Dear Stuart Fysh

**The Print and Visual Communication Association's annual return of information (Annual Return) lodged under subsection 233(1) of the RO Act**

Thank you for providing your declarations and information (Annual Return) lodged under subsection 233(1) of the Fair Work (Registered Organisations) Act 2009 (the RO Act).

**Summary of your Annual Return and Review Outcome**

|                |                |
|----------------|----------------|
| Year           | 2021           |
| Matter number  | AR2021/55      |
| Lodgement date | 30 March 2021  |
| Review         | Primary Review |
| Result         | FILED          |

**Your primary review**

Your Annual Return had a **primary review** which checked whether it was signed by an officer, lodged on time, the required declarations were made, included the list of offices and office holders and whether you met the requirements that the ROC raised with you last year. A primary review does not examine all the requirements of subsection 233(1).

Your Annual Return has been uploaded to the ROC website.

You do not need to do anything further this year. The following comments are made to assist you when you prepare next year's Annual Return.

## Details of offices

The ROC's review has identified that the Annual Return did not accurately record the names of offices as at the date that the Annual Return was lodged.

The document lodged referred to 'Director' offices when these positions are referred to as 'Board Member' offices in the Print and Visual Communication Association's rules.

Future annual returns should refer to these positions as 'Board Member' offices.

## Next year

The ROC will check for compliance with these areas next year.

## The ROC's risk-based approach

This year your Annual Return was assessed against a primary review. A primary review does not check all legislative requirements.

Over a five year period the Annual Return of every organisation will be subject to at least one advanced review. An advanced review is a more comprehensive review.

The ROC's [advanced review checklists](#) are published on our website.

## Do you have questions?

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).
