POLICE FEDERATION OF AUSTRALIA NOTES TO AND FORMING PART OF THE ACCOUNTS FOR THE YEAR ENDED 30 JUNE 2004

1. STATEMENT OF ACCOUNTING POLICIES

The financial statements are a general purpose financial report that has been prepared in accordance with applicable Accounting Standards and other mandatory professional reporting requirements (Urgent Issues Group Consensus Views). The financial statements have also been prepared on the basis of historical costs and do not take into account changing money values or except where stated, current valuations of now current assets. Cost is based on the fair values of the consideration given in exchange for assets. The accounting policies have been consistently applied, unless otherwise stated.

The following is a summary of the significant accounting policies adopted by the economic entity in the preparation of the financial statements.

- (a) Depreciation
 - Depreciation of fixed assets is calculated on the straight line method in order to write off the assets over their useful lives.
- (b) Employee Entitlements

Provision for employee benefits in the form of Long Service Leave and Accrued Annual Leave have been made for the estimated accrued entitlements of all employees on the basis of their terms of employment. Long Service Leave has been calculated with reference to period of service and current salary rates. Contributions are made by the entity to an employee superannuation fund and are charged as expense when incurred.

- (c) Leases
 - Lease payments for operating leases, where substantially all the risks and benefits remain with the lessor are charged as expenses in the periods in which they are incurred.
- (d) Income Tax

No provision for Income Tax expense has been brought to account as the income of the Federation is exempt from Income Tax under Sections 50-15 of the Income Tax Assessment Act 1997.

2. INFORMATION TO BE PROVIDED TO MEMBERS OR REGISTRAR

In accordance with the requirements of the Workplace Relations Act 1966, the attention of members is drawn to the provisions of Sub-Sections (1), (2), and (3) of Section 274 which read as follows: -

- (1) A member of an organisation, or a Registrar, may apply to the organisation for specified prescribed information in relation to the organisation.
- (2) An organisation shall, on application made under Sub-Section (1) by a member of the organisation or a Registrar, make the specified information available to the member or Registrar in such manner, and within such time, as is prescribed.
- (3) A Registrar may only make an application under Sub-Section (1) at the request of a member of the organisation concerned, and the Registrar shall provide to a member information received because of an application made at the request of the member.

POLICE FEDERATION OF AUSTRALIA

OPERATING REPORT (OPR)

a) The PFA's principle activities throughout the year have included a range of activities that have been endorsed by the Federal Council in November 2003 and coordinated by the Federal Executive.

Those key activities include the pursuance of an exemption from Superannuation Preservation Age rules for police. A commitment from both sides of politics was forthcoming in the lead up to the federal election to independently review that issue post the election.

We have made submissions and lobbied both then Government and the Opposition on the lack of Federal funding for local law enforcement initiatives as well as the lack of funding and resourcing for the Australia Federal Police. This issue saw both sides make policy statements setting up \$50 million national crime prevention style programs.

Reportable Fringe Benefits Tax issues continue to affect our members and operational policing initiatives. We have been successful in achieving a number of exemptions from RFBT issues for police as well as members attached to the Australian Crime Commission. We are still pursuing a range of RFBT matters to bring us into line with exemptions granted to the Defence Forces.

We have continued to work with the Federal Government and state & territory police jurisdictions towards the development and construction of a National Police Memorial in Canberra to honour the in excess of 700 police who have paid the ultimate sacrifice since 1803.

The PFA continues to represent members nationally on a range of other issues including –

- Submissions to relevant Parliamentary inquiries
- Negotiations in respect to health, safety, welfare and working conditions for members to be deployed overseas as part of the International Deployment Group
- Development of a range of Police Professional issues as a part of the Australasian Police Professional Standards Council (APPSC)
- Submissions into the Federal Government's proposed Federal Anti Corruption Body
- Working with various academics on research issues of relevance to our membership and the police profession
- The development of a range of issues affecting female members through our Women's Advisory Committee
- The development and research into a range of industrial issues through our Industrial Planning Committee

All of the above issues as well as many others are reported on in detail in the PFA's Annual Report.

- b) There have been no significant changes in the financial affairs of the PFA during the past year
- c) A member may resign from membership of the Federation by notice in writing addressed and delivered to the Secretary of the member's Branch, Zone Secretary or Chief Executive Officer, as per PFA Rule 11 (b)
- d) No officers of the PFA hold any positions in relation to Superannuation entities
- e) The West Australian Branch of the Police Federation of Australia was formed and registered on 3 February 2004

POLICE FEDERATION OF AUSTRALIA INDEPENDENT AUDIT REPORT

To the members of the Police Federation of Australia.

SCOPE

I have audited the financial statements of the Police Federation of Australia for the year ended 30 June 2004. The Federation's Committee of Management is responsible for the preparation and presentation of the financial statements and the information contained therein. I have conducted an independent audit of these financial statements in order to express an opinion on them to the members of the Federation.

My audit has been conducted in accordance with Australian Auditing Standards to provide reasonable assurance as to whether the financial statements are free of material misstatement. My procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in the financial statements, and the evaluation of accounting policies and significant accounting estimates. These procedures have been undertaken to form an opinion as to whether, in all material respects, the financial statements are presented fairly in accordance with Australian Accounting Standards, other mandatory professional reporting requirements (Urgent Issues Group Consensus Views) and The Workplace Relations Act 1996 so as to present a view of the Federation which is consistent with my understanding of its financial position and the results of its operations and cash flows.

The audit opinion expressed in this report has been formed on the above basis.

AUDIT OPINION

In my opinion:

- (i) There were kept by the Federation in respect of the year, satisfactory accounting records detailing the sources and nature of income of the Federation [including income from members] and the nature and purposes of expenditure; and
- (ii) The accompanying accounts and statements being the Statement of Income and Expenditure, Balance sheet, Statement of Cash Flows, Notes to and Forming Part of the Accounts, Accounting Officers Certificate and Committee of Managements certificate have been prepared in accordance with Section 273 of the Workplace Relations Act 1996 and are properly drawn up so as to fairly present:
 - [a] The state of affairs of the Federation as at 30 June 2004; and
 - [b] The income and expenditure and surplus of the Federation for the year ended on that date;
- (iii) The accounts have been prepared in accordance with applicable Accounting Standards.

Where necessary, I have obtained all the information and explanations which to the best of my knowledge and belief were necessary for the purpose of my Audit.

Mr Peter Alexander President Police Federation of Australia Level 1, 21 Murray Crescent GRIFFITH ACT 2603

Dear Mr Alexander

Re: Financial Report for year ended 30 June 2004 - FR 2004/308

I have received the financial report of the Police Federation of Australia for the year ended 30 June 2004. The documents were lodged in the Industrial Registry on 16 November 2004.

I note that the financial report was circulated to members on 14 October 2004. I also note that the financial report was presented to the meeting of Federal Council held on 8 and 9 November 2004.

As you know section 266 of the RAO Schedule makes provision for the methods by which a reporting entity may satisfy its obligation to present the full report to members. The purpose of the financial reporting provisions generally is to ensure disclosure to members and, to offer those members an opportunity to raise any matter that concerns them regarding material disclosed in that information. The vehicle for members to achieve this are either at a general meeting of members or at a meeting of the committee of management. The latter option is only available if the precondition in subsection 266(3), that is the 5% rule, is satisfied. The rules of the organisation do not make such provision.

In these circumstances, the alternatives require the presentation of the relevant documents to a general meeting of members (the rules currently make no provision for such a meeting), or at a series of meetings at different locations (again, this alternative is only available if the rules make provision for such meetings, they do not).

On several occasions over the past 18 months, for example, in correspondence from the Industrial Registrar of 8 May 2004 and 13 November 2004, you have been advised of issues arising from the operation of the RAO Schedule your organisation may need to attend to. I strongly recommend that the organisation take immediate steps to alter its rules to incorporate the 5% rule referred to previously. You may wish to ensure each reporting entity within the organisation passes a similar alteration to avoid similar difficulties. In the interim the organisation is required to make its best endeavours to fully meet its obligations as set out in the RAO Schedule with respect to its financial reporting obligations. In this regard you may wish to contact me on (03) 8661 7774 (Mon-Thurs) to discuss how the organisation may achieve this objective.

Yours sincerely

Iain Stewart Statutory Services Branch 9 December 2004
