## **8. Elections in organisation and branches**

United Firefighters' Union of Australia conducts elections every three (3) years.

Elections that were required to be held during the year commencing 1 January 2010 under the United Firefighters' Union of Australia Rules relate to the National elections and these were held and results declared on 2 February 2010. These elections are not required to be held again until 2013.

Branch elections were held in 2009 under the United Firefighters' Union of Australia Rules and are not required to be held again until 2012.

Due to the recent resignation of Queensland Branch Secretary Jamie Hawkins on 8 March 2010, that Branch is seeking legal advice to conduct elections for the appointment of a new Branch Secretary. We will inform Fair Work Australia of the outcomes of that process in due course.
