**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF  
THE SHEARING CONTRACTORS ASSOCIATION OF AUSTRALIA**

**The general purpose financial report and committee's responsibility**

The financial report covers The Shearing Contractors Association of Australia as an individual entity. The financial report is presented in Australian Dollars, which is The Shearing Contractors Association of Australia's functional and presentation currency.

The financial report consists of the financial statements, notes to the financial statements and the statement by members of the committee for The Shearing Contractors Association of Australia, for the year ended 30 November 2005.

The committee of the association is responsible for the preparation and true and fair presentation of the financial report and have determined that the accounting policies used and described in Note 1 to the financial statements which form part of the financial report are consistent with the financial reporting requirements of the Fair Work (Registered Organisations) Act and are appropriate to meet the needs of the members. This includes responsibility for the maintenance of adequate accounting records and internal controls that are designed to prevent and detect fraud and error, and for the accounting policies and accounting estimates inherent in the financial report.

The general purpose financial report has been prepared for distribution to members for the purpose of fulfilling the committee's financial reporting requirements under the Fair Work (Registered Organisations) Act. We disclaim any assumption of responsibility for any reliance on this report or on the financial report to which it relates to any person other than the members, or for any purpose other than that for which it was prepared.

**Audit Approach**

We conducted an independent audit in order to express an opinion to the members of the association. Our audit was conducted in accordance with Australian auditing standards, in order to provide reasonable assurance as to whether the financial report is free of material misstatement. The nature of an audit is influenced by factors such as the use of professional judgement, selective testing, the inherent limitations of internal control, and the availability of persuasive rather than conclusive evidence. Therefore, an audit cannot guarantee that all material misstatements have been detected.

We performed procedures to assess whether in all material respects the financial report presents fairly, in accordance with the accounting policies described in Note 1, so as to present a view which is consistent with our understanding of the association's financial position, and of its performance as represented by the results of its operations. These policies do not require the application of all Accounting Standards and other mandatory professional reporting requirements in Australia. No opinion is expressed as to whether the accounting policies used and described in Note 1, are appropriate for the needs of the members.

We formed our audit opinion on the basis of these procedures, which included;

- examining, on test basis, information to provide evidence supporting the amounts and disclosures in the financial report, and
- assessing the appropriateness of the accounting policies and disclosures used and the reasonableness of significant accounting estimates made by the committee.

While we considered the effectiveness of management's internal controls over financial reporting when determining the nature and extent of our procedures, our audit was not designed to provide assurance on internal controls.

**INDEPENDENT AUDIT REPORT TO THE MEMBERS OF  
THE SHEARING CONTRACTORS ASSOCIATION OF AUSTRALIA**

**Independence**

In conducting our audit, we followed applicable independence requirements of Australian professional ethical pronouncements.

**Audit Opinion**

In our opinion, the financial report of The Shearing Contractors Association of Australia presents a true and fair view in accordance with the accounting policies described in Note 1 to the financial statements, of the financial position of The Shearing Contractors Association of Australia as at 30 November 2005 and the results of its operations and its cash flows for the year then ended.

**NOTES TO THE FINANCIAL STATEMENTS**  
**FOR THE YEAR ENDED 30TH NOVEMBER 2005**

---

**1 Significant Accounting Policies**

This financial report is a general purpose financial report prepared in order to satisfy the financial report preparation requirements of the Fair Work (Registered Organisations) Act. The committee has determined that the company is a reporting entity.

The Shearing Contractors Association of Australia is an Association, incorporated and domiciled in Australia.

The report has been prepared in accordance with the requirements of the Fair Work (Registered Organisations) Act, and the following applicable Accounting Standards and Urgent Issues Group Consensus Views:

AASB 110: The Balance Sheet Date  
AASB 1031: Materiality  
AASB 112: Income Taxes

**New, revised or amending Standards and Interpretations**

*AASB 101 Presentation of Financial Statements ('AASB 101')*

The company has applied the revised AASB 101 and now presents a statement of comprehensive income, which incorporates the income statement and all non-owner changes in equity. As a result, the company now presents all owner changes in the statement of changes in equity. The balance sheet is now referred to as the statement of financial position. There is a requirement to present a third statement of financial position if there is restatement of comparatives through either a correction of error, change in accounting policy or a reclassification. The cash flow statement is now referred to as the statement of cash flows.

No other applicable Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The report is also prepared on an accruals basis and is based on historic costs and does not take into account changing money values or, except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this report:

**Income Tax**

The association adopts the liability method of tax-effect accounting whereby the income tax expense shown in the income and expenditure statement is based on the operating profit before income tax adjusted for any permanent differences.

The Association is a tax exempt organisation in accordance with the Income Tax Assessment Act.

These notes are to be read in conjunction with the attached audit report.
