

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**FINANCIAL REPORT  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**OPERATING REPORT**

In accordance with Section 254 of the Fair Work (Registered Organisations) Act 2009 ("Act") the Committee of Management present their Operating Report on the Textile Clothing Footwear Union of Australia Western Australian Branch ("the Union"), the relevant Reporting Unit for the financial year ended 31 December 2013.

**Principal Activities**

The principal activities of the Union during the financial year were to represent the industrial, professional and political interests of textile, clothing and footwear workers in the State of Western Australia.

**Operating Result**

The results of the principal activities of the Union during the financial year was to further the interests of TCF workers through improvements in wages and conditions, health and safety, legal rights and company compliance with Australian labour standards.

The operating loss of the Union for the financial year was \$2,600 (2012: \$1,192). No provision for tax was necessary as the Union is exempt from income tax.

**Significant change**

There were no significant changes in the principal activities or financial affairs of the Union during the financial year.

**Rights of Members**

Pursuant to the Reporting Unit Rule 21 and Section 174 of the Fair Work (Registered Organisations) Act 2009, members have the right to resign from membership by providing written notice addressed to and delivered to the Secretary of the Reporting Unit.

A notice of resignation from membership of the Union takes effect:

- (a) where the member ceases to be eligible to become a member of the Union
  - (i) on the day on which the notice is received by the Union
  - (ii) on the day specified in the notice which is a day not earlier than the day when the member ceases to be eligible to become a member;whichever is the later, or
- (b) in any other case:
  - (i) at the end of two weeks after the notice is received by the Union, or
  - (ii) on the day specified in the noticewhichever is the later.

**Superannuation Officeholders**

No officer or member of the reporting unit:

- (a) is a trustee of a superannuation entity or an exempt public sector superannuation scheme; or
- (b) a director of a company that is a trustee of a superannuation entity or an exempt public sector superannuation scheme.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**OPERATING REPORT continued**

**Other Prescribed Information**

In accordance with Regulation 159 of the Fair Work (Registered Organisations) Regulations 2009 ("Regulations"):

- (a) the number of persons that were, at the end of the financial year to which the report relates, recorded in the register of members for Section 230 of the Act and who are taken to be members of the Union under section 244 of the Act was 23 (2012: 24)
- (b) the number of persons who were, at the end of the financial year to which the report relates, employees of the Union, where the number of employees includes both full-time and part-time employees, measured on a full-time equivalent basis was nil.
- (c) the names of each person who have been a member of the Committee of Management of the Union at any time during the reporting period, and the period for which he or she held such a position were;

**Name**

Karyn Constable	Branch President
Barry Willcocks	Branch Secretary
Natalie Kellerman	Branch Trustee

Committee members have been in office since the start of the financial year to the date of this report unless otherwise stated.

Signed in accordance with a resolution of the Committee of Management.

For Committee of Management: Barry Willcocks  
Title of Office held: Branch Secretary

Signature:

Dated: 25 May 2014

ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Basis of Preparation**

The financial statements are general purpose financial statements that have been prepared in accordance with Australian Accounting Standards and Interpretations of the Australian Accounting Standards Board (AASB), International Financial Reporting Standards as issued by the International Accounting Standards Board and the Fair Work (Registered Organisations) Act 2009. The entity is a not-for-profit entity for financial reporting purposes under Australian Accounting Standards. Material accounting policies adopted in the preparation of these financial statements are presented below and have been consistently applied unless stated otherwise.

The financial statements, except for cash flow information, have been prepared on an accruals basis and are based on historical costs, modified, where applicable, by the measurement at fair value of selected non-current assets, financial assets and financial liabilities. The amounts presented in the financial statements have been rounded to the nearest dollar.

**a. Income Tax**

No provision for income tax is necessary as "Trade Unions" are exempt from income tax under Section 50-1 of the Income Tax Assessment Act 1997.

**b. Fair Value of Assets and Liabilities**

The entity measures some of its assets and liabilities at fair value on either a recurring or non-recurring basis, depending on requirements of the applicable Accounting Standard.

Fair value is the price the entity would receive to sell an asset or would have to pay to transfer a liability in an orderly (ie unforced) transaction between independent, knowledgeable and willing market participants at the measurement date.

As fair value is a market based measure, the closest equivalent observable market pricing information is used to determine fair value. Adjustments to market values may be made having regard to the characteristics of the specific asset or liability. The fair values of assets and liabilities that are not traded in an active market are determined using one or more valuation techniques. These valuation techniques maximise, to the extent possible, the use of observable market data.

To the extent possible, market information is extracted from either the principal market for the asset or liability (ie the market with the greatest volume and level of activity for the asset or liability) or, in the absence of such a market, the most advantageous market available to the entity at the end of the reporting period (ie the market that maximises the receipts from the sale of the asset or minimises the payments made to transfer the liability, after taking into account transaction costs and transport costs).

For non-financial assets, the fair value measurement also takes into account a market participant's ability to use the asset in its highest and best use or to sell it to another market participant that would use the asset in its highest and best use.

The fair value of liabilities and the entity's own equity instruments may be valued, where there is no observable market price in relation to the transfer of such financial instrument, by reference to observable market information where such instruments are held as assets. Where this information is not available, other valuation techniques are adopted and, where significant, are detailed in the respective note to the financial statements.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**c. Financial Instruments**

**Initial recognition and measurement**

Financial assets and financial liabilities are recognised when the entity becomes a party to the contractual provisions of the instrument. For financial assets, this is equivalent to the date that the entity commits itself to either purchase or sell the asset (ie trade date accounting is adopted).

Financial instruments are initially measured at fair value plus transaction costs, except where the instrument is classified "at fair value through profit or loss", in which case transaction costs are expensed to profit or loss immediately.

**Classification and subsequent measurement**

Financial Instruments are subsequently measured at fair value, amortised cost using the effective interest method, or cost. Where available, quoted prices in an active market are used to determine fair value. In other circumstances, valuation techniques are adopted.

Amortised cost is calculated as the amount at which the financial asset or financial liability is measured at initial recognition less principal repayments and any reduction for impairment, and adjusted for any cumulative amortisation of the difference between that initial amount and the maturity amount calculated using the effective interest method.

The effective interest method is used to allocate interest income or interest expense over the relevant period and is equivalent to the rate that exactly discounts estimated future cash payments or receipts (including fees, transaction costs and other premiums or discounts) through the expected life (or when this cannot be reliably predicted, the contractual term) of the financial instrument to the net carrying amount of the financial asset or financial liability. Revisions to expected future net cash flows will necessitate an adjustment to the carrying amount with a consequential recognition of an income or expense item in profit or loss.

Fair value is determined based on current bid prices for all quoted investments. Valuation techniques are applied to determine the fair value for all unlisted securities, including recent arm's length transactions, reference to similar instruments and option pricing models.

**(i) Financial assets at fair value through profit or loss**

Financial assets are classified at "fair value through profit or loss" when they are held for trading for the purpose of short-term profit taking, derivatives not held for hedging purposes, or when they are designated as such to avoid an accounting mismatch or to enable performance evaluation where a entity of financial assets is managed by key management personnel on a fair value basis in accordance with a documented risk management or investment strategy. Such assets are subsequently measured at fair value with changes in carrying amount being included in profit or loss.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**c. Financial Instruments continued**

**(ii) *Loans and receivables***

Loans and receivables are non-derivative financial assets with fixed or determinable payments that are not quoted in an active market and are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

Loans and receivables are included in current assets, except for those which are not expected to mature within 12 months after the end of the reporting period, which will be classified as non-current assets.

**(iii) *Held-to-maturity investments***

Held-to-maturity investments are non-derivative financial assets that have fixed maturities and fixed or determinable payments, and it is the entity's intention to hold these investments to maturity. They are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial asset is derecognised.

**(iv) *Available-for-sale investments***

Available-for-sale investments are non-derivative financial assets that are either not capable of being classified into other categories of financial assets due to their nature or they are designated as such by management. They comprise investments in the equity of other entities where there is neither a fixed maturity nor fixed or determinable payments.

They are subsequently measured at fair value with any remeasurements other than impairment losses and foreign exchange gains and losses recognised in other comprehensive income. When the financial asset is derecognised, the cumulative gain or loss pertaining to that asset previously recognised in other comprehensive income is reclassified into profit or loss.

Available-for-sale financial assets are classified as current assets when they are expected to be sold within 12 months after the end of the reporting period. All other available-for-sale financial assets are classified as non-current assets.

**(v) *Financial liabilities***

Non-derivative financial liabilities other than financial guarantees are subsequently measured at amortised cost. Gains or losses are recognised in profit or loss through the amortisation process and when the financial liability is derecognised.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**c. Financial Instruments continued**

**Impairment**

At the end of each reporting period, the entity assesses whether there is objective evidence that a financial asset has been impaired. A financial asset or a entity of financial assets is deemed to be impaired if, and only if, there is objective evidence of impairment as a result of one or more events (a "loss event") having occurred, which has an impact on the estimated future cash flows of the financial asset(s).

In the case of available-for-sale financial assets, a significant or prolonged decline in the market value of the instrument is considered to constitute a loss event. Impairment losses are recognised in profit or loss immediately. Also, any cumulative decline in fair value previously recognised in other comprehensive income is reclassified to profit or loss at this point.

In the case of financial assets carried at amortised cost, loss events may include: indications that the debtors or an entity of debtors are experiencing significant financial difficulty, default or delinquency in interest or principal payments; indications that they will enter bankruptcy or other financial reorganisation; and changes in arrears or economic conditions that correlate with defaults.

For financial assets carried at amortised cost (including loans and receivables), a separate allowance account is used to reduce the carrying amount of financial assets impaired by credit losses. After having taken all possible measures of recovery, if management establishes that the carrying amount cannot be recovered by any means, at that point the written-off amounts are charged to the allowance account or the carrying amount of impaired financial assets is reduced directly if no impairment amount was previously recognised in the allowance account.

When the terms of financial assets that would otherwise have been past due or impaired have been renegotiated, the entity recognises the impairment for such financial assets by taking into account the original terms as if the terms have not been renegotiated so that the loss events that have occurred are duly considered.

**Financial guarantees**

Where material, financial guarantees issued that require the issuer to make specified payments to reimburse the holder for a loss it incurs because a specified debtor fails to make payment when due are recognised as financial liabilities at fair value on initial recognition.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**c. Financial Instruments continued**

The fair value of financial guarantee contracts has been assessed using the probability-weighted discounted cash flow approach. The probability has been based on:

- the likelihood of the guaranteed party defaulting during the next reporting period;
- the proportion of the exposure that is not expected to be recovered due to the guaranteed party defaulting; and
- the maximum loss exposure if the guaranteed party were to default.

Financial guarantees are subsequently measured at the higher of the best estimate of the obligation in accordance with AASB 137: Provisions, Contingent Liabilities and Contingent Assets and the amount initially recognised less, when appropriate, cumulative amortisation in accordance with AASB 118: Revenue. Where the entity gives guarantees in exchange for a fee, revenue is recognised under AASB 118.

**Derecognition**

Financial assets are derecognised when the contractual rights to receipt of cash flows expire or the asset is transferred to another party whereby the entity no longer has any significant continuing involvement in the risks and benefits associated with the asset. Financial liabilities are derecognised when the related obligations are discharged, cancelled or have expired. The difference between the carrying amount of the financial liability extinguished or transferred to another party and the fair value of consideration paid, including the transfer of non-cash assets or liabilities assumed, is recognised in profit or loss.

**d. Impairment of Assets**

At the end of each reporting period, the entity assesses whether there is any indication that an asset may be impaired. The assessment will include considering external sources of information and internal sources of information, including dividends received from subsidiaries, associates or jointly controlled entities deemed to be out of pre-acquisition profits. If such an indication exists, an impairment test is carried out on the asset by comparing the recoverable amount of the asset, being the higher of the asset's fair value less costs to sell and value in use to the asset's carrying amount. Any excess of the asset's carrying amount over its recoverable amount is recognised immediately in profit or loss, unless the asset is carried at a revalued amount in accordance with another Standard (eg in accordance with the revaluation model in AASB 116). Any impairment loss of a revalued asset is treated as a revaluation decrease in accordance with that other Standard.

Where it is not possible to estimate the recoverable amount of an individual asset, the entity estimates the recoverable amount of the cash-generating unit to which the asset belongs.

**e. Cash and Cash Equivalents**

Cash and cash equivalents include cash on hand, deposits held at call with banks, other short-term highly liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within short-term borrowings in current liabilities on the statement of financial position.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 988**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**f. Revenue and Other Income**

Grant revenue is recognised on a proportional basis over the period that the grant relates to where the grant monies are controlled or conditions for recognition have been met. Where there are conditions attached to grant revenue received in advance relating to the use of those grants for specific purposes it is recognised in the statement of financial position as a liability until such conditions are met or services are provided.

Revenue from membership subscriptions is recognised on an accrual basis.

Interest revenue is recognised on a proportional basis taking into account the interest rates applicable to the financial assets.

All revenue is stated net of the amount of goods and services tax (GST).

**g. Trade and Other Receivables**

Trade and other receivables include amounts due from customers for goods sold and services performed in the ordinary course of business. Receivables expected to be collected within 12 months of the end of the reporting period are classified as current assets. All other receivables are classified as non-current assets.

Trade and other receivables are initially recognised at fair value and subsequently measured at amortised cost using the effective interest method, less any provision for impairment. Refer to Note 1(d) for further discussion on the determination of impairment losses.

**h. Trade and Other Payables**

Trade and other payables represent the liabilities for goods and services received by the entity that remain unpaid at the end of the reporting period. The balance is recognised as a current liability with the amounts normally paid within 30 days of recognition of the liability.

**i. Goods and Services Tax (GST)**

Revenues, expenses and assets are recognised net of the amount of GST, except where the amount of GST incurred is not recoverable from the Australian Taxation Office (ATO).

Receivables and payables are stated inclusive of the amount of GST receivable or payable. The net amount of GST recoverable from, or payable to, the ATO is included with other receivables or payables in the statement of financial position.

Cash flows are presented on a gross basis. The GST components of cash flows arising from investing or financing activities, which are recoverable from or payable to the ATO, are presented as operating cash flows included in receipts from customers or payments to suppliers.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**j. Comparative Figures**

When required by Accounting Standards, comparative figures have been adjusted to conform to changes in presentation for the current financial year.

Where the entity has retrospectively applied an accounting policy, made a retrospective restatement of items in the financial statements or reclassified items in its financial statements, an additional statement of financial position as at the beginning of the earliest comparative period will be disclosed.

**k. Critical Accounting Estimates and Judgments**

The committee of management evaluate estimates and judgments incorporated into the financial statements based on historical knowledge and best available current information. Estimates assume a reasonable expectation of future events and are based on current trends and economic data, obtained both externally and within the entity.

**Key estimates**

The committee of management assesses impairment at each reporting date by evaluating conditions specific to the entity that may lead to impairment of assets. Where an impairment trigger exists, the recoverable amount of the asset is determined. Value in use calculation performed in assessing recoverable amounts incorporates a number of key estimates.

**Key judgments**

No key judgments have been used in the preparation of this financial report.

**l. New and Amended Accounting Policies Adopted by the Entity**

**Financial statements**

The entity adopted the following Australian Accounting Standards, together with the relevant consequential amendments arising from related Amending Standards, from the mandatory application date of 1 January 2013:

- AASB 12: Disclosure of Interests in Other Entities
- AASB 13: Fair Value Measurement
- AASB 119: Employee Benefits

The accounting policies have been updated to reflect changes in the recognition and measurement of assets, liabilities, income and expenses and the impact of adoption of these standards is discussed below.

AASB 12 Disclosure of Interests in Other Entities includes all disclosures relating to an entity's interest in associates, joint arrangements, subsidiaries and structured entities.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 1: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES continued**

**i. New and Amended Accounting Policies Adopted by the Entity continued**

AASB 13 Fair Value Measurement does not change what and when assets or liabilities are recorded at fair value. It provides guidance on how to measure assets and liabilities at fair value, including the concept of highest and best use for non-financial assets. AASB 13 has not changed the fair value measurement basis for any assets or liabilities held at fair value.

AASB 119 Employee benefits changes the basis for determining the income or expense relating to defined benefit plans and introduces revised definitions for short-term employee benefits and termination benefits.

The entity reviewed the annual leave liability to determine the level of annual leave which is expected to be paid more than 12 months after the end of the reporting period. Whilst this has been considered to be a long-term employee benefits for the purpose of measuring the leave under AASB 119, the effect of discounting was not considered to be material and therefore has not been performed.

There was no change to the treatment of provisions from the prior year, therefore no restatements of the comparative figures were required.

**m. New Accounting Standards for Application in Future Periods**

The AASB has issued new and amended Accounting Standards and Interpretations that have mandatory application dates for future reporting periods. The entity has decided against early adoption of these standards. The following table summarises those future requirements, and their impact on the Entity:

Standard Name	Effective date for entity	Requirements	Impact
AASB 9 Financial Instruments and amending standards AASB 2010-7/AASB 2012-6	30 June 2016	Changes to the classification and measurement requirements for financial assets and financial liabilities.  New rules relating to derecognition of financial instruments.	The impact of AASB 9 has not yet been determined as the entire standard has not been released.

AASB 2011-4 – Amendments to Australian Accounting Standards to Remove Individual Key Management Personnel Disclosure Requirements [AASB 124]	30 June 2014	Remove Individual key management personnel disclosure requirements (i.e. components of remuneration) for disclosing entities.	The entity is not a disclosing entity.
AASB 2011-6 – Amendments to Australian Accounting Standards - Extending Relief from Consolidation, the Equity Method and Proportionate Consolidation – Reduced Disclosure Requirements [AASB 127, AASB 128 & AASB 131]	30 June 2014	This Standard extends the relief from consolidation, the equity method and proportionate consolidation by removing the requirement for the financial statements prepared by the ultimate or any intermediate parent entity to be IFRS compliant, provided that the parent entity, investor or venturer and the ultimate or intermediate parent entity comply with Australian Accounting Standards or Australian Accounting Standards - Reduced Disclosure Requirements.	Since the entity does not comply with the Reduced Disclosure Regime there is no impact on the adoption of this standard.

**m. New Accounting Standards for Application in Future Periods continued**

<b>Standard Name</b>	<b>Effective date for entity</b>	<b>Requirements</b>	<b>Impact</b>
AASB 2011-7 – Amendments to Australian Accounting Standards arising from the Consolidation & Joint Arrangements Standards [AASB 1, 2, 3, 5, 7, 9, 2009-11, 101, 107, 112, 118, 121, 124, 132, 133, 136, 138, 139, 1023 & 1038 and Interpretations 5, 9, 16 & 17]	30 June 2014	This standard provides many consequential changes due to the release of the new consolidation and joint venture standards.	The impact of this standard is expected to be minimal.
AASB 119 Employee Benefits (September 2011)	30 June 2014	The main changes in this standard relate to the accounting for defined benefit plans and are as follows:  - elimination of the option to defer the recognition of gains and losses (the 'corridor method'); - requiring remeasurements to be presented in other comprehensive income; and - enhancing the disclosure requirements.	Since the entity does not have a defined benefit plan, the adoption of these standards will not have any impact.
AASB 2011-10 Amendments to Australian Accounting Standards arising from AASB 119 (September 2011) and AASB 2011-11 Amendments to AASB 119 (September 2011) arising from Reduced Disclosure Requirements			
AASB 2010-10 - Further Amendments to Australian Accounting Standards – Removal of Fixed Dates for First-time Adopters [AASB 2009-11 & AASB 2010-7]	30 June 2014	Makes amendments to AASB 1	No impact since the entity is not a first-time adopter of IFRS.

**(i) Provision for Impairment of Receivables**

Current trade receivables are generally on 30-day terms. These receivables are assessed for recoverability and a provision for impairment is recognised when there is objective evidence that an individual trade receivable is impaired. These amounts have been included in other expense items.

**Credit risk**

The entity has no significant concentration of credit risk with respect to any single counterparty or entity of counterparties other than those receivables specifically provided for and mentioned within Note 6. The main source of credit risk to the entity is considered to relate to the class of assets described as "trade and other receivables".

The following table details the entity and parent's trade and other receivables exposed to credit risk (prior to collateral and other credit enhancements) with ageing analysis and impairment provided for thereon. Amounts are considered as "past due" when the debt has not been settled within the terms and conditions agreed between the entity and parent and the customer or counterparty to the transaction. Receivables that are past due are assessed for impairment by ascertaining solvency of the debtors and are provided for where there are specific circumstances indicating that the debt may not be fully repaid to the entity.

The balances of receivables that remain within initial trade terms (as detailed in the table) are considered to be of high credit quality.

**NOTE 8: CASH FLOW INFORMATION continued**

- a. The entity has no credit stand-by or financing facilities in place other than as disclosed in the financial report.
- b. There were no non-cash financing or investing activities during the period.

**NOTE 9: EVENTS AFTER THE REPORTING PERIOD**

There are no events subsequent to the reporting date of this report which will have a material effect on the financial report for the year ended 31 December 2013.

**NOTE 10: SEGMENT REPORTING**

The Union operates predominantly in one big industry, being the textile, clothing and footwear sector. The business operates predominantly in one geographical area being Western Australia.

**NOTE 11: KEY MANAGEMENT PERSONNEL COMPENSATION AND RELATED PARTY  
TRANSACTIONS**

The names of committee of management of the entity who have held office during the financial year are:

<i>Name</i>	
Karyn Constable	Branch President
Barry Willcoks	Branch Vice Secretary
Natalie Kellerman	Branch Trustee

- a. The aggregate amount of remuneration paid to elected officials during the financial year for salaries was \$Nil (2012: \$Nil).

The aggregate amount paid during the financial year to a superannuation plan in connection with the retirement of elected officials was \$Nil (2012: \$Nil).

- b. The aggregate amount of remuneration paid to other persons on the Committee of Management was as follows: -
  - salaries and allowances \$Nil (2012: \$Nil).
  - superannuation \$Nil (2012: \$Nil).
  - loss of wages \$Nil (2012: \$Nil).
- c. No officer has received any remuneration because the officer is a member of a board or hold that position only because of their position as an officer or because they were nominated for the position on the board by the organisation/branch/peak council.
- d. No officer has received any remuneration from a related party to the organisation/branch in connection with the performance of the officer's duties.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 11: KEY MANAGEMENT PERSONNEL COMPENSATION AND RELATED PARTY  
TRANSACTIONS continued**

- e. No officer has any material personal interest in a matter that the officer or a relative of the officer has or acquires that relates to the affairs of the organisation/branch.
- f. Apart from the above, there were no other transactions between the officers of the entity other than those relating to their membership of the entity and reimbursement by the entity in respect of expenses incurred by them in the performance of their duties. Such transactions have been on conditions no more favourable than those which it is reasonable to expect would have been adopted by parties at arm's length.
- g. The Textile Clothing and Footwear Union National office administered the transactions and the financial statements for the Western Australian branch. This work is performed without any administration fee or charge.

**NOTE 12: ECONOMIC DEPENDENCE**

The principle source of income for the union is membership fees.

**NOTE 13: FINANCIAL RISK MANAGEMENT**

The entity's financial instruments consist mainly of deposits with banks, local money market instruments, short-term investments, accounts receivable and payable and loans to and from subsidiaries.

The totals for each category of financial instruments, measured in accordance with AASB 139 as detailed in the accounting policies to these financial statements, are as follows:

	2013 \$	2012 \$
<b>Financial assets</b>		
Cash and cash equivalents	49,849	28,281
Loans and receivables	580	28,430
<b>Total financial assets</b>	<u>50,229</u>	<u>56,691</u>
<b>Financial liabilities</b>		
Trade and other payables	4,295	8,157
<b>Total financial liabilities</b>	<u>4,295</u>	<u>8,157</u>

**Financial Risk Management Policies**

The committee of management's overall risk management strategy seeks to assist the entity in meeting its financial targets, while minimising potential adverse effects on financial performance. Risk management policies are approved and reviewed by the committee of management on a regular basis. These include the credit risk policies and future cash flow requirements.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 13: FINANCIAL RISK MANAGEMENT continued**

**Specific Financial Risk Exposures and Management**

The main risks the entity is exposed to through its financial instruments are credit risk, liquidity risk, and market risk relating to interest rate risk and other price risk.

There have been no substantive changes in the types of risks the entity is exposed to, how these risks arise, or the committee of management's objectives, policies and processes for managing or measuring the risks from the previous period.

**a. Credit risk**

Exposure to credit risk relating to financial assets arises from the potential non-performance by counterparties of contract obligations that could lead to a financial loss to the entity.

Credit risk is managed through maintaining procedures (such as the utilisation of systems for the approval, granting and removal of credit limits, regular monitoring of exposure against such limits and monitoring of the financial stability of significant customers and counterparties) ensuring, to the extent possible, that members and counterparties to transactions are of sound credit worthiness.

Risk is also minimised through investing surplus funds in financial institutions that maintain a high credit rating or in entities that the committee has otherwise cleared as being financially sound.

*Credit risk exposures*

The maximum exposure to credit risk by class of recognised financial assets at the end of the reporting period is equivalent to the carrying value and classification of those financial assets (net of any provisions) as presented in the statement of financial position.

There is no collateral held by the entity securing trade and other receivables.

The entity has no significant concentrations of credit risk with any single counterparty or entity of counterparties. Details with respect to credit risk of trade and other receivables are provided in Note 6.

Trade and other receivables that are neither past due nor impaired are considered to be of high credit quality. Aggregates of such amounts are detailed at Note 6.

**b. Liquidity risk**

Liquidity risk arises from the possibility that the entity might encounter difficulty in settling its debts or otherwise meeting its obligations related to financial liabilities. The entity manages this risk through the following mechanisms:

- preparing forward-looking cash flow analyses in relation to its operational, investing and financing activities;
- only investing surplus cash with major financial institutions; and
- Proactively monitoring the recovery of unpaid subscriptions.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 13: FINANCIAL RISK MANAGEMENT continued**

Cash flows realised from financial assets reflect management's expectation as to the timing of realisation. Actual timing may therefore differ from that disclosed. The timings of cash flows presented in the table to settle financial liabilities reflect the earliest contractual settlement dates and do not reflect management's expectations that banking facilities will be rolled forward.

	Within 1 Year \$	1 to 5 Years \$	Over 5 Years \$	Total \$

Net inflow/(outflow) on financial instruments	<u>48,534</u>	<u>-</u>	<u>-</u>	<u>48,534</u>

**c. Market risk**

**i. Interest rate risk**

Exposure to interest rate risk arises on financial assets and financial liabilities recognised at the end of the reporting period whereby a future change in interest rates will affect future cash flows.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 988**

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 31 DECEMBER 2013**

**NOTE 13 FINANCIAL RISK MANAGEMENT continued**

*Sensitivity analysis*

The following table illustrates sensitivities to the entity's exposures to changes in interest rates and equity prices. The table indicates the impact on how profit and equity values reported at the end of the reporting period would have been affected by changes in the relevant risk variable that management considers to be reasonably possible.

These sensitivities also assume that the movement in a particular variable is independent of other variables.

	Profit \$
<b>Year ended 31 December 2013</b>	
+/-2% in interest rates	<u>993</u>
<b>Year ended 31 December 2012</b>	
+/-2% in interest rates	<u>585</u>

There have been no changes in any of the assumptions used to prepare the above sensitivity analysis from the prior year.

**Fair Values**

**Fair value estimation**

The fair values of financial assets and financial liabilities are as presented in the statement of financial position. Fair value is the amount at which an asset could be exchanged, or a liability settled, between knowledgeable, willing parties in an arm's length transaction.

Fair value may be based on information that is estimated or subject to judgment, where changes in assumptions may have a material impact on the amounts estimated. Areas of judgment and the assumptions have been detailed below. Where possible, valuation information used to calculate fair value is extracted from the market, with more reliable information available from markets that are actively traded. In this regard, fair values for listed securities are obtained from quoted market bid prices. Where securities are unlisted and no market quotes are available, fair value is obtained using discounted cash flow analysis and other valuation techniques commonly used by market participants.

There is no variance between the fair value and carrying value at the year end.

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**COMMITTEE OF MANAGEMENT STATEMENT**

On 25 May 2014 the Committee of Management of the Textile Clothing Footwear Union of Australia (Western Australian Branch) ("Union/Reporting Unit") passed the following resolution in relation to the general purpose financial report (GPFR) of the reporting unit for the financial year ended 31 December 2013:

The Committee of Management declares in relation to the GPFR that in its opinion:

- (a) the financial statements and notes comply with the Australian Accounting Standards;
- (b) the financial statements and notes comply with the reporting guidelines of the General Manager of Fair Work Commission
- (c) the financial statements and notes give a true and fair view of the financial performance, financial position and cash flows of the reporting unit for the financial year to which they relate;
- (d) there are reasonable grounds to believe that the reporting unit will be able to pay its debts as and when they become due and payable; and
- (e) during the financial year to which the GPFR relates and since the end of that year:
  - (i) meetings of the committee of management were held in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (ii) the financial affairs of the reporting unit have been managed in accordance with the rules of the organisation including the rules of a branch concerned; and
  - (iii) the financial records of the reporting unit have been kept and maintained in accordance with the RO Act; and
  - (iv) where the organisation consists of 2 or more reporting units, the financial records of the reporting unit have been kept, as far as practicable, in a consistent manner to each of the other reporting units of the organisation; and
  - (v) where the information has been sought in any request by a member of the reporting unit or the General Manager duly made under section 272 of the RO Act, that information has been provided to the member or the General Manager; and
  - (vi) where any order for inspection of financial records has been made by the Fair Work Commission under section 273 of the RO Act, there has been compliance

**TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA  
WESTERN AUSTRALIAN BRANCH  
ABN 40 773 308 986**

**COMMITTEE OF MANAGEMENT STATEMENT  
continued**

- (f) where the reporting unit has undertaken recovery of wages activity:
- (i) the financial report on recovery of wages activity has been fairly and accurately prepared in accordance with the requirements of the reporting guidelines of the General Manager; and
  - (ii) the committee of management instructed the auditor to include in the scope of the audit required under subsection 257(1) of the RO Act all recovery of wages activity by the reporting unit in which revenues had been derived for the financial year in respect of such activity; and
  - (iii) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from moneys recovered from employers on behalf of workers other than reported in the financial report on recovery of wages activity and the notes to the financial statements; and
  - (iv) that prior to engaging in any recovery of wages activity, the organisation has disclosed to members by way of a written policy all fees to be charged or reimbursement of expenses required for recovery of wages activity, and any likely request for donations or other contributions in acting for a worker in recovery of wages activity; and
  - (v) no fees or reimbursements of expenses in relation to recovery of wages activity or donations or other contributions were deducted from monies recovered from employers on behalf of workers until distributions of recovered money were made to the workers.
- (g) that the members receive a copy of the full financial report.

Signed in accordance with a resolution of the Committee of Management dated 25 May 2014

For Committee of Management: Barry Willcocks  
Title of Office held: Branch Secretary

Signature:

Dated: 25 May 2014

Perth

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA WESTERN  
AUSTRALIAN BRANCH**

**Report on the Financial Report**

We have audited the accompanying financial report of Textile Clothing & Footwear Union of Australia (Western Australian Branch), which comprises the statement of financial position as at 31 December 2013, the statement of profit or loss and other comprehensive income, the statement of changes in equity and the statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory notes and the committee of management's declaration of the entity during the financial year.

**Committee of Management's Responsibility for the Financial Report**

The entity's committee of management is responsible for the preparation of the financial report that gives a true and fair view in accordance with Australian Accounting Standards and the Fair Work (Registered Organisations) Act 2009 and for such internal control as the committee of management determine is necessary to enable the preparation of the financial report that is free from material misstatement, whether due to fraud or error. In Note 1, the committee of management also state, in accordance with Accounting Standard AASB 101: Presentation of Financial Statements that the financial statements comply with International Financial Reporting Standards (IFRS).

**Auditor's Responsibility**

Our responsibility is to express an opinion on the financial report based on our audit. We conducted our audit in accordance with Australian Auditing Standards. Those standards require that we comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial report is free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial report. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial report, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial report in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the committee of management, as well as evaluating the overall presentation of the financial report.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

**Independence**

In conducting our audit, we have complied with the independence requirements of the Australian professional ethical pronouncements.

**INDEPENDENT AUDITOR'S REPORT  
TO THE MEMBERS OF TEXTILE CLOTHING & FOOTWEAR UNION OF AUSTRALIA WESTERN  
AUSTRALIAN BRANCH continued**

**Auditor's Opinion**

In our opinion the general purpose financial report of the entity:

- a. (i) presented fairly the entity's financial report for the year ended 31 December 2013 in accordance with the provisions of the Fair Work (Registered Organisations) Act 2009, other requirements imposed by these Reporting Guidelines or Part 3 of Chapter 8 of the Act; and  
(ii) complied with the Australian Accounting Standards (including Australian Accounting Interpretations) and the International Financial Reporting Standards as disclosed in Note 1.
- b. properly and fairly report all information in relation to recovery of wages activity required by the reporting guidelines of Fair Work Commission including;
  - (i) any fees charged to or reimbursements of expenses claimed from, members and others for recovery of wages activity; and
  - (ii) any donations or other contributions deducted from recovered money
