CC: Geoff Snowball, auditor, by email: gws@senet.com.au

Dear Mr Malinauskas,

# Shop, Distributive and Allied Employees Association - South Australian Branch Financial Report for the year ended 30 June 2014 - [FR2014/336]

I acknowledge receipt of the financial report of the Shop, Distributive and Allied Employees Association - South Australian Branch. The documents were lodged with the Fair Work Commission on 13 November 2014.

The financial report has now been filed. You are not required to take any further action in respect of the report lodged.

The financial report was filed based on a primary review. This involved confirming that the financial reporting timelines required under s.253, s.265, s.266 and s.268 of the *Fair Work (Registered Organisations) Act 2009* (RO Act) have been satisfied, all documents required under s.268 of the RO Act were lodged and that various disclosure requirements under the Australian Accounting Standards, RO Act and reporting guidelines have been complied with. A primary review does not examine all disclosure requirements.

Please note that the financial report for the year ending 30 June 2015 may be subject to an advanced compliance review.

I make the following comments to assist you when you next prepare a financial report. You are not required to take any further action in respect of the report lodged. The Fair Work Commission will confirm these concerns have been addressed prior to filing next year's report.

## General purpose financial report to be prepared on accrual basis

Section 252 of the RO Act places obligations upon reporting units to keep financial records. Under section 252(4) an organisation may *keep* the financial records for its membership subscriptions on a cash basis.

This is distinct from the obligation under section 253 to prepare a general purpose financial report (GPFR). Section 253 requires that '...a reporting unit must cause a general purpose financial report to be *prepared*, in accordance with the Australian Accounting Standards, from the financial records kept under subsection 252(1) in relation to the financial year...'. Paragraph 27 of Australian Accounting Standard *AASB101 Presentation of Financial Statements*, states that 'an entity shall prepare its financial statements, except for cash flow information, using the accrual basis of accounting'.

The notes to the financial statements state that the report 'has been prepared on an accruals basis' however states further that:

- 'Revenue from membership subscriptions is recognised as revenue at the later of receipt and the commencement of the accounting year to which they relate.'
- 'Affiliation fees, interest revenue and other income are recognised as they are received.'

Both of these notes would indicate that the revenue of the branch is not recognised on a purely accruals basis.

In future please ensure that all revenue, including member subscriptions, is brought to account on an accruals basis in accordance with the Australian Accounting Standards. It is further noted that this will result in a change of accounting policy that will need to be disclosed in accordance with AASB 108 (Accounting Policies, Changes in Accounting Estimates and Errors). You may need to discuss this with your auditor.

# INDEPENDENT AUDIT REPORT TO THE MEMBERS OF THE SHOP DISTRIBUTIVE AND ALLIED EMPLOYEES ASSOCIATION SOUTH AUSTRALIAN BRANCH

## **Registered under the Fair Work (Registered Organisations) Act 2009**

I have audited the accompanying financial report of the Shop Distributive & Allied Employees Association South Australian Branch (the Association) which comprises the balance sheet as at 30 June 2014, the income statement, statement of changes in equity and cash flow statement for the year ended on that date, notes comprising a summary of significant accounting policies and other explanatory information, the Operating Report and the Committee of Management Statement.

## **Responsibility for the Financial Report**

The Committee of Management of the Association is responsible for the preparation and fair presentation of the financial report and has determined that the basis of preparation described in Note 1 is appropriate to meet the requirements of the Association's rules, the relevant provisions of the Fair Work (Registered Organisations) Act 2009 and for such internal control as the Committee of Management determine is necessary to enable the preparation and fair presentation of the financial report that is free from material misstatement, whether due to fraud or error.

The financial report has been prepared for distribution to the members of the Association for the purpose of fulfilling the requirements of sections 265(1) and 265(5) of the Fair Work (Registered Organisations) Act 2009 in relation to the financial report and the independent auditor's report. As a result the financial report may not be suitable for another purpose.

## Auditor's Responsibility

My responsibility is to express an opinion on the financial report based on my audit. I conducted my audit in accordance with Australian Auditing Standards. Those standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgement, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the association's preparation and fair presentation of the financial report in order to design audit procedures

An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the Committee of Management, as well as evaluating the overall presentation of the financial report.

I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion. I have also concluded that the Committee of Management's use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

#### Independence

In conducting my audit, I have complied with the independence requirements of Australian professional accounting bodies.

## Auditor's Opinion

In my opinion

- the general purpose financial report of the Shop Distributive & Allied Employees Association South Australian Branch presents fairly, in all material respects, the financial position of the Shop Distributive & Allied Employees Association South Australian Branch as at 30 June 2014, and its financial performance and cash flows for the year then ended in accordance with Australian Accounting Standards and the requirements imposed by Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.
- 2. All information and explanations that, under Section 252 of the Fair Work (Registered Organisations) Act 2009, officers or employees of the Association were required to provide were provided, and
- there were kept by the Association, in relation to the year, satisfactory accounting records including records of the sources and nature of the income of the organisation (including income from members) and records of the nature and purposes of the expenditure of the organisation.

## SHOP DISTRIBUTIVE AND ALLIED EMPLOYEES ASSOCIATION SOUTH AUSTRALIA BRANCH OPERATING REPORT FOR THE YEAR ENDED 30 JUNE 2014

The committee of management presents its report on the reporting unit for the financial year ended 30 June 2014.

# Review of principal activities, the results of those activities and any significant changes in the nature of those activities during the year

The association's core business of providing high-quality industrial services to members remains a high priority.

New Enterprise Agreements or wage outcomes have been successfully negotiated for approximately 3,000 members in the 12 months to 30<sup>th</sup> June 2014.

New Agreements were finalised with companies including ALM, Big W DC, Cheap as Chips, Coles Liquor Group, Dan Murphy's and Bras N Things. Negotiations with Coles Supermarkets commenced in the financial year 13/14 and remain ongoing.

Our emphasis on recruitment has resulted in a 2.21% increase in membership in the financial year 2014.

The association continues to pursue members' interests by running relevant issue based campaigns. The 100% Pay at 18+ Campaign has been successful in leading to the removal of junior based pay rates for 20 year-olds in the General Retail Industry Award. This national campaign is ongoing as the association continues the fight to remove aged based pay discrimination for adults in the retail industry.

## SHOP DISTRIBUTIVE AND ALLIED EMPLOYEES ASSOCIATION SOUTH AUSTRALIA BRANCH COMMITTEE OF MANAGEMENT STATEMENT FOR THE YEAR ENDED 30 JUNE 2014

On 17<sup>th</sup> September 2014 the Committee of Management of the Shop Distributive and Allied Employees Association South Australia Branch passed the following resolution in relation to the general purpose financial report (GPFR) for the year ended 30 June 2014:

The Committee of Management declares that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager;
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - (iv) where the organisation consists of two or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner with each of the other reporting units of the organisation; and
  - (v) where information has been sought in any request by a member of the reporting unit or General Manager duly made under section 272 of the RO Act has been provided to the member or General Manager; and
  - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance.
- (f) where the reporting unit has not derived revenue from undertaking recovery of wages activity, include the statement 'no revenue has been derived from undertaking recovery of wages activity during the reporting period' or
- (g) where the reporting unit has derived revenue from undertaking recovery of wages activity:

- (i) the financial report on recovery of wages activity has been fairly and accurately prepared in accordance with the requirements of the reporting guidelines of the General Manager; and
- (ii) the committee of management instructed the auditor to include in the scope of the audit required under subsection 257(1) of the RO Act all recovery of wages activity by the reporting unit from which revenues had been derived for the financial year in respect of such activity; and
- (iii) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies recovered from employers on behalf of workers other than reported in the financial report on recovery of wages activity and the notes to the financial statements; and
- (iv) that prior to engaging in any recovery of wages activity, the organisation has disclosed to members by way of a written policy all fees to be charged or reimbursement of expenses required for recovery of wages activity, and any likely request for donations or other contributions in acting for a worker in recovery of wages activity; and
- (v) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies recovered from employers on behalf of workers until distributions of recovered money were made to the workers.

This declaration is made in accordance with a resolution of the Committee of Management.

## NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 30 JUNE 2014

#### NOTE 1: STATEMENT OF SIGNIFICANT ACCOUNTING POLICIES

This financial report covers the Shop Distributive and Allied Employees' Association South Australian Branch. The Shop Distributive and Allied Employees' Association South Australian Branch is a not-for-profit association incorporated in South Australia under the Fair Work (Registered Organisations) Act 2009. It is part of a larger corporate legal entity, the Shop Distributive and Allied Employees' Association which is registered under the Fair Work (Registered Organisations) Act 2009 (the Act).

#### **Basis of Preparation**

The financial report is a general purpose financial report that has been prepared in accordance with Australian Accounting Standards, Australian Accounting Interpretations, other authoritative pronouncements of the Australian Accounting Standards Board and the Fair Work (Registered Organisations) Act 2009.

Australian Accounting Standards set out accounting policies the AASB has concluded would result in a financial report containing relevant and reliable information about transactions, events and conditions to which they apply. Compliance with Australian Accounting Standards ensures the financial statements and notes also comply with International Financial Reporting Standards. Material accounting policies adopted in the preparation of this report are presented below. They have been consistently applied unless otherwise stated.

The financial report has been prepared on an accruals basis and is based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets and financial liabilities.

Accounting Policies

(a) Income Tax

The Union is exempt from Income Tax under division 50, section 50-15 of the Income Tax Assessment Act 1997.

#### (b) Property, Plant and Equipment

Each class of property, plant and equipment is carried at cost or fair value as indicated less, where applicable, any accumulated depreciation and impairment losses.

## Plant and Equipment

Plant and equipment are measured on the cost basis less depreciation and impairment losses.

The carrying amount of plant and equipment is reviewed annually by Committee Members to ensure it is not in excess of the recoverable amount from these assets. The recoverable amount is assessed

on the basis of the expected net cash flows that will be received from the assets' employment and subsequent disposal. The expected net cash flows have been discounted to their present values in determining recoverable amounts.

Subsequent costs are included in the asset's carrying amount or recognised as a separate asset, as appropriate, only when it is probable that future economic benefits associated with the item will flow to the Union and the cost of the item can be measured reliably. All other repairs and maintenance are charged to the income statement during the financial period in which they are incurred.

#### Depreciation

The depreciable amount of all fixed assets including building and capitalised lease assets, is depreciated on a declining value basis over their useful lives, commencing from the time the asset is held ready for use.

The depreciation rates used for each class of depreciable assets are:

Motor Vehicles	25%
Office Equipment	10% - 25%

The assets' residual values and useful lives are reviewed and adjusted, if appropriate, at each balance date.

An asset's carrying amount is written down immediately to its recoverable amount if the asset's carrying amount is greater than its estimated recoverable amount.

Gains and losses on disposals are determined by comparing proceeds with the carrying amount. These gains and losses are included in the income statement. When re-valued assets are sold, amounts included in the revaluation relating to that asset are transferred to retained earnings.

## (c) Impairment of Assets

At each reporting date, the Union reviews the carrying values of its tangible assets to determine whether there is any indication that those assets have been impaired. If such an indication exists, the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value-in-use, is compared to the asset's carrying value. Any excess of the asset's carrying value over its recoverable amount is expensed to the income statement.

Where it is not possible to estimate the recoverable amount of an individual asset, the Union estimates the recoverable amount of the cash-generating unit to which the asset belongs.

## (d) Employee Benefits

Provision is made for the Union's liability for employee benefits arising from services rendered by employees to balance date. Employee benefits that are expected to be settled within one year have been measured at the amounts expected to be paid when the liability is settled, plus related on-costs. Employee benefits payable later than one year have been measured at the present value of the estimated future cash outflows to be made for those benefits.

(e) Cash and Cash Equivalents

Cash and cash equivalents include cash on hand, deposits held at-call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts.

(f) Revenue and Other Income

Revenue from membership subscriptions is recognised as revenue at the later of receipt and the commencement of the accounting year to which they relate.

Affiliation fees, interest revenue and other income are recognised as they are received.

All revenue is stated net of the amount of Goods and Services Tax (GST).

(g) Goods and Services Tax (GST)

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Tax Office. In these circumstances the GST is recognised as part of the cost of acquisition of the asset or as part of an item of the expense. Receivables and payables in the balance sheet are shown exclusive of GST.

Cash flows are presented in the cash flow statement on a gross basis, except for the GST component of investing and financing activities, which are disclosed as operating cash flows.

#### (h) Comparative Figures

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Payments to the International Fund had been incorrectly recorded as affiliation fees rather than a levy.

The comparative figures have been adjusted as follows:

#### Income

Affiliation fees were reduced from \$656,294 to \$504,842, a reduction of \$151,453. Levies received were increased from \$23,614 to \$175,066, an increase of \$151,453 (rounded).

#### Expenditure

Affiliation fees were reduced from \$748,973 to \$578,556, a reduction of \$170,417. Levies paid were increased from \$26,469 to \$196,886, an increase of \$170,417.

#### (i) Capital Management

The Committee of Management controls the capital of the entity to ensure adequate cash flows are generated to fund its services and returns from investments are maximised. The Committee ensures the overall risk management strategy is in line with this objective.

Risk management policies are approved and reviewed by the committee on a regular basis. These include credit risk policies and future cash flow requirements

The entity's capital consists of financial liabilities, supported by financial assets.

The Committee of Management effectively manages the entity's capital by assessing the entity's financial risks and responding to changes in these risks and in the market. These responses may include consideration of debt levels.

There have been no changes to the strategy adopted by management to control the capital of the entity since prior year. The strategy of the entity is to ensure sufficient cash is on hand to meet trade and sundry payables.

#### Critical Accounting Estimates and Judgements

The committee members evaluate estimates and judgements incorporated into the financial report based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the Union.

#### NOTE 13: FINANCIAL RISK MANAGEMENT

The association's activities expose it to a number of financial risks. The committee of management is responsible for monitoring and managing the financial risks of the association. They monitor these risks through monthly committee meetings where monthly management accounts are presented and analysed. The association does not enter into derivative financial instruments and does not speculate in any type of financial instrument.

#### Liquidity Risk

Liquidity risk is the risk the association will not be able to meet its obligations as they fall due.

The association has significant funds available in unrestricted bank accounts which can be drawn upon to pay creditors as they fall due. The Finance Officer monitors the association's available cash balances to ensure sufficient funds are available to pay creditors within the standard 30 day terms. Given the association's liquidity position, this risk is minimal.

#### Credit Risk

Credit risk is the risk of financial loss if a customer fails to meet its contractual obligations.

The association has exposure to credit risk through its receivable to the extent there is unpaid interest at balance sheet date. The majority of receivables are from affiliation fees and members subscriptions. Provided member numbers are maintained, credit risk at year end is minimal.

#### Interest Rate Risk Exposure

Interest rate risk is the risk changes in interest rate will affect the association's income or the value of its obligations, and arises on floating rate debt.

The association's only financial asset subject to floating rate interest risk is cash at bank. The association does not have any floating rate debt. All other receivables and liabilities are non-interest bearing. It is unlikely a fluctuation or movement in interest rate will have a material impact on the association. Interest rate risk is minimal.

#### NOTE 16: RELATIONSHIP WITH STATE-REGISTERED ASSOCIATION

The state-registered Shop Distributive and Allied Employees Association South Australia Branch is registered under the South Australian Fair Work Act 1994. It is not a reporting unit of the organisation.

Its head office is located in Kent Town South Australia and it services members employed in South Australia.

The federal association covers the Northern Territory and New South Wales (Broken Hill area), with its head office in Kent Town South Australia and regional offices in Darwin and Broken Hill.

The state-registered association is affiliated with the federal-registered association.

Members of the state-registered association are also members of the federal-registered association under the affiliation arrangement.

The Northern Territory and Broken Hill membership is approximately one tenth of the South Australian membership.

The associations have similar aims in their respective locations.
