Enclosed is a copy of the decision that the Delegate to the Fair Work Australia General Manager published today in the above matter.

I have not attached the rules of the organisation on this occasion as a copy was forwarded to the AEC in connection with another recent matter (E2009/10052 refers). No subsequent alterations to those rules have been lodged.

Please note that there was a typographical error in the prescribed information initially lodged. I have attached a copy of advice from the PFA NSW Police Branch which clarifies the original prescribed information.

Mark

Thanks for your E mail. Please be advised that in Annexure A to the prescribed information lodged, in relation to the PFA NSW Police Branch elections, on 23 December 2009 the reference to South West Metropolitan Area 1 with 1061 members should have been South West Metropolitan Area 2. This was a typographical error on my part and I apologise for any inconvenience caused.

kind regards

Peter,

I refer to our phone conversation today and to the prescribed information lodged, in relation to the PFA NSW Police Branch elections, on 23 December 2009 (copy attached).

As you will see, Attachment A at page 6 of the attachment includes two references to "South West Metropolitan Region Area One".

Examination of the PFA NSW Police Branch rules suggests that these references are probably supposed to be to South West Metropolitan Region Area One and South West Metropolitan Region Area Two. Can you please indicate whether this is the case.

Subject to your confirmation the decision should issue in the next day or so.

Kind regards,
