Such information must be lodged once in each year at any time during the period of three months commencing 1 January.

In accordance with subsection 268(3) of the *Workplace Relations Act 1996*, each organisation is required to lodge in the Industrial Registry certain information relating to records required to be kept by the organisation under subsection 268(1) of the Act and regulation 102 of the Workplace Relations Regulations. Detailed advice as to the information required to be lodged under subsections 268(3) and (4) of the Act is set out in the attachment.

Should you wish to discuss this matter, please do not hesitate to contact me on (03) 8661 7988.

In reply please quote: **AR 2003/239**.

Dear Mr Marshall,

**Re: United Firefighters' Union of Australia
Annual Return of information contained in records kept by organisation
(AR 2003/239)**

Thank you for your letter dated 9 July 2003 and the statutory declaration declared on 7 August 2003 providing information in accordance with subsection 268(3) of the Workplace Relations Act 1996. The documents were lodged in the Industrial Registry on 11 August 2003.

The documents lodged cover the following information for the 2003 Annual Return of the Federal office, New South Wales, Victoria, Queensland, South Australia, Western Australian, Aviation, Tasmania and ACT Branches: -

- certification in respect of the register of members of the organisation;
- list of branches of the organisation, and the address of the registered offices of each branch;
- list of offices in the Federal office of the organisation and of the persons holding those offices
- list of offices in each branch of the organisation and of the persons holding those offices
- prescribed information regarding number of members pursuant to regulation 43.

The documents have been filed.

You have omitted to include in your statutory declaration a list of any elections that may be held during each year. I have enclosed *Attachment A* and draw your attention to the requirement to provide information in relation to each election scheduled to be held for the year commencing 1 April [former subreg 102(c)].

Should there be no election scheduled for the ensuing year, then the words 'no election' would be appreciated on the statutory declaration.

Please note that from the commencement on 12 May 2003 of the Workplace Relations (Registration and Accountability of Organisations) legislation (the RAO legislation), annual return notifications are required to be lodged in accordance with s230 and s233 of the Registration and Accountability of Organisations Schedule (the RAO Schedule).

Please do not hesitate to contact myself on (03) 8661 7988 if you wish to discuss the requirements of the annual return of information.

Yours sincerely,
