Your primary review

Your ORP statement had a **primary review** which checked whether it was signed by an officer, lodged on time, included the required NIL statements and whether you met the requirements that the ROC raised with you last year.

Your ORP statement satisfied the requirements of the primary review and has been uploaded to the ROC website.

The ROC's risk-based approach

Over a five year period the ORP statement of every organisation and branch will be subject to at least one advanced review. An advanced review is a more comprehensive review. This year your ORP statement was assessed against a primary review.

The ROC's [advanced review checklist](#) is published on our website.

A primary review does NOT check all legislative requirements. Also, it is not possible for the ROC to check the accuracy of the information in the statement.

Non-compliance (whether checked in this primary review or not) may result in a penalty.

Do you have questions?

Information and education materials are available on our [website](#). These materials are regularly updated. We recommend you [subscribe to the ROC's subscription service](#).

If you have any queries we can be contacted on 1300 341 665 or by email at regorgs@roc.gov.au.

Yours sincerely
