**Post Election Report For: Transport Workers' Union of Australia
Election E No 2006/195**

I refer to the above election for your organisation.

Section 197(1) of Schedule 1 of the Workplace Relations Act 1996 requires the AEC to provide a written report on the conduct of the election to the Industrial Registrar and to the organisation or branch for whom the election was conducted. A copy of the report in relation to this election is attached.

Section 198 of Schedule 1 requires that if an organisation or branch is given a post election report under section 197 that identifies a rule that was difficult to interpret or apply, the organisation or branch must, within 30 days, give a written response to the AEC on that aspect of the report. The response must specify whether the organisation or branch intends to take any action in relation to the rule, and if so, what action it intends to take.

If the attached Report identifies a rule that was difficult to interpret or apply, you should forward your response to the AEC by email to 'industrial.elections@aec.gov.au' within thirty days of the date of the report.

Section 198 and the regulations also require an organisation to make the post election report and the organisation's response to the report (if applicable) available to members. Further, Regulation 141(4) of the Workplace Relations (RAO) Regulations requires an organisation or branch to publish a notice on its web site advising members that a copy of the post election report is available upon request. If a website is not available, publishing a notice in a journal or newsletter would be considered appropriate.

Please contact me if you wish to clarify any aspect of this report.

Andrew

The effective membership (which founds the federal councilor numbers 24(2)) as at our May federal council was as follows:

NSW/ACT	25863.13	= 3 Councillors
QLD	10070.90	= 3 Councillors
Vic	18161.42	= 3 Councillors
SA	4901.88	= 1 Councillor
WA	9848.8	= 3 Councillors

These figures are based on the most recent member subscriptions in each branch divided by the Federal Union subscription fee at the relevant time.

Please let me know if you require more information.

Michael,

Re: TWU Election - E2006/190

Thank you for your assistance

I am seeking to have this decision completed by 4.00 pm today

Therefore, can you supply ASAP the membership numbers for the branches as per Rule 24(2) to show that the formula for the number of Federal Councillors from each branch has been correctly applied

In addition, can you advise ASAP regarding the following:

16/08/2006

Can you confirm that the Vic/Tas Branch should have a "Federal Councillor - Tasmania" as per Rule 24(1)(h) not 24(1)(g) as stated in the election request

Can you confirm whether there is only a Gas Industry Sub-branch in SA and not in any other state

Subject: election decision - TWUA elections

Andrew

Is an election decision regarding the quadrennial elections to be held in accordance with new rule 93, Special Rule - 2006 elections to be made this week?

Are there any additional steps the Union needs to take at this stage?
