Dear Ian Leavers,

Section 269 application for certificate stating financial affairs of reporting unit are encompassed by financial affairs of associated State body for year ended 31 December 2020 (FR2020/344)

I refer to the application lodged pursuant to section 269 of the *Fair Work (Registered Organisations) Act 2009* in respect of the Police Federation of Australia - Queensland Police Branch for the financial year ended 31 December 2020. The application was lodged with the Registered Organisations Commission (**the ROC**) on 30 June 2021.

I have granted the application. The certificate is attached.

I note that the residential addresses and remuneration details of officers of the Queensland Police Union of Employees are disclosed in page 10 and 48 of the lodged application respectively. In accordance with its privacy policy, the ROC has redacted this information from the application before publishing on its website.

The ROC takes its obligations relating to privacy seriously and endeavours to ensure compliance with the *Privacy Act 1988* (**Privacy Act**). The redactions have been made in accordance with the ROC privacy policy to protect the personal information of persons identified in the financial report. A copy of the ROC privacy policy can be found via this link.

MR ENRIGHT

MELBOURNE, 14 JULY 2021

Reporting unit's financial affairs encompassed by associated State body

- [1] On 30 June 2021 an application was made under s.269(2)(a) of the *Fair Work (Registered Organisations) Act 2009* (**the Act**) by the Police Federation of Australia Queensland Police Branch (**the reporting unit**) for a certificate stating that the financial affairs of the reporting unit are encompassed by the financial affairs of the Queensland Police Union of Employees (**the Association**), an associated State body, in respect of the financial year ending 31 December 2020.
- [2] On 30 June 2021, the reporting unit lodged a copy of the audited accounts of the Association with the Registered Organisations Commission.
- [3] I am satisfied that the Association:
 - is registered under the *Industrial Relations Act 2016 (QLD)*, a prescribed State Act; and
 - is, or purports to be, composed of substantially the same members as the reporting unit; and
 - has, or purports to have, officers who are substantially the same as designated officers in relation to the reporting unit; and
 - is an associated State body.
- [4] I am further satisfied that:
 - the Association has in accordance with prescribed State legislation, prepared accounts, had those accounts audited, provided a copy of the audited accounts to its members and lodged the accounts with the relevant State authority;
 - any members of the reporting unit who are not also members of the Association have been provided with copies of the accounts at substantially the same time as the members of the reporting unit who are members of the Association; and
 - a report under s.254 of the Act has been prepared in respect of those activities of the reporting unit and has been provided to the members of the reporting unit with copies of the accounts.

[5] I am satisfied that the financial affairs of the reporting unit in respect of the financial year ending 31 December 2020, are encompassed by the financial affairs of the Association and I certify accordingly under s.269(2)(a) of the Act.

 - (f) all members of the Reporting Unit have been provided with a copy of the Operating Report by publication on the Reporting Unit and Associated State Body's website.
- 8. Marked and annexed as 'Schedule 4' is a copy of the audited accounts of the Associated State Body.
- 9. Marked and annexed as 'Schedule 5' is a copy of the Operating Report of the Reporting Unit.

Yours faithfully

IAN LEAVERS APM BRANCH PRESIDENT

APPLICATION PURSUANT TO SECTION 269 OF THE FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009

Schedule 1 – Certificate of Registration of the Queensland Police Union of Employees

"The Industrial Arbitration Act of 1916."

Certificate of Registration of an Industrial Association or Trade Union of Employees as an Industrial Union.

I,* JOHN JAMES McGEE, Industrial Registrar. hereby certify that on the twelfth day of June, one thousand nine hundred and seventeen, an Industrial Association [or Trade Union] of Employees, called Queensland Police "Union of Employees" was, at Brisbane, in the State of Queensland, registered by that name under "The Industrial Arbitration Act of 1916" as an Industrial Union of Employees.

Dated at Brisbane, in the State of Queensland, this twelfth day of June, 1917.

*Title altered on 5 October, 2007 to Queensland Police Union of Employees

(Sgd.) JOHN J. McGEE, Industrial Registrar.

I HEREBY CERTIFY that this is a true and correct copy of the Certificate of Registration of the Queensland Police Union of Employees which was registered as an Industrial Union of Employees on the twelfth day of June, 1917 under the title Queensland Police "Union of Employees" and whose title was altered to Queensland Police Union of Employees on the fifth day of October, 2007 and whose registration is continued under the Industrial Relations Act 1999.

APPLICATION PURSUANT TO SECTION 269 OF THE FAIR WORK (REGISTERED ORGANISATIONS) ACT 2009

Schedule 2 – RIO/2019/259 – Decision in *Application for Exemption from Holding an Election*

INDUSTRIAL REGISTRY Industrial Court of Queensland and Queensland Industrial Relations Commission

Mr Ian Leavers General President Queensland Police Union of Employees PO Box 13008 George Street BRISBANE Q 4003

Dear Mr Leavers

Re: Application for exemption from holding an election [Matter no. RIO/2021/92]

I refer to an application filed in the Industrial Registry on 5 May 2021 by the Queensland Police Union of Employees [QPU] for exemption under section 802 of the *Industrial Relations Act* 2016 from holding an election for stated offices.

It is noted that no objections to the application have been lodged in the Registry.

QPU is an employee organisation registered under the *Industrial Relations Act* 2016. Police Federation of Australia is an employee organisation registered under the *Fair Work (Registered Organisations) Act* 2009 [C'Wealth]. I have perused the affidavit of Ian Leavers and the rules of each of the organisations and am satisfied that the Queensland Police Branch of the Police Federation of Australia is a counterpart federal body of QPU within the meaning of section 597 of the *Industrial Relations Act* 2016.

Being satisfied as required by section 802(2) of the *Industrial Relations Act* 2016, on 18 May 2021 I grant QPU Queensland exemption from holding an election for the following stated offices, in accordance with the Australian Electoral Commission election results declared for elections numbered E2019/144 on 5 and 19 December 2019.

Stated Office

Conference Delegate

The officers are to take up office in accordance with the rules of the Queensland Police Union of Employees.

Yours Sincerely

M SHELLEY

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Preparation

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and Australian Accounting Interpretations adopted by the Australian Accounting Standards Board ("AASB") and the requirements of the *Industrial Relations Act 2016*. The financial statements also comply with International Financial Reporting Standards (IFRS) as issued by the International Accounting Standards Board.

The financial statements of the Queensland Police Union of Employees (the Union) for the year ended 31 December 2020 were authorised for issue in accordance with a resolution from the Committee of Management on the 29th of April 2021 and covers the Queensland Police Union of Employees as an individual entity.

The Queensland Police Union of Employees is a not-for-profit entity for the purposes of preparing these financial statements. The Queensland Police Union of Employees is a union in Queensland under the *Industrial Relations Act 2016*. The registered office and principal place of business of the Union is 217 North Quay, Brisbane, QLD 4000.

The financial statements, except for the cash flow information, have been prepared on an accrual basis and are based on historical costs, except for investment properties, land and buildings and financial assets at fair value through profit or loss that have been measured at fair value.

The following significant accounting policies have been adopted in the preparation of the financial statements. The accounting policies have been consistently applied, unless otherwise stated.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

a) Income Tax

The income of the union is exempt from income tax under section 50-15 of the ITAA 1997.

b) Property Plant and Equipment

Land and buildings are measured at fair value less accumulated depreciation. Any accumulated depreciation at revaluation date is eliminated against the gross carrying amount of the asset and the net amount is restated as the revalued amount of the asset. A revaluation surplus is credited to other comprehensive income (asset revaluation surplus) unless it reverses a revaluation decrease on the same asset previously recognised in profit or loss. A revaluation deficit is recognised in profit or loss unless it directly offsets a previous revaluation surplus on the same asset in the asset revaluation surplus. An annual transfer is made from the asset revaluation surplus to retained earnings for the depreciation charge recognised in profit or loss (net of tax) relating to the revaluation surplus. On disposal, any revaluation surplus relating to sold assets is transferred to retained earnings. Independent valuations are performed regularly to ensure that the carrying amounts of land and buildings does not differ materially from that of the fair value at the end of the reporting period.

All other plant and equipment is stated at historical cost, including costs directly attributable to bringing the asset to the location and condition necessary for it to be capable of operating in the manner intended by management, less depreciation and any impairment.

Land is not depreciated. Depreciation on motor vehicles is calculated on a diminishing balance method at the rate detailed below. Depreciation on other assets is calculated on a straight-line basis over the estimated useful life, or in the case of leasehold improvements and certain leased plant and equipment, the shorter lease term, as follows:

Class of Property Plant and Equipment Buildings Depreciation Rate 4% Straight line

Plant and equipment & Furniture and Fittings 20 - 30% Straight line
Motor Vehicles 33% Diminishing balance
Office equipment and kitchen equipment 20 - 50% Straight line

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at the end of each reporting period.

Gains and losses on disposals are calculated as the difference between the net disposal proceeds and the asset's carrying amount and are included in profit or loss in the year that the item is derecognised.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

c) Employee Entitlements

Short-term employee provisions

Provision is made for the Union's liability for employee entitlements arising from services rendered by employees to balance date. Employee entitlements expected to be settled within one year together with entitlements arising from wages and salaries, annual leave and sick leave which will be settled after one year, have been measured at their nominal amount. Short-term employee benefits are measured at the (undiscounted) amounts expected to be paid when the obligation is settled.

Other long-term employee provisions

Provision is made for employees' long service leave entitlements not expected to be settled wholly within 12 months after the end of the annual reporting period in which the employees render their related service. Other employee entitlements payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those entitlements. Expected future payments incorporate anticipated future wage and salary levels, durations of service and employee departures, and are discounted at rates determined by reference to market yields at the end of the reporting period on government bonds that have maturity dates that approximate the terms of the obligations. Upon the re-measurement of obligations for other long-term employee benefits, the net change in the obligation is recognised in profit or loss as part of employee benefits expense. The Union's obligations for long-term employee benefits are presented as non-current employee provisions in its statement of financial position, except where the company does not have an unconditional right to defer settlement for at least 12 months after the end of the reporting period, in which case the obligations are presented as current provisions.

Contributions are made by the Union to an employee superannuation fund and are charged as expenses when incurred.

d) Cash and Cash Equivalents

For the purposes of the statement of cash flows, cash includes cash on hand and at call deposits with banks or financial institutions, investments in money market instruments maturing within less than three months and net of bank overdrafts.

e) Revenue

Revenue from contracts with customers

Revenue is recognised at an amount that reflects the consideration to which the incorporated association is expected to be entitled in exchange for transferring goods or services to a customer. For each contract with a customer, the incorporated association: identifies the contract with a customer; identifies the performance obligations in the contract; determines the transaction price which takes into account estimates of variable consideration and the time value of money; allocates the transaction price to the separate performance obligations on the basis of the relative standalone selling price of each distinct good or service to be delivered; and recognises revenue when or as each performance obligation is satisfied in a manner that depicts the transfer to the customer of the goods or services promised.

Revenue from subscription fees and other receipts from members are recognised over time, as the services are delivered to the members.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Interest revenue

Interest revenue is recognised as interest accrues using the effective interest method. This is a method of calculating the amortised cost of a financial asset and allocating the interest income over the relevant period using the effective interest rate, which is the rate that exactly discounts estimated future cash receipts through the expected life of the financial asset to the net carrying amount of the financial asset.

Dividend income

Dividend income is recognised when the Union has established that it has a right to receive a dividend.

Rental income

Rental income from operating leases, where the Union is a lessor, is recognised in profit or loss on a straight-line basis over the lease term.

Other revenue

Other revenue is recognised when it is received or when the right to receive payment is established.

All revenue is stated net of the amount of goods and services tax (GST).

f) Comparative Figures

Where required, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the statement of financial position are shown exclusive of GST.

h) Impairment of Assets

At each reporting date, the Union reviews the carrying values of its tangible and intangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the profit or loss.

Where it is not possible to estimate the recoverable amount of an individual asset, the Union estimates the recoverable amount of the cash-generating unit to which the asset belongs. Where an impairment loss on a revalued asset is identified, this is recognised against the revaluation surplus in respect of the same class of asset to the extent that the impairment loss does not exceed the amount in the revaluation surplus for that class of asset.

i) Investment Properties

Investment properties held for rental are initially measured at cost including transaction costs. Subsequent to initial recognition, investment properties are carried at fair value, which is based on active market prices, adjusted if necessary, for any difference in the nature, location or condition of the specific asset. Fair value is determined based on an annual valuation performed by an accredited external, independent valuer, applying a valuation model appropriate for the investment

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

property.

Transfers are made to or from investment property only when there is a change in use. For a transfer from investment property to owner-occupied property, the deemed cost for subsequent accounting is the fair value at the date of change in use. If owner-occupied property becomes an investment property, the Union accounts for such property in accordance with the policy stated under property, plant and equipment up to the date of change in use. Gains and losses arising from changes in fair values of investment properties are included in profit or loss as part of other income in the year in which they arise.

j) Financial Instruments

Financial assets

Initial recognition and measurement

Financial assets are classified, at initial recognition, and subsequently measured at amortised cost, fair value through other comprehensive income (OCI), or fair value through profit or loss.

The classification of financial assets at initial recognition depends on the financial asset's contractual cash flow characteristics and the Union's business model for managing them. With the exception of trade receivables that do not contain a significant financing component, the Union initially measures a financial asset at its fair value plus, in the case of a financial asset not at fair value through profit or loss, transaction costs.

In order for a financial asset to be classified and measured at amortised cost or fair value through OCI, it needs to give rise to cash flows that are 'solely payments of principal and interest' (SPPI) on the principal amount outstanding. This assessment is referred to as the SPPI test and is performed at an instrument level.

The Union's business model for managing financial assets refers to how it manages its financial assets in order to generate cash flows. The business model determines whether cash flows will result from collecting contractual cash flows, selling the financial assets, or both.

Purchases or sales of financial assets that require delivery of assets within a time frame established by regulation or convention in the market place (regular way trades) are recognised on the trade date, i.e., the date that the Union commits to purchase or sell the asset.

Subsequent measurement

For purposes of subsequent measurement, financial assets are classified in categories:

- Financial assets at amortised cost
- Financial assets at fair value through other comprehensive income
- Financial assets at amortised cost

The Union measures financial assets at amortised cost if both of the following conditions are met:

- The financial asset is held within a business model with the objective to hold financial assets in order to collect contractual cash flows and:
- the contractual terms of the financial asset give rise on specified dates to cash flows that are solely payments of principal and interest on the principal amount outstanding

Financial assets at amortised cost are subsequently measured using the effective interest (EIR) method

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

and are subject to impairment. Gains and losses are recognised in profit or loss when the asset is derecognised, modified or impaired.

The Union's financial assets at amortised cost includes cash and trade and other receivables.

Classification of financial assets at fair value through profit or loss

Financial assets that are not measured at amortised cost or at fair value through other comprehensive income, are classified as financial assets at fair value through profit or loss. This includes investments that are not interest bearing notes or term deposits. All gains and losses from these investments, and all fair value movements, are directly recognised through profit or loss.

The Union's financial assets at fair value through profit or loss includes investments in listed shares and units in funds under management.

Fair value

Financial assets at fair value through profit or loss are recognised and measured at fair value on a recurring basis.

- Listed investments: the fair value is based on quoted prices (unadjusted) in active markets for identical assets.
- Interest bearing notes: fair value is determined using quoted prices or dealer quotes for similar instruments.
- Funds under management: fair value is determined by the fund manager's value calculation (which is generally based on the market value of underlying listed investments; and on valuations obtained by the manager, for unlisted assets held in the managed fund portfolio).

Financial Liabilities

Initial recognition and measurement

Financial liabilities are classified, at initial recognition, at amortised cost unless or at fair value through profit or loss. All financial liabilities are recognised initially at fair value and, in the case of financial liabilities at amortised cost, net of directly attributable transaction costs.

The Union's financial liabilities include trade and other payables.

k) Trade and Other Payables

Trade payables and other payables represent liabilities for goods and services provided to the Union prior to the end of the financial year that are unpaid. These amounts are usually settled in 30 days. It also includes the amount of annual leave accrued by all employees as at the end of the financial year. The carrying amount of the creditors and payables is deemed to reflect fair value.

l) Income Received in Advance

All Union dues paid as at the end of the financial year that relate to future periods are accounted for as 'Income Received in Advance' at the actual amounts paid.

m) Fair values

Fair values may be used for financial asset and liability measurement and well as for sundry disclosures. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date. It is based on the presumption that the transaction takes place either in the principal market for the asset or liability or, in the absence of a principal market, in the most advantageous market. The principal or most advantageous market must be accessible to, or by, the Union.

Page 11

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

Fair value is measured using the assumptions that market participants would use when pricing the asset or liability, assuming that market participants act in their best economic interest. The fair value measurement of a non-financial asset takes into account the market participant's ability to generate economic benefits by using the asset at its highest and best use or by selling it to another market participant that would use the asset at its highest and best use. In measuring fair value, the Union uses valuation techniques that maximise the use of observable inputs and minimise the use of unobservable inputs.

n) Critical Accounting Estimates and Judgements

The Committee of Management evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the union.

Fair value measurement of non-financial assets

The Union requires the measurement of fair values, for both financial and non-financial assets and liabilities. The Union has an established control framework with respect to the measurement of fair values. Significant fair value measurements are overseen and reviewed regularly, including unobservable inputs and valuation adjustments. If third party information is used to measure fair values, the Union assesses the evidence obtained from the third parties to support the conclusion that such valuations meet the requirements of AASBs, including the level in the fair value hierarchy in which such valuations should be classified.

Any significant valuation issues are reviewed by the Union's Committee of Management.

When measuring the fair value of an asset or a liability, the Union uses market observable data as far as possible. Fair values are categorised into different levels in a fair value hierarchy based on the inputs used in the valuation techniques as follows.

- Level 1 quoted prices (unadjusted) in active markets for identical assets or liabilities.
- Level 2 inputs other than quoted prices included in Level 1 that are observable for the asset or liability, either directly (i.e. as prices) or indirectly (i.e. derived from prices).
- Level 3 inputs for the asset or liability that are not based on observable market data (unobservable inputs).

If the inputs used to measure the fair value of an asset or a liability might be categorised in different levels of the fair value hierarchy, then the fair value measurement is categorised in its entirety in the same level of the fair value hierarchy as the lowest level input that is significant to the entire measurement. The Union recognises transfers between levels of the fair value hierarchy at the end of the reporting period during which the change has occurred.

Further information about the assumptions made in measuring fair values for investment properties are included in note 6 and land and buildings included in note 9.

Employee benefits provision

The liability for employee benefits expected to be settled more than 12 months from the reporting date are recognised and measured at the present value of the estimated future cash flows to be made in respect of all employees at the reporting date. In determining the present value of the liability, estimates of attrition rates and pay increases through promotion and inflation have been taken into account.

NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

o) New, revised or amended Accounting Standards and Interpretations adopted

The Union has adopted all of the new, revised or amending Accounting Standards and Interpretations issued by the Australian Accounting Standards Board ('AASB') that are mandatory for the current reporting period. Any new, revised or amended Accounting Standards or Interpretations that are not yet mandatory have not been early adopted. The adoption of these Accounting Standards and Interpretations did not have any significant impact on the financial performance or position of the Union.

p) Going Concern

The Union operates as a going concern, with funds from membership subscriptions.

Going Concern - financial support received

The Union's ability to continue as a going concern is not reliant on the agreed financial support of another reporting unit.

Going Concern - financial support provided

The Union has not agreed to provide support to ensure another reporting unit has the ability to continue as a going concern.

The Park Regis Unit is also for a non-cancellable three-year term, with rent paid monthly in arrears. An option exists for the lessee to renew the lease at the end of the three-year term for an additional term of three years.

(c) Revaluation of investment properties

The Union's investment properties consist of one commercial property, three residential properties and one plot of vacant land, all in Australia. Management determined that the investment properties consist of one class of asset under AASB 13, *Fair Value Measurement*, based on the nature, characteristics and risks of the properties.

Fair value of the properties was determined using the income approach and direct comparison approach. The income approach was based on estimated rental value of for the properties. Market rentals and capitalisation rates are estimated by the independent valuer based on comparable transactions and industry data. The direct comparison approach is based on the comparable sales evidence in the immediate locality where the property is located. The valuations performed by the valuer are based on active market prices, significantly adjusted for the difference in the nature, location or condition of the specific property.

As at the date of revaluation, the properties' fair values are based on independent valuations undertaken in November 2020 by Mr Jun Ang (Registered Valuer No. 5035), Mr Carlo Lando (Registered Valuer No. 2534), and Mr Geoff Duffield (Registered Valuer No. 2181), all AAPI certified, and all from Acumentis. They are accredited independent valuers who have valuation experience for similar properties in Australia since 2000.

The Union has no restrictions on the realisability of its investment properties and no contractual obligations to purchase, construct or develop investment properties or for repairs, maintenance and enhancements.

(b) Fair value measurement of land and buildings

The fair value of freehold land and buildings is determined at least every three years based on valuations by an independent valuer. At the end of each intervening period, the management reviews the independent valuation and, when appropriate, update the fair value measurement to reflect current market conditions using a range of valuation techniques, including recent observable market data and discounted cash flow methodologies.

The fair value of land and buildings at 31 December 2020 is based on an independent valuation undertaken on 24th November 2020 by Mr Henry Brown (Registered Valuer No. 3775), AAPI certified, of Acumentis. Management determined that this constitutes one class of asset under AASB 13, based on the nature, characteristics and risks of the property. Fair value of the property was determined by using the direct comparison with sales evidence. The valuation performed by the valuer using the direct comparison approach are based on active market prices, significantly adjusted for the difference in the nature, location or condition of the specific property.

(i) Fair value hierarchy

The fair value of land and buildings was determined by external, independent property valuers, having appropriate recognised professional qualifications and recent experience in the location and category of the property being valued. The independent valuers provide the fair value of the Union's properties at least every three years. As at the date of revaluation, 31 December 2020, the property's fair value is based on valuations performed by Mr Henry Brown (Registered Valuer No. 3775), AAPI certified, of Acumentis. The fair value measurement has been categorised as follows based on the inputs to the valuation technique used (see Note 1).

(ii) Level 3 fair value - valuation techniques and significant unobservable inputs

Fair value of the property was determined by using the market comparable method. This means that the valuation performed by the valuer is based on active market prices, significantly adjusted for the difference in the nature, location or condition of the specific property. A significant increase (decrease) in estimated comparable sale in isolation would result in a significantly higher (lower) fair value.

NOTE 20: FINANCIAL RISK MANAGEMENT

General objectives, policies and processes

The Committee of Management has overall responsibility for risk management. The Committee of Management has established risk management policies designed to identify and monitor risks from financial instruments and ensure any adverse effects from these risks are minimised. The Committee of Management meets on a regular basis to review compliance with risk management policies and to analyse financial risk exposure in the context of the current economic environment. The main risks the Union is exposed to through its financial instruments are liquidity risk, and market risk relating to interest rate and other price risks.

There have been no substantive changes in the Union's exposure to financial instrument risks, its objectives, policies and processes for managing those risks or the methods used to measure them from previous periods unless otherwise stated in this note. Financial instrument risk arises from cash and cash equivalents, investments in shares, trade receivables and trade and other payables.

Categories of Financial Instruments

	2020 \$	2019 \$
Financial Assets		
Cash at bank	7,273,636	5,138,067
Trade Debtors and other receivables	76,945	74,252
Financial assets at fair value through profit or loss	23,783,216	21,756,903
Carrying amount of financial assets	31,133,797	26,969,222
Financial Liabilities		
Trade and other payables	665,785	622,122
Carrying amount of financial liabilities	665,785	622,122

(a) Credit Risk

Credit is the risk that one party to a financial instrument will cause a financial loss for the other party by failing to discharge an obligation. Credit risk arises on cash at bank, financial assets at fair value through profit or loss, and trade and other receivables. The objective of the Union is to minimise exposure to credit risk.

The Union does not have any material credit risk exposure to any single debtor or Union of debtors under financial instruments entered into by the economic entity.

NOTE 20: FINANCIAL RISK MANAGEMENT (CONTINUED)

The carrying amounts of financial instruments best represent the maximum credit risk exposure at the reporting date. No collateral is held as security for financial assets held. No financial assets are considered past due as all payments are considered recoverable when contractually due. The Union's financial instruments exposed to credit risk amounted to the following:

	2020 \$	2019 \$
Financial Assets		
Cash and cash equivalents	7,273,636	5,138,067
Trade and other receivables	76,945	74,252
Financial assets at fair value through profit or loss	23,783,216	21,756,903
Total	31,133,797	26,969,222

(b) Liquidity Risk

Liquidity risk is the risk that an entity will encounter difficulty in meeting obligations associated with financial liabilities. The Union does not have any foreseeable reduction in the number of union members, therefore the exposure to this risk is minimal.

Total	622,122	622,122		-	-	622,122

(c) Market Risk

The objective of the Union's market risk management is to manage and control market risk exposures in order to optimise risk and return. Market risk is the risk that changes in interest rates, foreign exchange rates or other prices and other volatilities in market prices will have an adverse effect on the Union's financial condition or results. Market risk comprises interest rate risk and other market price risk. The Union is not exposed to currency risk. The Union trades in the financial assets at fair value at profit or loss which exposes the Union to the changes in market prices. The Union is exposed to interest rate risk arising from changes in market interest rates.

Interest rate risk

Interest rate risk is the risk of variability of the fair value or future cash flows arising from financial instruments due to the changes in interest rates. The Union has performed a sensitivity analysis relating to its exposure to interest rate risk at balance date. This sensitivity analysis demonstrates the effect on the current year results and equity which could result from a change in this risk. Interest rate risk is the risk that a financial instrument's value will fluctuate as a result of changes in market interest rates. Interest rate risk arises on balances of cash and cash equivalents.

NOTE 20: FINANCIAL RISK MANAGEMENT (CONTINUED)

The following table illustrates sensitivities to the Union's exposures to changes in interest rates:

2020	Effect on equity			
	Carrying amount	Change in Interest rates	Profit and Loss \$	Equity \$
Cash and cash equivalents	7,273,636	+ 1% [—] - 1%	72,736 (72,736)	72,736 (72,736)
2019			Effect on ec	luity
	Carrying	Change in	Profit and Loss	Equity

Cash and cash equivalents	5,138,067	+ 1%	51,381	51,381
		- 1%	(51,381)	(51,381)

NOTE 21: FAIR-VALUE MEASUREMENT

Management of the Union assessed that cash and cash equivalents, trade and other receivables, and trade and other payables approximate their carrying amounts largely due to the short term maturities of these instruments. The fair value of financial assets and liabilities is included at the amount which the instrument could be exchanged in a current transaction between willing parties.

The following assets are recognised and measured at fair value on a recurring basis:

- Financial assets at fair value through profit or loss (FVTPL)
- Land and buildings refer to Note 9
- Investment properties refer to Note 6

There have been no significant transfers between Level 1, Level 2 and Level 3 of the fair value hierarchy during the period.

NOTE 22: EVENTS SUBSEQUENT TO REPORTING DATE

No matter or circumstance has arisen since 31 December 2020 that has significantly affected, or may significantly affect the Union's operations, the results of those operations, or the Union's state of affairs in future financial years.

NOTE 23: RELATED PARTY TRANSACTIONS

(a) Key management personnel

Disclosures relating to key management personnel are set out in Note 15.

(b) Other related party transactions

There were no transactions with related parties.

(c) Outstanding balances

There was no balance outstanding at the end of the reporting period in relation to transactions with related parties.

NOTE 24: INDUSTRIAL RELATIONS ACT 2016 DISCLOSURES

Statement of financial position

No activities have occurred during the reporting period resulting in:

- a) a receivable or other right to receive cash; or
- b) a payable or other financial liability; and
- c) the item or a part of the item has been derived as a result of one or more transactions and/or other past events with another reporting unit of the organisation.

QUEENSLAND POLICE UNION OF EMPLOYEES STATEMENT BY MEMBERS OF THE COMMITTEE

On April 29th 2021, the Committee of Management of Queensland Police Union of Employees (QPUE) passed the following resolution in relation to the general purpose financial report (GPFR) of QPUE for the financial year ended 31 December 2020.

The committee of management declares in relation the GPFR that in its opinion:

- a) the financial statements and notes comply with the Australian Accounting Standards;
- b) the financial statements and notes comply with the reporting guidelines of the Registrar;
- c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of QPUE for the financial year to which they relate;
- d) there are reasonable grounds to believe that QPUE will be able to pay its debts as and when they become due and payable;
- e) during the financial year to which the GPFR relates and since the end of that year:
 - meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
 - ii. the financial affairs of QPUE have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
 - the financial records of QPUE have been kept and maintained in accordance with the Act; and
 - iv. where the organisation consists of two or more reporting units, the financial records of QPUE have been kept, as far as practicable, in a manner consistent with each of the other reporting units of the organisation; and
 - v. where information has been sought in any request by a member of QPUE or Registrar duly made under section 787 of the Act, that information has been provided to the member or Registrar; and
 - vi. where any order for inspection of financial records has been made by the Queensland Industrial Relations Commission under section 788 of the Act, there has been compliance.

This statement is made in accordance with a resolution of the Committee of Management and is signed for and on behalf of the Committee by:

^{**}The only full-time employee above is the President & CEO and his salary is fixed in the Qld Police Union rules set by the Annual Qld Police Union Conference to reflect salary and superannuation paid to a Superintendent of Police, reimbursable to the Qld Police Service. It also includes other allowances as determined by the Qld Police Union rules as set out by the Qld Police Union Annual Conference.

The amounts with an asterisk are the reportable amounts under the *Fringe Benefits Tax Assessment Act 1986*. Reportable fringe benefits are calculated by multiplying the taxable value of the fringe benefits provided by the lower gross-up rate. The lower gross-up rate for the FBT year ending 31 March 2021 is 1.8868. For example, if the taxable value of allowances paid is \$12,000.00, the reportable fringe benefit amount is \$22,641.60.

^{*} Figures with an asterisk are the figures that appear on each individual's payment summary, and they do not represent the nett amount paid to each individual, nor the actual total cost to the Union for each individual, as taxation rebates apply owing to the Union's not for profit status

INDEPENDENT AUDITOR'S REPORT

To the members of Queensland Police Union of Employees

Report on the Audit of the Financial Report

Opinion

We have audited the financial report of Queensland Police Union of Employees (the Entity), which comprises the statement of financial position as at 31 December 2020, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, and notes to the financial report, including a summary of significant accounting policies, and the declaration by Committee of Management.

In our opinion the accompanying financial report presents fairly, in all material respects, the financial position of the Queensland Police Union of Employees as at 31 December 2020, and its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards and any other requirements imposed by these Reporting Guidelines or Part 11 of Chapter 12 of the *Industrial Relations Act 2016*.

Basis for opinion

We conducted our audit in accordance with Australian Auditing Standards. Our responsibilities under those standards are further described in the *Auditor's Responsibilities for the Audit of the Financial Report* section of our report. We are independent of the Entity in accordance with the ethical requirements of the Accounting Professional and Ethical Standards Board's APES 110 *Code of Ethics for Professional Accountants (including Independence Standards)* (the Code) that are relevant to our audit of the financial report in Australia. We have also fulfilled our other ethical responsibilities in accordance with the Code.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Other information

The Committee of Management are responsible for the other information. The other information obtained at the date of this auditor's report is information included in the reporting unit's operating report, but does not include the financial report and our auditor's report thereon.

Our opinion on the financial report does not cover the other information and accordingly we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial report, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial report or our knowledge obtained in the audit, or otherwise appears to be materially misstated.

If, based on the work we have performed on the other information obtained prior to the date of this auditor's report, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Responsibilities of Committee of Management for the Financial Report

The Committee of Management is responsible for the preparation and fair presentation of the financial report in accordance with Australian Accounting Standards and the *Industrial Relations Act 2016*, and for such internal control as management determines is necessary to enable the preparation and fair presentation of a financial report that is free from material misstatement, whether due to fraud or error.

In preparing the financial report, the Committee of Management is responsible for assessing the Entity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Entity or to cease operations, or has no realistic alternative but to do so.

The Committee of Management are responsible for overseeing the Entity's financial reporting process.

Auditor's responsibilities for the audit of the Financial Report

Our objectives are to obtain reasonable assurance about whether the financial report as a whole is free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with the Australian Auditing Standards will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of this financial report.

A further description of our responsibilities for the audit of the financial report is located at the Auditing and Assurance Standards Board website (http://www.auasb.gov.au/Home.aspx) at:

http://www.auasb.gov.au/auditors_responsibilities/ar4.pdf

This description forms part of our auditor's report.

Declaration by the auditor

I, T R Mann, declare that I am an approved auditor, a member of the Institute of Chartered Accountants in Australia and hold a current Public Practice Certificate.
