Dear National Secretary,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of stage 1 and 2, contested and uncontested offices in matter E2018/141. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must, as soon as practicable after receiving the post-election report, publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Transport Workers' Union of Australia must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

2. Person(s) who have commenced to hold office:
- the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and
 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Yours faithfully,

Christine Hibberd

Mr John Berger
National Vice-President Vic/Tas Branch Secretary
Transport Workers' Union of Australia-Victorian/Tasmanian Branch
info@twu.asn.au

Dear Mr Berger,

cc: National Secretary, legal@twu.com.au

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Registered Organisations Commission (the ROC) a declaration of results for the election of uncontested and contested offices for VIC and TAS Branches [E2018/141]. This letter is a reminder of certain obligations imposed on organisations and on persons elected to office.

A notice must be published on the organisation's website

The organisation or branch must, as soon as practicable after receiving the post-election report, publish on its website a notice that a copy of the report is available from the organisation, branch or the AEC on request. The notice must be kept on the website for a period of at least 3 months (see regulation 141 of the Fair Work (Registered Organisations) Regulations 2009).

Holders of office required to undertake approved training

Section 293K of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe. Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which are provided for in the RO Act.

Organisation must notify the Commission of changes

Also, section 233(2) of the RO Act requires that an organisation must notify the Commission **within 35 days of any changes** to the holders of office in the organisation. **If there are no changes a notification is not required.** If the election has resulted in **any changes** to the holders of office, the Transport Workers' Union of Australia must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.

2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;

- the postal address of the person (generally the postal address of the organisation); and
- the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. A template notification of changes, which may assist you, is attached. If any change does not apply until a date in the future, you do not need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Matthew Indrigo

Mr Anthony Sheldon
National Secretary
Transport Workers' Union of Australia
Sent via email: twu@twu.com.au

CC: AEC Returning Officer by email: industrial.elections@aec.gov.au

Dear Mr Sheldon,

Courtesy Letter - Election for offices [E2018/141]

The rules of the Transport Workers' Union of Australia indicate that an election for offices within the organisation is due to commence shortly.

- National Secretary
- Assistant Secretary

It appears that nominations for the election for the above-named offices open in September this year.

Reminder: prescribed information must be lodged

This is a courtesy letter to remind you of your obligation to lodge information about the election (known as the 'prescribed information') pursuant to sub-sections 189(1) and (2) of the *Fair Work (Registered Organisations) Act 2009* (the 'Act') 11 July 2018. Prescribed information must be lodged with the Registered Organisations Commission (the ROC) two months before nominations open for the election.

If you do NOT agree that an election is due

If you have a different interpretation for the commencement of the election or the offices due for election under your rules, please let the ROC know on regorgs@roc.gov.au as soon as possible.

If you agree that an election is due

If you agree that an election is due, the prescribed information must be lodged within the month. The prescribed information should contain details of the election as required by regulation 138(1) of the *Fair Work (Registered Organisations) Regulations 2009* (the 'Regulations'), and any subsequent collegiate elections, if that is relevant. A sample of the prescribed information can be found on our website at <http://www.roc.gov.au/resources-and-decisions/fact-sheets-templates-and-webinars>.

The prescribed information should be emailed to regorgs@roc.gov.au. When lodging the prescribed information, please quote [E2018/141]

If you are unable to lodge the prescribed information on time

If your organization believes that it will be unable to comply with the prescribed day as set out in the Regulations, it will need to apply to the Commissioner within the month for a later date. Such

request will need to set out in detail the reason why your organisation is unable to comply with the requirement. While the Commissioner will consider such an application, there is no assurance that consent to a later day will be allowed.

Penalties apply

It should be noted Section 189(2) is a civil penalty provision. Failure for an organisation to lodge prescribed information at least two months before nominations open may result in legal proceedings being issued with the possibility of a pecuniary penalty being imposed upon an officer and/or the organisation.

The ROC intends to continue to provide reminders that an election is due as a courtesy. However failure to receive a reminder from the ROC cannot be relied on as a reason for late, incorrect or non-lodgment of prescribed information. The obligation to lodge prescribed information consistent with the Act and the rules of the organisation rests with the organisation.

Insufficient nominations

If there are insufficient nominations, or if a casual vacancy arises after the conduct of this election, then those unfilled or vacated offices must be filled in accordance the organisation's rules, and in any event in a timely manner.

Should you seek any clarification in relation to the above, please contact the ROC on regorgs@roc.gov.au.

Yours faithfully,

Sam Gallichio
Registered Organisations Commission
