Dear Anthony Tassone

The Pharmacy Guild of Australia-Victoria Branch's Officer and related party disclosure statement (ORP Statement)

Thank you for providing your ORP statement. Your ORP statement includes information required to be provided to your members and lodged under subsection 293J of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

Your advanced review

Your ORP statement had an **advanced review** which is a comprehensive review that evaluates compliance with the requirements of the RO Act.

Your ORP statement has been uploaded to the ROC website.

You do not need to do anything further this year. The following comments are made to assist you when you prepare next year's ORP statement.

Some payments to related parties and declared persons or bodies omitted

Your ORP statement omitted some payments to related parties. For example, disclosures that are required to be made include each payment made by the Branch to a related party of the Branch, where the related party is an entity controlled by the Branch, other than those entities which are set out in s. 9B(1) of the RO Act.

Payments to related parties must be disclosed in ORP statements (see s. 293G).

Hint: see our [guidance note about disclosures required by organisations and branches](#) for information about payments to related parties and declared persons or bodies.

Some payments to related parties do not need to be disclosed in the ORP statement (s. 293G of the RO Act). These exemptions are explained in our [guidance note about disclosures required by organisations and branches](#).

Please ensure that next year's ORP statement discloses non-exempt payments to related parties and all payments to declared persons or bodies.

The ROC's risk-based approach

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a comprehensive review. The ROC's [advanced review checklist](#) is published on our website.

This year your ORP statement was assessed against an advanced review.

Do you have questions?

Important information and education materials will be available to you in time for next year's ORP statement. We recommend you [subscribe to the ROC's subscription service!](#)
