9. Statement concerning number of members

*As at 31/12/2012 the number of members – 9419

*The Branches notify the national office of their membership numbers in June each year. Unless they notify of any subsequent change, the June declaration of membership is relied upon for the following financial year. There is an internal dispute with the NSW branch. The National Secretary has previously asked to verify membership but has not been provided with an opportunity to do so. Therefore this is the number as currently notified to the national office.
