Mr J. Torr Chief Executive Officer Police Federation of Australia Australian Federal Police Association Branch

Email: jim.torr@afpa.org.au

Dear Mr Torr

## Financial report for the Police Federation of Australia - Australian Federal Police Association Branch for the year ended 30 June 2011 (FR2011/2531)

I acknowledge receipt of the financial report of the Police Federation of Australia - Australian Federal Police Association Branch for the year ended 30 June 2011. The documents were lodged with Fair Work Australia on 17 November 2011. I also acknowledge receipt of an amended designated officer's certificate which was lodged on 9 December 2011.

The financial report has been filed.

I direct your attention to the following comments concerning the above report and the financial reporting obligations under the Fair Work (Registered Organisations) Act 2009 'the RO Act'. Please note that these matters are generally advised for assistance in the preparation of future financial reports. With the exception to item 1, no further action is required in respect of the subject documents.

## 1. Loans, Grants and Donations

Section 237(1) of the RO Act requires an organisation to lodge in Fair Work Australia within 90 days after the end of each financial year a statement showing the relevant particulars in relation to each loan, grant or donation of an amount exceeding \$1,000 made by the organisation during the financial year.

I note that note 19 of the notes to the financial statements provides, among other things, that a donation in excess of \$1,000 was made to the Australian Law and Justice Welfare Foundation.

It would appear that a statement as required by section 237 has not been lodged with Fair Work Australia in relation to that donation.

Would you please arrange lodgement of such as soon as possible.

## 2. Auditor's Report

#### Auditor's Qualifications

Regulation 4 of the Fair Work (Registered Organisations Regulations) 2009 'the RO Regulations'

defines an approved auditor as a person who is a member of CPA Australia, The Institute of Chartered Accountants in Australia or the National Institute of Accountants, and <u>holds a current Public Practice Certificate</u>. In all likelihood the auditor is such a person. However, it is our preference that this is made explicit in future auditor's reports.

## 3. Operating Report

I refer to the Operating Report, in particular to the principal activities results. I note that section 254(2)(a) of the RO Act requires the operating report to include a review of the principal activities of the reporting entity, the results of those activities and any significant changes in the nature of those activities.

The 'results of operation' requirement contemplates reference in the operating report to results directly related to the principal activities as opposed to the reporting entity's financial result, particularly as measured in dollar 'surplus' or 'loss' terms. Although this may not be stated explicitly in the text of the subsection, I think it is reasonable to infer this is what the legislators had in mind given that the subsection is referring primarily to the principal activities and secondly, the actual financial outcome is elaborated elsewhere in the financial documents, such as the Balance Sheet and/or the Profit and Loss statement.

#### 4. References

I note references to 'Registrar' in paragraph (e)(v) of the committee of management statement. This reference should be to the General Manager, Fair Work Australia.

Should you wish to discuss this letter or if you require further information on the financial reporting requirements of the Act, I may be contacted on (03) 8661 7993 or by email at larry.powell@fwa.gov.au.

Yours sincerely,

Larry Powell

#### INDEPENDENT AUDITOR'S REPORT

#### TO THE MEMBERS OF

#### **AUSTRALIAN FEDERAL POLICE ASSOCIATION - BRANCH**

We have audited the accompanying general purpose financial report of Australian Federal Police Association - Branch ("the entity"), which comprises the balance sheet as at 30 June 2011, the statement of comprehensive income, statement of changes in equity and cash flow statement for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information, and the statement by members of the committee.

Committee's Responsibility for the General Purpose Financial Report

The committee is responsible for the preparation and fair presentation of the general purpose financial report in accordance with Australian Accounting Standards (including Australian Accounting Interpretations) and the Fair Work (Registered Organisation) Act 2009, and for such internal control as the committee determine is necessary to enable the preparation of the general purpose financial report that is free from material misstatement, whether due to fraud or error.

#### Auditor's Responsibility

Our responsibility is to express an opinion on the general purpose financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the general purpose financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the general purpose financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the general purpose financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee, as well as evaluating the overall presentation of the general purpose financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

The financial report covers Australian Federal Police Association – Branch as an individual entity. Australian Federal Police Association – Branch is an association incorporated in Australian Capital Territory under the Fair Work (Registered Organisations) Act 2009.

#### **Basis of Preparation**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, the requirements imposed by the *Fair Work (Registered Organisations) Act 2009* and other authoritative pronouncements of the Australian Accounting Standards Board.

Australian Accounting Standards set out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities.

#### **Accounting Policies**

#### a. Income Tax

The Association is exempt from income tax under section 50-15 of the *Income Tax* Assessment Act 1997.

#### b. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of souvenirs includes direct costs and appropriate amount of variable and fixed overheads. Overheads are applied on the basis of normal operating capacity. Costs are assigned on the basis of weighted average costs.

#### c. Plant and Equipment

Plant and equipment is carried at cost less any accumulated depreciation.

The carrying amount of plant and equipment is reviewed for impairment annually by the Association to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

#### Depreciation

The depreciable amount of all fixed assets is depreciated on either straight line or diminishing balance basis over their useful lives to the Association commencing from the time the asset is held ready for use.

The depreciation rates used for each plant and equipment are between 3% and 66%. The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

#### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2011

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

#### d. Leases

All lease payments are for operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the periods in which they are incurred.

#### e. Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

Contributions are made by the Association to an employee's superannuation fund and are charged as expenses when incurred.

#### f. Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less.

#### g. Revenue

Revenue from the sale of goods is recognised upon the delivery of goods to customers. Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

Member subscriptions are transferred electronically from salary and wages of its members and are recognised as revenue when received.

Revenue from the rendering of a service to its members is recognised upon the delivery of the service to its members.

All revenue is stated net of the amount of goods and services tax (GST).

#### h. Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### i. Impairment of Assets

At the end of each reporting period, the association reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the statement of comprehensive income.

Where it is not possible to estimate the recoverable amount of an individual asset, the association estimates the recoverable amount of the cash-generating unit to which the asset belongs.

## j. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

The above loan represents a loan to Canberra Services Club Limited (CSC). The loan initially of \$150,000 was granted to CSC in July 2004 and was extended to \$254,800 in March 2010. The Australian Federal Police Association advanced \$25,000 to CSC in March 2010. The loan attracted interest at the rate of 7% per annum. After interest and repayment the balance owing at 30 June 2011 was \$184,372. The loan is secured by a "Registered Deed of Charge Over Property" being a charge over land and buildings and other assets of CSC. During the financial year the CSC property was destroyed due to a fire. Subsequent to year end the Australian Federal Police Association has received all monies due from CSC.

There are no balances within other receivables that contain assets that are impaired and are past due. It is expected these balances will be received when due. Impaired assets are provided for in full where applicable

This donation was authorised in April 2011 by the AFPA National Council to commence on 1 July 2011 and amended on 18 May 2011 by the Board to be paid during the 2010/11 financial year and further donations suspended in accordance with the Board's prerogative as set by the National Council.
