Jason Jones Secretary United Firefighters' Union of Australia ACT Branch PO Box 110 BELCONNEN MALL 2616

Dear Mr Jones,

Re: Financial Reports of the United Firefighters' Union of Australia – ACT Branch for years ended 30 June 2004, 2005, 2006, 2007 and 2008

Fair Work (Registered Organisations) Act 2009 (the RO Act)

I refer to the above financial reports lodged on 2 March 2009. Firstly, I apologise for the lateness of our reply. The Fair Work Legislation introduced in July has certainly had an impact on our normal work load.

Given the amount of years the Branch is in arrears and the changes to the legislation, our examination and comments focus only on the 30 June 2008 financial report. That is not to say that late lodgements of financial reports are acceptable. Financial reports should be prepared, audited, supplied to members, presented to a meeting and then lodged with Fair Work Australia (FWA) within certain timeline requirements. I attach a flowchart for your assistance.

Section 305(2)(ze) of the RO Act is a civil penalty provision. It provides that a failure to meet the requirements of s268 is a contravention of that civil penalty provision. The Federal Court may on application of FWA impose a pecuniary penalty on the person or organisation whose conduct contravened the civil penalty provision. I also draw your attention to the provisions of Chapter 9 of the RO Act which set out the general duties of officers and employees of organisations and their branches in relation to financial management. These provisions may be invoked where inadequate reasons for late lodgements are provided.

In relation to the 30 June 2008 financial report, there are a considerable number of areas the financial documents need to be revisited in order to fully comply with the relevant provisions. It is clear that the report has been prepared under provisions that are no longer applicable and therefore cannot be accepted. Given that the lodgement of the 30 June 2009 financial report is expected shortly, I suggest that the 2008 financial report be done again taking in the requirements of the RO Act and lodged with the 2009 report. This will require the auditor to audit both financial reports because the auditor's report for 30 June 2008 is incorrect.

By way of example, it will be necessary for the auditor to provide an opinion regarding whether the report is 'presented fairly' in accordance with the requirements of the RO Act. The auditor is required to specifically refer to whether the report meets the requirements of both the RO Act and Australian Accounting Standards. An appropriate form of wording for the auditor to use would be:

In my opinion the general purpose financial report is presented fairly in accordance with applicable Australian Accounting Standards and the requirements of Part 3 of Chapter 8 of the Fair Work (Registered Organisations) Act 2009.

Telephone: (03) 8661 7777

Facsimile: (03) 9655 0401

International: (613) 8661 7777

Email: melbourne@fwa.gov.au

The audit report must report on a General Purpose Financial Report. A Special Purpose Financial Report will not be accepted by FWA. Further, it is not clear from the auditor's report whether or not the auditor is an 'approved' auditor. I draw your attention to the definitions of approved auditor in regulation 4 of the Fair Work (Registered Organisations) Regulations 2009 (copy attached). In all likelihood the auditor may be such a person however, it should be made explicit in the Report. I recommend you draw these comments to the attention of your auditor.

Other issues about your report are:

- The Accounting Officer's certificate is no longer required.
- Your Committee of Management Statement contains opinions and information that were once relevant under the Workplace Relations Act 1996. The Committee of Management Statement under the RO Act requires similar and other information.
- There is now a requirement to provide an Operating Report of the Branch. The Operating Report must, among other things, provide a review of the branch's principle activities during the year and any significant changes in the nature of those activities.
- The financial reports must be accompanied by a Designated Officers Certificate, or better known as a Secretary's certificate. This is generally a one page certificate from the secretary stating that the documents so lodged are copies of the auditor's report, accounts and statements which were provided to the members and presented to a meeting. The certificate should contain the date the members were provided a copy and the date on which the meeting was held.

Given the changes to the legislation since the Branch last lodged its financial reports, I have attached, for illustrative purposes, a copy of the 2008 financial report of the Queensland branch of your organisation as a guide to preparing reports that meet the requirements of the RO Act. In addition, the Financial Reporting Guidelines, financial reporting fact sheets and sample documents can be found on our Fair Work Australia website. The information can be viewed at www.fwa.gov.au, click Registered Organisations/Overview/ registered organisations fact sheets.

Every effort should be made by the branch (the reporting unit) to now meet the terms of the reporting requirements and I would be pleased to take any queries you have. The attached flowchart, report of the Queensland branch and the fact sheets should assist you in this matter.

Could you please advise me in writing at your earliest convenience the steps the branch proposes to take in fulfilling the above requirements. You may contact me by email at robert.pfeiffer@fwa.gov.au or by phone (03) 8661 7817.

Yours sincerely,

Robert Pfeiffer

Note 1: Statement of Significant Accounting Policies

This financial report is a special purpose financial report prepared in order to satisfy the financial report preparation requirements of the Corporations Act 2001. The directors have determined that the company is not a reporting entity.

United Firefighters Union Act Branch is a company limited by shares, incorporated and domiciled in Australia.

The financial report has been prepared in accordance with the requirements of the Corporations Act 2001 and the following applicable Accounting Standards and Urgent Issues Group Consensus Views:

AASB 1002:	Events Occurring After Reporting Date
AASB 1008:	Leases
AASB 1018:	Statement of Financial Performance
AASB 1020:	Accounting for Income Tax (Tax Effect Accounting)
AASB 1025:	Application of the Reporting Entity Concept and Other Amendments
AASB 1031:	Materiality
AASB 1034:	Financial Report Presentation and Disclosures
AASB 1040:	Statement of Financial Position
UIG Abstract 35:	Disclosure of Contingent Liabilities

No other Australian Accounting Standards, Urgent Issues Group Consensus Views or other authoritative pronouncements of the Australian Accounting Standards Board have been applied.

The financial report has been prepared on an accruals basis and is based on historic costs and does not take into account changing money values, or except where specifically stated, current valuations of non-current assets.

The following material accounting policies, which are consistent with the previous period unless otherwise stated, have been adopted in the preparation of this financial report:

(a) Income Tax

The company adopts the liability method of tax effect accounting whereby income tax expense is based on the operating profit before income tax adjusted for any permanent differences.

Timing differences, which arise due to the different accounting periods in which items of revenue and expense are included in the determination of accounting profit and taxable income, are brought to account as either a provision for deferred income tax or as a future income tax benefit at the rate of income tax applicable to the period in which the benefit will be received or the liability will become payable.

Future income tax benefits are not brought to account unless realisation of the asset is assured beyond any reasonable doubt. Future income tax benefits in relation to tax losses are not brought to account unless there is virtual certainty of realisation of the benefit.

The amount of benefits brought to account or which may be realised in the future is based on the assumption that no adverse change will occur in income tax legislation, and the anticipation that the company will derive sufficient future assessable income to enable the benefit to be realised and comply with the conditions of deductibility imposed by the law.

(b) Property, Plant and Equipment

Notes to the Financial Statements

For the year ended 30 June 2005

Property, plant and equipment are carried at cost or fair value less, where applicable, any accumulated deprecation.

Freehold land and buildings are measured on the fair value basis, being the amount for which an asset could be exchanged between knowledgeable willing parties in an arm's length transaction.

Plant and equipment are measured on the cost basis.

All assets, excluding freehold land, are depreciated on a straight line basis over their useful lives to the company.

(c) Leases

Leases of fixed assets, where substantially all the risks and benefits incidental to the ownership of the asset, but not the legal ownership, are transferred to the entity, are classified as finance leases. Finance leases are capitalised recording an asset and a liability equal to the present value of the minimum lease payments, including any guaranteed residual values. Leased assets are amortised on a straight line basis over their useful lives where it is likely that the entity will obtain ownership of the asset or over the term of the lease. Lease payments are allocated between the reduction of the lease liability and the lease interest expense for the period.

Lease payments under operating leases, where substantially all the risks and benefits remain with the lessor, are charged as expenses in the period in which they are incurred.

(d) Inventories

Inventories are measured at the lower of cost and net realisable value. Costs are assigned on a first-in first-out basis and include direct materials, direct labour and an appropriate proportion of variable and fixed overhead expenses.

(e) Investments

Non-current investments are measured on the cost basis. The carrying amount of investments is reviewed annually to ensure it is not in excess of recoverable amount of these investments. The recoverable amount is assessed from the quoted market value for shares in listed companies or the underlying net assets for other non-listed corporations.

Financials

Have Financials from 2004, 2005, 2006, 2007 and 2008 but only one set of minutes and motions. Documents need to be submitted to Industrial Relations Commission or the Union will be deregistered. Unsure of location of documents however, damage was suffered in office by water and some documents lost.

Table 2004 Financials then move through 2005, 2006 and 2007.

Investment strategy for Union implemented. Currently getting 8.35% on monies invested.

Financial 30 June 2004 moved Gina Kikos. Second Shaun McIntyre

2005 moved Ross Turton seconded Alan Swan

2006 moved Stu Gallop seconded Mick Agius.

No queries on 2008.

Moved Graham Bryce, seconded Alan Swan.

Motion put forward – all in favour.

AGM closed at 1825.

Ordinary General Meeting opened 1825.

Secretary's report.

Union vehicle deemed unserviceable. Vehicle unused by Eric – used personal vehicle but didn't keep log books. Last audit recommendations, buying being deemed the better option financially, however car will not be purchased until there are sufficient funds available. The old vehicle is to be taken to Rae St for training purposes.

Fairbairn and Hume.

Meeting with D Prince and G Kent. Plans have been viewed and will be available for everyone to look at. There are some issues with some supposed Government policies regarding open space, no closed space which raises privacy concerns. There are also issues for Comcen staff and that any level over SOGB has to have own office. Need to have further consultation over plans.

Hume going ahead. Have been allocated the block near the swamp instead of the block between the Helicopter and the Gaol. Construction will be done in stages which will have implications on the movement of areas. Cannot build an enclosed tower due to bird species. There are many issues that need to be discussed so a working group is to be formed. For example workshop not getting six bays only five. The Fairbairn move is to be before middle of next year. Training will be multi-agency training.

Vince – president of Services Club gave thanks for the support of the Union so far. Firefighters to be able to be full members voted unanimously at AGM.

Members on South Coast, private contractors with CIRCO and their CA is due. There is to be a National review. NSW reluctant to take over while review under way. ACTUFU to handle CA negotiations. Started bargaining period for CA, offer from NSW to assist.

National review. National Union has no money. National meeting in Tasmania, to be attended by Jason Jones and Mark Hall.

Finances - \$260,000 in term deposit, \$41,000 in cheque account.

Future direction of Union. Plan for future akin to Tasmania. Union fees currently at \$20 per fortnight whereas other unions charge 1% of wage. More expenses being incurred. Propose that deductions increase with pay rises. Everyone to pay same but increases linked to pay rises. Same figure for everybody fairer so everyone pays equally for same services.

Motion - dues at hourly rate of FB1 per fortnight to increase with pay rise.

Moved: Pat Brennan seconded Gina Kikos.

Motion carried with one vote against.

Payment for Secretary is at 20 hours per fortnight and President at 4 hours.

Motion Secretary to receive 30 hours and President to receive 20 hours to be reviewed twelve months.

Motion put forward by Mick Agius.

Seconded Neil Smith.

Motion carried.

Motion by Mark Hall.

To endorse declaration by Eric Williams that Jason Jones be acknowledged as Secretary of UFU Canberra Branch until elections in May 09. Seconded by Shaun McIntyre.

Motion carried unanimously.

Station relocation – final report was for the seven station model. Objections were raised by the Union over 7 station model. The model is now back up to 9 station model at new locations. No loss of stations but they are to be relocated.

Time frame may be influenced by Westfield Belconnen expansion and change to bus interchange. No concrete time frame as yet.

Day work dispositions. Generic duty statements for Brigade through JaCS HR. Currently 46 staff on day work and should only have 24. Need to ensure that personnel only do the duties assigned.

Website – not kept up to date. Can't put private information on it at the moment. Want to set up forum with list of topics for discussion and have a bulletin board. It will be moderated to ensure comments are kept appropriate. Look at email alerts for new stories. Nominate union delegates for certain portfolios. Website will advise contact officers to take weight off Secretary and President to allow them to concentrate on the bigger issues. Stories to be viewed openly, forums to be password protected.
