8. Elections in Organisations and Branches

Sections 15A(b) and 16(b) of the Screen Producers Association of Australia's Rules provided for notice that an election will be held in 2010 for the positions of President, Vice President and Councillors and of closing dates for the lodging of nominations and for voting and calling for nominations shall be given to members at least twenty eight (28) days before the closing date for voting, such date being not less than seven (7) days before the date fixed for the next Annual General Meeting.

Please note that SPAA has been advised by the Australian Industrial Registry (Fair Work) that according to the Rules 15A (b) 16 (b) it is not essential that the above elections are held separately. However the Association has traditionally held the elections in two stages and would prefer to continue doing so.

The role of voters shall close seven days before the day on which nominations open. (This means that anyone who is financial seven days before the nominations open is allowed to vote.) This is according to Section r138(1)(f) and per new provisions in rules 15A(e) & 16(e)).

The voting system to be used in the conduct of the election is the direct voting system.

9. Statement Concerning number of members

The recorded number of members of the organization on 31 December 2010 was 335.

Yours sincerely
