Email: secretary@sdansw.asn.au

Dear Mr Dwyer,

Shop, Distributive & Allied Employees' Association – New South Wales Branch Financial Report for the Year Ended 30th June 2006 - FR2006/393 Schedule 1 of the Workplace Relations Act 1996 (RAO Schedule)

Thank you for the financial report of the New South Wales Branch of the Shop, Distributive & Allied Employees' Association for the year ended 30 June 2006. The documents were lodged in the Australian Industrial Registry on 18 October 2006.

The documents have been filed.

I make the following comments to assist you in preparing financial documents in the future. You do not need to take any further action in respect of the documents which have been lodged.

Date documents supplied to members

Could you please include in the Designated Officer's Certificate the date documents were supplied to the members. Whilst this is not expressly required by s268 of the RAO Schedule, it can demonstrate compliance with the timescale requirements. The financial documents must be provided to members at least 21 days before being presented to a general meeting – see s265(5)(a) of the RAO Schedule.

Auditor's Report

Section 257(5) of the RAO Schedule sets out the matters upon which an auditor is required to make an opinion. That subsection requires the opinion to refer specifically to Australian Accounting Standards. While reference is made to Australian Accounting Standards in the Scope of the Report, they are not specifically mentioned in the Audit Opinion.

The following wording would satisfy the requirements of the Schedule regarding the Auditor's opinion:

In our opinion the General Purpose Financial Report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of Schedule 1B of the Workplace Relations Act 1996.

Disclosure of Donations

You have lodged a statement setting out the relevant particulars of donations made by the organisation in accordance with s.237 of the RAO Schedule. In addition, an organisation is required to separately disclose the balance in the notes to the financial statements unless it is already disclosed on the face of the profit and loss statement (refer Reporting Guidelines 11(f)).

Please do not hesitate to contact me by email at robert.pfeiffer@air.gov.au or on (03) 8661 7817 if you wish to discuss this letter.

A copy of the financial report has been placed on the website maintained by the Industrial Registry at http://www.e-airc.gov.au/006nnsw.

Yours sincerely,

for
