To the members of the Police Association of South Australia

Scope

e have audited the attached special purpose financial report, comprising the Statement by Executive Committee, Profit and Loss Account, **Balance Sheet and Notes** to and forming part of the Financial Statements, of The Police Association of South Australia for the year ended 30 June 2006. The Association's Executive Committee are responsible for the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements are appropriate to meet the requirements of the Industrial Relations Act, 1988, and the Associations Incorporation Act (SA) and are appropriate to meet the needs of the members. We have conducted an independent audit of the financial report in order to express an opinion on it to the members of The Police Association of South Australia. No opinion is expressed as to whether

the accounting policies used, and described in Note 1, are appropriate to the needs of the members.

The financial report has been prepared for distribution to members for the purpose of fulfilling the Executive Committee's financial reporting requirements under the Industrial Relations Act. 1988 and the Associations incorporation Act (SA). We disclaim any assumption of responsibility for any reliance on this report or on the financial statements to which it relates to any person other than the members or for any purpose other than that for which it was prepared.

Our audit has been conducted in accordance with Australian Auditing Standards. Our procedures included examination, on a test basis, of evidence supporting the amounts and other disclosures in

the financial statements and the evaluation of significant accounting estimates. These procedures have been undertaken to form an opinion whether, in all material respects, the financial report is presented fairly in accordance with the accounting policies described in Note 1 so as to present a view which is consistent with our understanding of the Association's financial position, and performance as represented by the results of its operation. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia.

The audit opinion expressed in this report has been formed on the above basis.

Audit Opinion

In our opinion, the financial report of The Police Association of South Australia presents a true and fair view of the financial position of The Police Association of South Australia as at 30 June 2006 and the results of its operations for the year then ended in accordance with the accounting policies described in Note 1 to the financial statement.

s detailed in Note 1 to the accounts the Association is not a reporting entity because in the Executive Committee's opinion, users are unlikely to exist who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs and these accounts are therefore "Special Purpose Financial Reports" which have been prepared solely to fulfil the requirements of the constitution of the Association.

The Association has applied the provisions of miscellaneous professional statement APS 1 "Conformity with Statements of Accounting Concepts and Accounting Standards" relevant to special purpose financial reports. On this basis no other Accounting Standards are applicable.

The Association has however adopted the accruals basis of accounting as defined in AAS 6 "Accounting Policies – Determination, Application and Disclosure". Other accounting standards have only been applied to the extent that they coincide with the accounting policies set out in Note 1 to the accounts.

In the Executive Committee's opinion:

- (a) The accompanying profit and loss account is drawn up so as to give a true and fair view of the profit of the Association for the financial year ended 30 June 2006.
- (b) The accompanying balance sheet is drawn up so as to give a true and fair view of the state of affairs of the Association as at 30 June 2006; and

(c) There are reasonable grounds to believe that the Association will be able to pay its debts as and when they fall due.

1 Summary of Accounting Policies

General System of Accounting underlying the Financial Statements

The Association is not a reporting entity because in the Executive Committee's opinion, users are unlikely to exist who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs and these Accounts are therefore "Special Purpose Financial Reports" which have been prepared solely to fulfil the requirements of the constitution of the Association.

The Association has applied the provisions of Miscellaneous Professional Statement APS 1 "Conformity with Statements of Accounting Concepts and Accounting Standards" relevant to Special Purpose Financial Reports. On this basis no other Accounting Standards are applicable. The Association has however adopted the accruals basis of accounting defined in AAS 6 "Accounting Policies — Determination, Application and Disclosure". Other accounting standards have only been applied to the extent that they coincide with the accounting policies set out below.

The financial statements have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied, unless stated otherwise.

Significant Accounting Policies

Accounting policies are selected and applied in a manner, which ensures that the resultant financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions and other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

Depreciation

Depreciation is provided on plant and equipment, on a straight line or reducing balance basis as considered appropriate so as to write off the net cost of each asset during its expected useful life. Land and buildings are not depreciated as, in the opinion of the Executive Committee, no diminution in value has occurred.

Inventories

Inventories of Association Emblems are valued at cost.

Employee Entitlements

Provision has been made in the financial statements for annual leave and long service leave accruing to employees in accordance with statutory and contractual requirements and based on actual entitlements and earnings applicable at year end.

Land and Buildings at Valuation

The Land & Buildings at 27 Carrington Street, Penneshaw, Kangaroo Island, Blinman, Glenelg, Wallaroo and 11-15 Winifred Street were valued on 13 June 2003 by Ian Sach Property Consultants and are approved by the committee as a true reflection of the current value of the properties.

A new property on the Gold Coast was purchased during the year.

Extraordinary Items

Corporate Income represents the net proceeds of the commercial agreement with the Police Credit Union.

The Police Club contribution represents the net proceeds received from the sale of the Police Club Gaming entitlements and machines, transferred in accordance with the Club rules.

Dated this 13th day of September 2006

For the Financial year ended 30 June 2006

As detailed in Note 1 to the financial statements, the Club is not a reporting entity because, in the opinion of the committee, there are unlikely to exist users of the financial report who are unable to command the preparation of reports tailored so as to satisfy specifically all of their information needs. Accordingly, this special purpose financial report has been prepared to satisfy requirements under the Associations Incorporation Act 1985 as amended and the Club's constitution.

The committee declare that:

- (a) the attached financial statements and notes thereto present fairly in accordance with the accounting policies described in Note 1 to the financial statements. The Club's financial position as at 30 June 2006 and the results of its operations for the 12 month period then ended; and
- (b) in the committee's opinion, there are reasonable grounds to believe that the Club will be able to pay its debts as and when they become due and payable

Signed in accordance with a resolution of the committee.

Of behalf of the committee.

1 Summary of Accounting Policies

General System of Accounting underlying the Financial Statements

The financial report, being a special purpose financial report, has been prepared to meet the requirements of the Associations Incorporation Act 1985 as amended and the Club's constitution.

The club is not a reporting entity because in the Executive Committee's opinion, there is unlikely to exist users who are unable to command the preparation of reports tailored so as to satisfy all of their specific information needs and theses accounts are therefore "Special Purpose Financial Reports" that have been prepared solely to meet the constitution of the club.

The club has applied Accounting Standard AASB 1025 "Application of the Reporting Entity Concept and Other Amendments". Since the Executive Committees consider the club is not a reporting entity as defined in AASB 1025, the club is not required to comply with other Accounting Standards.

The financial statements have been prepared on the basis of historical costs and do not take into account changing money values or, except where stated, current valuations of non-current assets. The accounting policies have been consistently applied, unless stated otherwise.

Significant Accounting Policies

Accounting policies are selected and applied in a manner which ensures that the resultant financial information satisfies the concepts of relevance and reliability, thereby ensuring that the substance of the underlying transactions and other events is reported.

The following significant accounting policies have been adopted in the preparation and presentation of the financial report:

Depreciation

Depreciation is provided on property, plant and equipment. Depreciation is calculated on a straight line or reducing balance basis as considered appropriate so as to write off the net cost of each asset during its expected useful life.

Inventories

Inventories of bar stocks are valued at cost.

Gaming Licence and Gaming Machines

The Police Club resolved by motion to surrender its gaming entitlements. The entitlements were successfully sold and consequently all gaming machines and paraphernalia were sold. The gaming licence was subsequently surrendered. The net proceeds of these sales were transferred to the Police Association in accordance with the rules.
