Subject: AR2010/2565 2010 Annual Return Attention: Garth Mulholland

Dear Mr Mulholland,

Thank you for the 2010 Annual Return of the New South Wales Branch of the Transport Workers' Union of Australia. The Annual Return covers the required information with one exception, which is information relating to elections. Regulation 147(e) of the *Fair Work (Registered Organisations) Regulations 2009* requires the provision of information "*of each election that must, under the rules of the organisation, be held during each year commencing 1 January: (i) for an office in the organisation..*", that is, information relating to elections are required for the year commencing 1 January in the reporting year.

I note there was no information provided in the 2010 Annual Return in relation to elections held in the year commencing 1 January 2010. If elections are to be held this year, it was required that positions of office are to be stated in the 2010 Annual Return.

On the other hand, if there are no elections due in 2010, your statement should indicate that fact.

For the purpose of this Annual Return and before I can file it, a reply to this email confirming the offices due for election or a statement that no elections are held in 2010 will suffice rather than having to lodge an amended Annual Return.

Please contact me if you have any questions.

Kind regards,
