#### **Notes to the Financial Statements**

#### Note 1: Statement of Significant Accounting Policies

The financial report covers Police Association of New South Wales as an individual entity registered in New South Wales and domiciled in Australia

#### Basis of Preparation

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, and other authoritative pronouncements of the Australian Accounting Standards Board and the Industrial Relations Act 1991.

Australian Accounting Standards sets out accounting policies that the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures that the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this financial report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement of fair value of selected non-current assets, financial assets and financial liabilities.

#### **ACCOUNTING POLICIES**

#### a. Income Tax

No provision for income tax is necessary as the Association is exempt from income tax under Section 50-5 of the Income Tax Assessment Act 1997.

#### b. Inventories

Inventories are measured at the lower of cost and net realisable value. The cost of inventories includes direct costs and appropriate amounts of variable and fixed overheads.

#### c. Plant, Equipment and Motor Vehicles

Plant, equipment and motor vehicles is carried at cost, less any accumulated depreciation. The carrying amount of plant, equipment and motor vehicles is reviewed for impairment annually by the Association to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed on the basis of the expected net cash flows that will be received from the assets employment and subsequent disposal. The expected cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the entity and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

#### ABN 86 047 021 267

#### **Notes to the Financial Statements**

#### d. Depreciation

The depreciable amount of all fixed assets is depreciated on the straight line method over their useful lives to the Association commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

#### **Class of Fixed Assets**

#### **Depreciation Rate**

Office plant and equipment & staff amenities
Motor Vehicles

7.5-33% 15%

The assets' residual values and useful lives are reviewed, and adjusted if appropriate, at each balance sheet date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains or losses are included in the income statement. When revalued assets are sold, amounts included in the revaluation reserve relating to that asset are transferred to retained earnings.

#### e. Leases

All lease payments are for operating leases, where substantially all the risks and benefits remain with the lessor, are charges as expenses in the periods in which they are incurred.

#### f. Employee Benefits

Provision is made for the Association's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash flows to be made for those benefits.

Contributions are made by the Association to an employee's superannuation fund and are charged as expenses when incurred

#### g. Provisions

Provisions are recognised when the Association has a legal or constructive obligation, as a result of past events, for which it is probable than an overflow of economic benefits will result and that outflow can be reliably measured. Provisions for Annual Leave and Long Service Leave have been recorded as liabilities.

#### ABN 86 047 021 267

#### **Notes to the Financial Statements**

#### h. Cash and Cash Equivalents

Cash and cash equivalents includes cash on hand, deposits held at call with banks, and other short-term highly liquid investments with original maturities of three months or less. Bank loans are shown within borrowings in current liabilities in The Statement of Financial Position.

#### i. Revenue

Membership subscription income has been accounted for on an accrual basis. Membership subscriptions outstanding at balance sheet date have been brought to account as receivables where subscriptions are paid by the members' employer through salary deductions. All other membership subscriptions due to be paid are recognised when received. Membership income is deemed earned in the year to which it relates.

Interest revenue is recognised when received and credited to the bank account.

Investment property revenue is recognised on a straight-line basis over the period of lease term so as to reflect a constant periodic rate of return on the net investment. Rentals paid in advance are recognised as income in the next financial year. These amounts are shown as receipts in advance on the financial report.

All revenue is stated net of the amount of goods and services tax (GST).

#### j. Goods and Services Tax

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office. In these circumstances, GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown inclusive of GST.

Cash flows are presented in the cash flows statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### k. Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to confirm to changes in presentation for the current financial year.

#### I. Trade and Other Payables

These amounts represent liabilities for goods and services provided to the Association prior to the end of the financial year which are unpaid. The amounts shown are inclusive of GST.

#### INDEPENDENT AUDIT REPORT

#### To the members of the Police Association of New South Wales

#### Report on the Financial Statement

I have audited the accompanying financial report of the Police Association of New South Wales for the year ended 31st December 2011 which comprises the statement of financial position, statement of comprehensive income, the statement of changes in equity, statement of cash flows, a summary of significant accounting policies and other explanatory notes and the Committee of Management statement.

#### Committee of Management's Responsibility for the Financial Report

The Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with The Australian Accounting Standards (including the Australian Accounting Interpretations) and the Industrial Relations Act 1991. This responsibility includes designing, implementing and maintaining internal control relevant to the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error, selecting and applying appropriate accounting policies and making accounting estimates that are reasonable in the circumstances.

#### **Auditor's Responsibility**

My responsibility is to express an opinion on the financial report based on my audit. I have conducted my audit in accordance with Australian Auditing Standards. These Auditing Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of risks of material misstatement of the financial report, whether due to fraud or error. In making those assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial report in order to design audit procedures that are appropriate in the circumstances but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the management as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

#### Independence

In conducting my audit, I have complied with the applicable independence requirements of the Australian professional ethical pronouncements, including those of the institue of Chartered Accountants in Australia.

#### **Audit Opinion**

In my opinion, I report that:

- 1. There were kept by the Association, in respect of the year ended 31st December 2011, satisfactory accounting records detailing the sources and nature of the inocme of the Association including income from members and the nature and purpose of expenditure; and
