

7 March 2011

Mr. Jim Torr Chief Executive Officer Police Federation of Australia Australian Federal Police Association Branch

Email: jim.torr@afpa.org.au

Dear Mr Torr

Financial Report for year ended 30 June 2010 (FR2010/2531)

I acknowledge receipt of the financial report of the Australian Federal Police Association Branch of the Police Federation of Australia for the year ended 30 June 2010. The financial report was received in this office on 17 February 2011.

The financial report has been filed.

I direct your attention to the following comments concerning the above report and the financial reporting obligations under the Fair Work (Registered Organisations) Act 2009 (the RO Act). Please note that these matters are generally advised for assistance in the future preparation of financial reports. No further action is required in respect of the subject documents.

1. Auditor's Report

Auditor's qualifications

Regulation 4 of the Fair Work (Registered Organisations) Regulations 2009 defines an approved auditor as a person who is a member of CPA Australia, The Institute of Chartered Accountants in Australia or the National Institute of Accountants, and holds a current Public Practice Certificate. In all likelihood the auditor is such a person. However, it is our preference that this is made explicit in future auditor's reports.

Required disclosures

Contributions to and from another reporting unit of the organisation

Item 11(b) of the Reporting Guidelines requires that where contributions to another reporting unit are made the amount and the name of each reporting unit are to be disclosed in either the income statement or notes. Also, item 15 of the Reporting Guidelines requires that where another reporting unit of the organisation is the source of a cash outflow, such cash outflow should be separately disclosed and that the name of the other reporting unit be shown in the notes.

It is my understanding that the Australian Federal Police Association Branch of the Police Federation of Australia is required to make monthly contributions to the Police Federation of

Telephone: (03) 8661 7777

Facsimile: (03) 9655 0401

International: (613) 8661 7777

Australia (rule 7 of the PFA rules). Any such contributions should be disclosed either in the income statement or the notes to the financial statements, and should include the name of the reporting unit (i.e. the Police Federation of Australia). Also, the amount of any cash outflows to the PFA are to be disclosed in the notes.

Note 3 contains an item of disclosure entitled "Affiliation fees". If this item refers to contributions made to the PFA then disclosures as outlined above need to be made. If this item refers to affiliations to external organisations, then item 11(d) of the Reporting Guidelines has been satisfied (item 11(d) requires disclosure of expenses regarding periodic subscriptions in respect of affiliation to any political party or industrial organisation).

Finance costs

AASB 101(82) requires that as a minimum, the face of the income statement shall include line items that present the finance costs for the period. In future years please ensure that finance costs are disclosed on the face of the income statement.

Material items

AASB 101(97) requires material items to be presented separately. Note 3 to the financial statements reports \$1,217,431 as other general administration expenses, which appears to be a material amount. In future years please ensure that any material items are separately disclosed.

3. Operating report

Results of principal activities

I refer to the Operating Report, in particular to the "Operating Result". I note that section 254(2)(a) of the RO Act requires the operating report to include a review of the principal activities of the reporting entity, the results of those activities and any significant changes in the nature of those activities.

The "results of operation" requirement contemplates reference in the operating report to results directly related to the principal activities as opposed to the reporting entities financial result, particularly as measured in dollar 'surplus' or 'loss' terms. Although this may not be stated explicitly in the text of the subsection, I think it is reasonable to infer this is what the legislators had in mind given that the subsection is referring primarily to the principal activities and secondly, the actual financial outcome is elaborated elsewhere in the financial documents, such as the Balance Sheet and/or the Profit and Loss statement.

Right of members to resign

Subsection 254(2)(c) of the RO Act requires the operating report to "give details" of the right of members to resign from the reporting unit under section 174. The requirement may be met by the inclusion of a statement that a member has the right to resign and a reference to the relevant rule, which makes such provision. Alternatively, the complete text of the relevant resignation rule may be reproduced in the report.

The text of the resignation rule provided appears to be an out-of-date version of the rule. Please ensure in future that the current version of the resignation rule is provided

4. Committee of Management Statement

Recovery of Wages

I note that the accounts do not provide any information in relation to any recovery of wages activity. Items 16 – 23, 25(f) and 27(b) of the Reporting Guidelines govern the financial reporting of recovery of wages activity.

In circumstances where the reporting unit has not undertaken any recovery of wages activity for the financial year, a statement by the auditor or a declaration in the Committee of Management Statement to the effect that there was no recovery of wages activity for the financial year would be sufficient.

5. Loans, Grants and Donations

Thank you for forwarding a statement in accordance with subsection 237(1) of the RO Act in relation to the financial documents of the branch for year ended 30 June 2010 which was lodged in this office on 17 February 2011.

The contents of your statement have been noted.

The statement has been placed on a file which is not available to the public.

It should be noted that section 237(1) statements should be lodged in this office within 90 days after the end of the financial year.

6. References

I note the Committee of Management Statement contains references to the RAO Schedule and also Schedule 1B to the Workplace Relations Act 1996. The RAO Schedule/Schedule 1B is now the Fair Work (Registered Organisations) Act 2009. Also, the reference to the "RAO Regulations" in the Committee of Management Statement should refer to the Fair Work (Registered Organisations) Regulations 2009 (the RO Regulations). I further note a reference to the "Industrial Registrar" and "Registrar". These references should be to the General Manager, Fair Work Australia. Also, the reference to "Commission" in paragraph (vi) should read "Fair Work Australia".

I also note that the Auditor's Report and the notes to the accounts refer to "Schedule 1B (RAO Schedule) of the Workplace Relations Act 1996". As mentioned above, such reference should now be to the Fair Work (Registered Organisations) Act 2009.

7. Timescale Requirements

As you know the financial reports should be prepared, audited, supplied to members, presented to a meeting and lodged with Fair Work Australia within certain timescale requirements.

It should be noted that the full report, accompanied by a Designated Officer's Certificate, must be lodged with Fair Work Australia within 14 days of its presentation to an appropriate meeting.

Should you wish to discuss this letter or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 8661 7993 or by email at larry.powell@fwa.gov.au.

Yours sincerely,

Larry Powell

INDEPENDENT AUDITOR'S REPORT

www.rsmi.com.au

TO THE MEMBERS OF

AUSTRALIAN FEDERAL POLICE ASSOCIATION - BRANCH

We have audited the accompanying financial report of Australian Federal Police Association - Branch, which comprises the balance sheet as at 30 June 2010, and the statement of comprehensive income, statement of changes in equity and cash flow statement for the year ended on that date, a summary of significant accounting policies, other explanatory notes and the statement by members of the committee.

Committee's Responsibility for the Financial Report

The committee of the association are responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards (including the Australian Accounting Interpretations) and the requirements of Part 3 of Chapter 8 of Schedule 1B (RAO Schedule) of the Workplace Relations ACT 1996. This responsibility includes establishing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. These Auditing Standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the financial report.

The financial report has been prepared for distribution to members for the purpose of fulfilling the committees' financial reporting requirements under Part 3 of Chapter 8 of Schedule 1B (RAO Schedule) of the Workplace Relations ACT 1996. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report covers Australian Federal Police Association – Branch as an individual entity. Australian Federal Police Association – Branch is an association incorporated in Australian Capital Territory under the Workplace Relations Act 1996.

Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, the requirements imposed by Part 3 of Chapter 8 of Schedule 1B (RAO Schedule) of the Workplace Relations Act 1996 and other authoritative pronouncements of the Australian Accounting Standards Board.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

Accounting Policies

a. Income Tax

The Association is exempt from income tax under section 50-15 of the Income Tax Assessment Act 1997.

b. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of souvenirs includes direct costs and appropriate amount of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on the basis of weighted average costs.

c. Plant and Equipment

Plant and equipment is carried at cost less any accumulated depreciation.

The carrying amount of plant and equipment is reviewed for impairment annually by the Association to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Depreciation

The depreciable amount of all fixed assets is depreciated on either straight line or diminishing balance basis over their useful lives to the Association commencing from the time the asset is held ready for use.

The depreciation rates used for each plant and equipment are between 3% and 66%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2010

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

d. Leases

All lease payments are for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

e. Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Association to an employee's superannuation fund and are charged as expenses when incurred.

f. Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

g. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Member subscriptions are transferred electronically from salary and wages of its members and are recognised as revenue when received.

Revenue from the rendering of a service to its members is recognised upon the delivery of the service to its members.

All revenue is stated net of the amount of goods and services tax (GST).

h. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

i. Impairment of Assets

At the end of each reporting period, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

j. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.
