matters which I respond to in the same order.

- 1. Organisations to Lodge on Behalf of all Branches**
The amended practice of the Commission has been noted and will be reflected in the future practice of the Union.
- 2. New South Wales Branch Return (AR2014/231)**
I understand that an amended Attachment 2 has been forwarded to you by our New South Wales Branch.
- 3. Declarations**
The Union is of the view that paragraph 2 within the accompanying declarations satisfies the requirements of the Act.

Nonetheless, the Union will amend its practice, which we note has been acceptable to the General Manager and their predecessor for a considerable period of time as it relates to the entities that comprise the National Union of Workers.
- 4. General Branch**
The office of the Assistant Branch Secretary was created in 2013 and the omission from Attachment 1 to the return is an oversight.

Dear Mr Donnelly,

Annual Return of Information for 2014 [AR2014/230, 199, 229 and 231]

I acknowledge receipt on 31 March 2014 of your and Mr Roberts' Declarations and on 26 March 2014 of Mr Belan's and Mr Kennedy's Declarations providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* 'the RO Act'.

The documents lodged cover the required information for the 2014 Annual Return of Information of the National Union of Workers National Office and its General, New South Wales and Victorian Branches.

Organisation to lodge on behalf of all branches next year

Section 233 of the *Fair Work (Registered Organisations) Act 2009* requires an organisation to lodge a declaration and copies of information with the Fair Work Commission (the Commission) by the 31st March in each year. I note that in 2014 each branch of the National Union of Workers lodged a declaration and the required information. As section 233 places the onus of lodgement on the organisation and not each branch, it is the view of the Commission that the national body of the National Union of Workers is obliged to lodge all of the required information.

From 2015 the Commission intends to create one matter number for the National Union of Workers, instead of a matter number for each branch of National Union of Workers. The national body of the National Union of Workers will receive a reminder letter at the start of 2015. The branches will not receive a reminder letter.

From 2015 the national body of the National Union of Workers is requested to collate and lodge the information regarding the national body of the National Union of Workers and all of its branches. To assist with this task, I have attached a template annual return.

The annual returns for the National Office, General and Victorian Branches have been filed. In regard to the New South Wales Branch before the annual return can be filed receipt of the following information is required.

New South Wales Branch

Section 233 of the RO Act requires and organisation to lodge, among other information, a list of the names, postal addresses and occupations of person holding the offices. Attachment 2 to the annual return does not provide the offices which each office holder

holds. Would you please arrange lodgement of an amended list of office holders which provides the offices each Branch office holder holds.

The following matters are raised for your assistance in preparing future annual returns. No further action is required in relation to these.

Declaration

Section 233 of the RO Act requires declarations made in relation to an organisation's annual return of information to be certified by declaration signed by the secretary or other prescribed officer of the organisation to be a correct statement of the information contained in [records kept pursuant to section 230 of the Fair Work (Registered organisations) Act 2009]. Therefore please ensure that future annual returns and declarations of changes satisfy this requirement. Words to the effect of 'The information in this declaration is supplied in accordance with the provisions of the Fair Work (Registered Organisations) Act 2009 and is a correct statement of the records required to be kept under s230 of that Act' would satisfy this requirement.

I note this matter has been previously raised.

General Branch

Attachment 2 to the annual return which provides the list of the persons holding office within the Branch lists an Assistant Branch Secretary. Attachment 1 to the annual return which provides the list of offices of the Branch does not list the Assistant Branch Secretary. Also, the annual return of the National Office of the organisation relating to the list of offices of the General Branch also makes no mention of the Assistant Branch Secretary.

In future, please ensure the list of offices lists all offices.
