

4 December 2015

Mr Peter J Marshall
National & Victorian Branch Secretary
United Firefighters' Union of Australia

p.marshall@ufuvic.asn.au

Dear Mr Marshall,

Reminder of actions required when persons elected to office

The Australian Electoral Commission has provided the Commission a declaration of results for the election [E2015/72]. This letter is a reminder of certain obligations imposed on organisations and persons elected to office.

Section 154D(1) of the *Fair Work (Registered Organisations) Act 2009* (the RO Act) requires the rules of organisations (and branches of organisations) to require each officer with financial management duties to undertake approved training that covers those duties within 6 months after the person begins to hold office. Please ensure that relevant officers undertake approved training within the required timeframe.

Please also ensure that all new holders of office are advised of their obligations to make disclosures regarding remuneration, non-cash benefits and material personal interests, the details of which should be provided for in your organisation's rules.

Also, section 233(2) of the RO Act requires that an organisation must notify the Fair Work Commission (the Commission) within 35 days of any changes to the holders of office in the organisation. If the election has resulted in any changes to the holders of office, the United Firefighters' Union of Australia must notify the Commission of these changes. In particular, please advise:

1. Person(s) who have ceased to hold office:
 - the name of the office vacated;
 - the date of the change of office holder; and
 - the name of the person vacating the office.
2. Person(s) who have commenced to hold office:
 - the name of the office now held;
 - the date of the change of office holder;
 - the name of the person now holding the office;
 - the postal address of the person (generally the postal address of the organisation); and
 - the occupation of the person now holding the office.

The notification must include a declaration by the Secretary (or other prescribed officer) that the information is a correct statement of the changes made. I have attached a template notification of changes which may assist you. If any change does not apply until a specific date, you don't need to notify until then (e.g. AGM, 1 January, 2nd Monday in March). If you have already lodged this information, please disregard this reminder.

Regards

Debbie Ball
Regulatory Compliance Branch
