Dear Mr Kaine,

Annual Return of Information for 2016 [AR2016/67]

I acknowledge receipt on 31 March 2016 of your Declaration providing information in accordance with subsection 233(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act).

The documents lodged cover the required information for the 2016 Annual Return of Information of Transport Workers' Union of Australia. The documents have been filed and can be viewed on the Fair Work Commission website through the List of Registered Organisations - <http://www.fwc.gov.au/registered-organisations/find-registered-organisations>.

However, to assist with future lodgements I note that Regulation 147(d)(ii) of the *Fair Work (Registered Organisations) Regulations 2009* requires organisations to lodge a record of the address of the *office of each branch* of the organisation. The Annual Return originally lodged by the Transport Workers' Union of Australia lists postal addresses for the Queensland and New South Wales Branches rather than office addresses. Office addresses have since been provided by the relevant branches, but please ensure in future years that this information is included in the Annual Return.

Notification of changes made to records

I also acknowledge receipt of recent Notifications of Change to the office holders of the Transport Workers' Union of Australia.

This information was lodged with the Fair Work Commission (the Commission) in accordance with s.233(2) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act). The table below outlines the changes notified and when they were lodged. Our records have been updated accordingly.

The document can be viewed on the Commission Website through the list of Registered Organisations - <https://www.fwc.gov.au/registered-organisations/find-registered-organisations>

Date of lodgement	Change
6 June 2016	National Trustee
30 August 2016	Queensland Branch Committee of Management
6 September 2016	New South Wales Branch Secretary/Treasurer, Branch Assistant Secretary

Any further changes to these records must be notified to the Commission within 35 days of the change. A template Notification of Change Declaration is available on the [fact-sheets](#) page of our website. The Transport Workers' Union of Australia is encouraged to use this template if any changes occur.

The Commission will accept notifications of change from the relevant branches or from the national office. If the national office of the Transport Workers' Union of Australia does NOT intend to file notifications of change, please ensure that all branches are aware of their continuing obligation and the requisite time frames regarding notifications of change.

If a branch lodges a notification of change with the Commission, the branch should also provide the information to the national body in order to ensure that the organisation is able to comply with its obligations under section 233(1) of the RO Act.

Yours sincerely,

Rebecca Lee
