General Manager
Fair Work Australia

Email: melbourne@fwa.gov.au

Dear General Manager

1. Please find enclosed the annual return of information on behalf of the United Firefighters Union of Australia.
2. Included is a qualification regarding the number of members as of 31 December 2010. The number provided is the number provided by all branches. There is currently an internal dispute between the NSW branch and the federal union which is being litigated.
3. NSW notified of a reduction in membership numbers in June 2010. They have since been invoiced capitation fees based on that number of members. They have not disputed that number or provided any change in membership numbers. In my capacity as National Secretary I asked to see the records late last year but was not granted access. Therefore the number recorded in the annual return is the membership to the best of my knowledge.

Yours sincerely

Elections were held in 2010. United Firefighters Union of Australia conducts elections every three (3) years

9. NUMBER OF MEMBERS

As at 31/12/2010 the number of members 10,048*

*The branches notify the national office of their membership numbers in June each year. Unless they notify of any subsequent change, the June declaration of membership is relied upon for the following financial year. The NSW branch notified of a reduction in members in June 2010. The number they supplied has been relied upon for the invoicing of capitation fees since and the national office has not been notified of any further change to these numbers. There is an internal dispute with this branch and the National Secretary did ask to verify membership in December 2010 but was not provided the opportunity to do so. Therefore this number of members is the number as currently notified to the national office.
